### **July 6, 2020, State Senator Tom O'Mara**

Topics: Returning students to school is important, will online classes continue as it has during Covid – O'Mara hopes not because of a lack of broadband in some towns, O'Mara does not like Cuomo over-utilizing Bill and Melinda Gates for educational agenda advice, Governor Cuomo is not letting go of the Covid powers, the governor and the nursing home deaths.

### **July 7, 2020, Dr. Gary Ostrower**

Topics: Kanye West is probably running to hurt Biden, Dr Ostrower's analysis of the Mount Rushmore Speech by President Trump, Ostrower's mixed feelings about Supreme Court's Electoral College rule, Ostrower's history of the Electoral College, Ostrower thinks the court will likely rule against the Obamacare mandate, Trump did not talk about Covid during Mount Rushmore speech, Ostrower thinks that's because Trump likes to bring up distracting topics, how experiments were done on humans by the Nazi's in WWII, President Nixon's 1968 talks about pulling US Troops out of Vietnam,

### **July 8, 2020 Dr. Nick Waddy**

Topics: Protests in Rochester and Buffalo and the feds arrest several who took part, President Trump's recent Mount Rushmore speech, how the media reacted to that speech, Trump's niece Mary writes a book about her uncle, the recent Supreme Court case on the Electoral College, Waddy says Biden should not rush in picking a running mate VP candidate, General Douglas McArthur removed by President Truman, Kim Il Sung died on this day in history of a heart attack, Ernest Hemingway as WWI ambulance driver and Hemingway's claims that he was followed by the FBI, because of alleged communist sympathies of Hemingway.

### **July 9 2020, Jon Ostrower, Editor of Air Current**

Topics: How has Covid affected airlines, specifically, pilots, flight attendants and passengers – Ostrower says it's meant much less travel. Ostrower says this lasted much longer than the post-September 11<sup>th</sup> fears of flying, and talks about how he became interested in reporting on air travel.

### **July 10, 2020, Dr. Robert Heineman**

Topics: Increased security for Ghislane Maxwell, Supreme Court on Trump's taxes being made public, Trump would beat Biden in a debate, but will Cuomo be pulled in to run at the last minute - Heineman thinks yes, the issues in this year's presidential race, Trump is an outsider even though he's been there since 2017, what'll happen next – it's hard to say, this is all unprecedented stuff, Ed Rendell says it's important to campaign in PA, Trump has agitated

military leaders by pulling troops out of the Middle East, Heineman asks who is behind the explosions at Iranian Nuclear facilities?

**July 13, 2020, Steve Overguard**

Topics: The economy in Canada and life in Canada since the Covid hit, how the hunting business has been affected by the Covid.

**July 14, 2020, Dr. Gary Ostrower:**

Topics: Explosions in Iran, no one who knows will say what country is behind these explosions, Roger Stone and President Trump, Senator Lindsey Graham allowing Robert Mueller to testify about the Russia investigation, Mitt Romney's criticism of Trump and Russia, do rich kid's fight in wars – President T. Roosevelt's sons both did, in WWI and WWII, Bastille Day in 1789 in France.

**July 15, 2020, Dr. Nick Waddy**

Waddy not surprised how the NY Times conservative writer resigns, the name Redskins, in Canisteo and in Washington State, will Trump pull funding to schools that don't open in the fall, Trump's economist Larry Kudlow says yes, does Ghislane Maxwell have testimony to make against the rich and famous, the idea of social workers taking the place of law enforcement, "re-imagining law enforcement", Biden is not for defunding police, President Nixon's trip to China, President Carter's 1979 Energy speech,

**July 16, 2020, Shawn Hogan**

Topics: St James since Covid began calming down, people need to wear masks and how people aren't doing that enough, the Hornell Industrial Development Agency's grants and loans to help local businesses, Alstom is currently hiring at their Hornell factory, Shawn Hogan answers listener question about reopening schools.

**July 17, 2020, Dr Robert Heineman**

Topics: Jeff Sessions loses to Tom Tuberville in U.S. Senate race in Alabama, Ruth Bader Ginsberg hangs on to Supreme Court Seat, Trump and Biden's in current polls, Trump supporters lie to pollsters to protect themselves from anti-Trump sentiment, Nate McMurray won't concede congressional race in Erie County, Trump pulling troops out of Afghanistan, NYS Troopers don't want to work in NYC anymore because of new rule from Mayor DeBlasio that Troopers cannot put pressure on chest or back, Elise Stefanik or Tom Reed to run against Cuomo possibly,

**July 20, 2020, Steuben County Sheriff Jim Allard**

Topics: Sheriff's reaction to the two Monroe County Deputy's personal vehicles being burned at the deputy's homes, Covid 19 numbers are declining, Sheriff Allard describes what quarantine checks are, recent warrant sweep results, sheriff explains why there are less drug arrests (because less people are on the road and there are less pullovers). New K-9 Unit.

