Hello Mr. Scurry
Can you help us with this message this week
Thanks,
Pam

Florence 1 Schools is in the planning stages for the 2020-2021 school year. In an effort to make sure that all students and staff are in a healthy learning and work environment, input is being sought from district stakeholders.

Florence 1 Schools is collecting input from parents/guardians who will have a survey emailed to them for completion, or they may go to the homepage of the Florence 1 Schools website (www.f1s.org) and click on:

Florence 1 Schools Return to School Survey.

All parents/guardians are asked to please take a few minutes to provide their feedback.

The input is greatly appreciated.

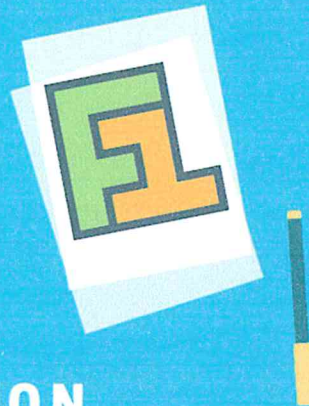

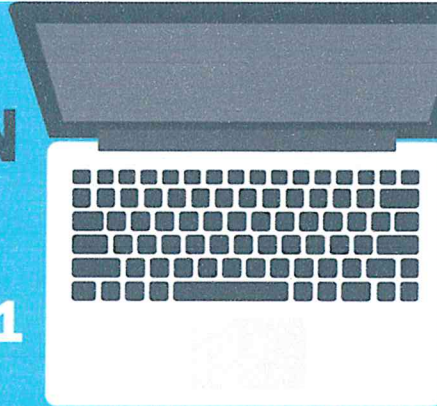

Thank you.
