in Children's Television Programs
for
Station KTEN TV/DT & KTEN DT 10.2; KTEN DT 10.3 Doppler Radar Channel
Ada, Oklahoma

This Certification of Commercial Material in Children's Television Programs applies to Children's Programs broadcast by this station during the period January 1, 2010 through March 31, 2010. As used herein, the term "Children's Program(s)" means a program originally produced and broadcast primarily for children 12 years of age and under.

I hereby certify as follows:

1. Children's Programs Produced Locally by the Station

Attached hereto as Exhibit A is a list of Children's Programs produced by and broadcast by this station during the period covered by this Certification. As a standard practice, this station formats all of the Children's Programs it produces for broadcast in compliance with commercial limitations contained in the Children's Television Act of 1990 [Pub. L. No. 101-437] (hereinafter the "Act") and the FCC's rules. In no instance did the total amount of actual commercial matter in the "clock hour" during which any of the Children's Programs listed in Exhibit A were broadcast exceed the Act's statutory limits or otherwise violate the FCC's rules for Children's Programs.

2. Network Children's Programs

Attached hereto as Exhibit B is a list of NBC (KTEN TV/DT) & The CWPlus (KTEN DT 10.2) Network Children's Programs broadcast by this station during the period covered by this Certification. This station has received certification from the NBC & CWPlus Network that it, as a standard practice, formats these Children's Programs to comply with the Act's statutory commercial limits and the FCC's rules for Children's Programs. I hereby certify that this station did not add any commercial matter to these network Children's Programs which, when taken together with the network commercial matter contained in these programs, would cause the total amount of commercial matter in the "clock hour" during which any of these network Children's Programs were broadcast to exceed the Act's statutory commercial limits or otherwise violate the FCC's rules for Children's Programs.

3. Syndicated Children's Programs

Attached hereto as Exhibit C is a list of syndicated Children's Programs broadcast by this station during the period covered by this Certification. This station has received certification from the syndicator of each of these programs that each, as a standard practice, formats its Children's Programs to comply with

the Act's statutory commercial limits for Children's Programs. I hereby certify that this station did not add any commercial matter to these syndicated Children's Programs which, when taken together with the syndicated commercial matter contained in these programs, would cause the total amount of commercial matter in the "clock hour" during which any of these syndicated Children's Programs were broadcast to exceed the Act's statutory commercial limits for Children's Programs.

4. Display of Website Addresses

This station has received certification from NBC (N/A) and CWPlus (N/A) that each, as a standard practice, formats its Children's Programs to comply with the Commission's Website Display rules. I hereby certify that this station did not add any website addresses to these Children's Programs which would cause a violation of the Commission's Website Display rules or other commercial time overage.

For programs for which the Station received no certification from the Program Provider, I certify that the Station reviewed the Children's Programs to ascertain compliance with the Commission's Website Display rules and found them to be consistent with the Website Display requirements.

Dear Affiliate Partner:

To assist you in complying with the reporting requirements for children's television and the requirement that stations air "core" children's programming, we are providing you with episode-specific descriptions (for QUBO Kids on NBC) as set forth in the attached Community Relations Quarterly Children's Programming Report for 1st quarter 2010. The report includes information to help prepare FCC Form 398. Please note that we have not included the specific dates and times for each of the programs as that may be station-specific.

This report is divided into the following categories:

1. Educational Objectives: QUBO for both the 1st quarter 2010 and 2nd quarter 2010.
2. Core programming: Regularly scheduled programming furnished by the NBC Network that is specifically designed to serve the educational and informational needs of children 16 and under. Please note that the age target for QUBO programming on NBC is 4-8 years old. Each of these programs is identified on-air as educational and informational with the "E/I" icon, and is similarly identified to the national listing services. To assist stations with the preemption report section of the new FCC Form 398, we have added specific episode numbers.
3. Other programming: Programming furnished by the NBC Network that contributes to the educational and informational needs of children 16 and under, but is not specifically designed to meet the educational and informational needs of children.
4. Public service announcements targeted to children 16 and under.
5. Non-broadcast efforts that enhance the educational and informational value of NBC Network programming to children.
6. Network on-air promotional efforts, which include a schedule of QUBO programming on NBC on-air promos.

The regularly-scheduled children's programming and promotional content furnished to you by the NBC Network during the 1st quarter of 2010 complied with the commercial limits of the Children's Television Act, and 47 C.F.R. §§ 73.670(a)-(d), provided that you broadcast and distributed such programming as furnished to you by NBC, and did not add any promotional or advertising content there to other than as directed by NBC via weekly postings on APT.

If you have any questions about these reporting requirements, please feel free to call us.