**July 21, 2020, Lt Governor Kathy Hochul**

Topics: The Lt Gov's op-ed about child care in NYS during Covid, how Hornell turned around being a covid hot spot, the Lt Gov's touring NYS to talk tourism.

**July 21, 2020, Dr. Gary Ostrower**

Topics: the Chris Wallace Sunday interview with Pres Trump, are the Biden/Trump polls accurate, Trump's attitude about Covid, the death of Congressman John Lewis in Georgia, the Big Six Civil Rights activists, what really got the southern pols to vote for the 1964 Civil Rights Act, the anniversary of the 1<sup>st</sup> Battle of Bull Run.

**July 22, 2020, Dr Nick Waddy**

Topics: Waddy agrees with WH Press Secretary Kayleigh McAnany and Andrew McCarthy that cities need protection from the military, Tucker Carlson is right to object to NY Times planning story that gives out Carlson's home address, another stimulus package for the public proposed by DEMS and GOP, Trump does not want undocumented immigrants getting counted in US Census, the McClosky family in Missouri is being prosecuted for pulling guns on those who were coming on their property, Waddy disagrees with that, Rush Limbaugh predicts if Biden wins, that law enforcement will be decreased nationwide, Waddy disagrees, Mikhail Gorbachev talked missiles on this day in 1987, Warsaw Ghetto invaded in Poland by Nazis in 1942 on this day in history.

### **July 23 2020, Leslie Danks Burke**

Topics: Child care and covid, recent endorsements for LDB's campaign, text banking by the LDB campaign, LDB is against Trump sending federal agents into cities.

### **July 23, 2020, Hornell Mayor John Buckley**

Topics: water tank replacement transition went well, keep wearing covid masks, hornell school plans for the fall (Hornell is hoping to have as many in-classroom classes as possible) the Back the Blue Rally in Hornell went well.

### **July 24 2020, Dr. Robert Heineman**

Topics: Michael Cohen is released from strict home confinement rules and can write a book and talk with reporters, Trump is changing his campaign tone, Tom Reed refuses debates with opponent Tracy Mitrano, Heineman says people are tired of the protests.

### **July 27, 2020, Assemblyman Phil Palmesano**

Topics: Ted Nugent reportedly blocked by Governor Cuomo, from coming to NYS, Governor Cuomo's new mandate about no alcohol can be served without food in public, school reopening plans to be announced this week or next week, hearings coming up about the nursing home issue, Senator Tom O'Mara will be on this committee, Palmesano says voter fraud can happen because of the automatic voter registration forms for non citizens.

### **July 28, 2020, Dr. Gary Ostrower**

Topics: Covid 19 is decreasing in New York State and this is good news for New York, Major League Baseball is affected by Covid, Covid 19 is not decreasing in Florida, Texas, Georgia, Arizona, could Susan Rice generate more enthusiasm for the Biden campaign is Rice is VP? Ostrower doesn't think so, though Ostrower says she'd be good for the job, will Trump accept the results of the November elections if Trump loses? Ostrower says no, conservatives say Stacy Abrams and Hillary Clinton were sore losers, Ostrower says they did accept the losses, today is the anniversary of the beginning of World War I, this day in history 1965 LBJ escalates the Vietnam War.

### **July 29 2020, Dr Nick Waddy**

Topics: the protesters nationwide, some are democrats, some are more left than the democrats are, is it a good strategy for the democrats? Waddy says yes, because the liberal media is on the democrats side and spin the news in favor of the protesters, calling them "peaceful", censorship of conservatives in 2020, congressman Nadler is in denial of the riots, the upcoming stimulus checks, waddy says those who are still working and getting paid should not get the stimulus checks, this day in history: hitler takes over nazi party, nasa is founded, gm buys cadillac.

