

Issues/Program Lists
WBXF-CA Des Moines, IA

1st Quarter 2012

WBXF-CA, Facility ID 70417, in Des Moines, IA was off the air during this quarter with the Commission's authorization. Once programming resumes, the station will continue its regular broadcast programming provided by local government organizations and councils. The business of local government, as well as the programs that the City develops and offers, is of great interest to the community and the viewing public of WBXF. This locally produced programming covers many issues of significant importance to the viewers. Some of these include: Government Administration, Local Government Services, Emergency Service information, Parks and Recreation information and other service-related issues that affect the local citizens. The operators of WBXF-CA realize the importance of a broadcaster's responsibility to its viewers and will continue to air this type of programming with the goal being to educate, inform and entertain its viewers
