POLSKIE RADIO WNVR 1030AM, WRDZ 1300AM AND 104.7FM, 107.1FM, W276BM 103.1 FM (“The Station”) has changed its format and moved to brokered programs on air. It remains the main source of news and information for the Polish-speaking public, providing expert advice and Q&A sessions for the listeners, the station helps the Polish-speaking public to become a part of the main-stream and encourages them to actively participate in their new communities through both service and politics – on local and national level.

The Station continues to cover community affairs and provide public service announcements to the Polish-speaking listeners of the area, including:

1. Community events & issues
2. Health & Education
3. Charitable endeavors
4. Cultural events
5. Senior Citizen Care
6. Local government issues
7. Religion

All Brokered Programs include up to date news and information segments in following categories:

1. International, National News and Reports
2. Local News and Reports
3. Sports – local, national and international
4. Business and Finance –news & information on all that impacts the community on daily basis
5. Entertainment and Culture – both general market and Polish American
6. Children programming
7. Mental health and Healthy Living

The main goal of the Station remains the same – to air programs which cover issues important to the Polish American community in Chicago and surrounding areas – those that inform the public of current affairs and those which enrich their lives and help to cultivate Polish traditions, highlight Polish culture and language and promote achievements of Polish Americans in all aspects of life, including education, sport, art and culture. The Station continues to support Polish American charitable organizations and other non-profits - national, international, and local charity organizations and charitable endeavors big and small.

To provide the Polish-speaking public with more detailed information and expert point of view on various topics of interest, the Station made sure the Brokered Programs air the most important segments, which community came to love, and which have a real impact on their lives, including:
