

## KZRO FM Q4-22 ISSUES AUDIO ROTATION

Siskiyou County remains at a low vax rate and KZRO continues a PSA campaign to best inform our listening audience by selecting the best available PSA audio announcements from a wide array of content providers. This includes LOCAL, FEMA, CDC, NAB, RAB, AMA, THE AD COUNCIL, FOOD FOR HOPE, US. DOCTORS AND NURSES ASSOCIATION, GOVERNMENT, STATE OF CA. and many others, plus regional and local information on air as well as on our website. Due to extreme winter weather, we've added hazard information. These announcements, as shown here from our automation/traffic software indicates the saturation we are providing our listeners on current issues. This includes Local Information, Health Tips, Do's and Don't as well as numerous Social Distancing and RADD Drunk Driving PSA's from the music personalities that provide the music we air on KZRO. These announcements are provided to convince the public that Covid is real still real and is important for them to get the Covid Vaccine if they haven't, and to follow government guidelines to finally make an effort to eliminate it. Many in our listening audience (50% not vaxed) reject the fact that Covid is real, or the cure is worse than the disease. We at KZRO differ on this issue, and will continue to provide and update our PSA library with the best up to date information we can find. This, to convince them otherwise until Covid is controlled, which is why KZRO has provided so much airtime in order to increase the Vax rate. Hopefully, that will change.
