

WQUD

Erie, Illinois

Quarterly Issues/Programs list

4th Quarter 2015

January 10, 2016

ISSUES

WQUD-FM addresses issues of concern to our local community with oldies music, a genre that has disappeared in the Quad City radio market.

Arts and Entertainment: A genre that had left the Quad City market returned with the newly formed station, WQUD, based in Erie, Illinois.

Community: WQUD is working on the development of live programming that will allow it to better served the local community and its listeners

PROGRAMS

Programming is currently being developed and will keep the local listening community in mind as programs and DJs are added to the mix.

Public Service Announcements

WQUD is currently integrating PSAs into it's daily library rotation along with music.