### **July 30, 2020, Assemblyman Phil Palmesano**

Topics: Palmesano's recent appointment to redistricting committee, Palmesano says Democrats are trying to change the rules on redistricting to make it better for themselves, the new absentee ballot process is too complicated, last night's press conference in Elmira about law enforcement, where criminal law changes in nys was discussed, increase in crime in NYS.

### **July 31, 2020, Dr. Robert Heineman**

Topics: Rochester Mayor Lovely Warren says Congressman Joe Morrelle is a racist for trying to get a county lawmaker fired behind the scenes, the death of Herman Cain, the big tech companies came to Washington and talked to Congress, the big tech organizations have a lot of influence in politics, Pat Buchanan says the American people are tired of riots, the rioting in NYC, the upcoming Democrat Convention will be a small one, Michael Flynn's judge won't let the case go and the judge is winning in court, dr Birx and dr stella Immanuel, media is mocking Immanuel's religious beliefs.

### **August 3, 2020, Tracy Mitrano**

Topics: endorsements from Congressman Jerry Nadler and Lt Governor Kathy Hochul, Congressman Tom Reed won't do any TV debates at this point, fundraising is going well for Mitrano, Mitrano says she gets more individual donors in fundraising than Tom Reed gets, Mitrano says Tom Reed is late in getting around to wanting to give stimulus \$ to municipalities, Mitrano says she's not done as much in-person campaigning as she'd like to, because of Covid, but has some events scheduled soon, dumping in Painted Post, Trump is self-serving in what Trump says about mail-in voting, Biden's VP pick will probably be Senator Kamala Harris.

#### **August 4, 2020, Dr Gary Ostrower**

Topics: Ostrower's years at Alfred University, how often does history get revised because of new documents that are discovered in later years, the Jonathan Swan interview from yesterday with President Trump, Covid 19 statistics, Trump and Dr Birks publicly disagreeing, Ostrower says the 1918 Flu was not political like Covid 19 is, Trump's withdrawing from the World Health Organization, This day in history, Anne Frank was captured by Nazis and The Three Civil Rights Workers were murdered in Mississippi.

#### **August 5, 2020, Dr Nick Waddy**

Topics: this day in history, Lincoln's income tax, beginning of WWI, Russia and Germany in WWI, the Peter Jackson WWI documentary, Biden's VP pick will be Senator Kamala Harris, stimulus negotiations, Waddy's opinion of Dr Fauci – good doctor but not a Trump supporter, big cities don't want federal help with the crime increase.

#### **August 6, 2020, Congressman Reed Media call from yesterday, Senator Gillibrand media call from yesterday.**

Topics: Stimulus negotiations, students returning to school, Covid 19.

#### **August 7, 2020, Dr Robert Heineman**

Topics: recent Biden gaffes, Biden might be replaced by a V.P. right away if Biden wins, Trump's campaign wants a debate, Biden's camp does not, Heineman's analysis of this past Tuesday's primaries in Michigan, Kansas, and Missouri, Rand Paul says GOP in Congress has spent more than the Democrats did under Obama, Senator McConnell also thinks too much has been spent on stimulus, stimulus plus unemployment checks are paying people too much in that people don't want to come to work, Trump has ordered federal gov't offices and agencies to buy essential medicines from USA, not China.

#### **August 10, 2020, Eric Griffith, PC Mag.com**

Topics: Eric gives the rundown of his recent articles on PC Mag.com, also discusses how security computer employees are hired to hack into a company computer by that same company, to test how secure their computers are, the big tech giants go to Washington – Eric's thoughts on the big tech hearings.

#### **August 11, 2020, Dr Gary Ostrower**

Topics: World War II, why Russia was invaded by the Germans and why the USA did not invade, was it necessary to use the bomb on Japan, the Manhattan Project to build the A bomb, Ostrower says we could have ended the war without the bombings of Hiroshima and Nagasaki, the public did not know that Washington wanted such a weapon, the USA kept the Manhattan project secret to prevent attacks against America, Ostrower's recollections of hearing the news of VJ Day in World War II on the radio as a child.

#### **August 12, 2020, Dr Nick Waddy**

This day in history: Churchill meets Roosevelt in 1941 to talk about the war, in 1938 Hitler encourages Germans to have big families, how did Hitler get Italy and Japan into the Axis Powers, the end of the Spanish American War in 1898, William Randolph Hearst encouraged U.S. involvement in the Spanish American war, Patty Hearst case, VP Mike Pence going to Wisconsin during the Dem's convention, Trump's recent stimulus money announcement, unemployment is down, resignation of Seattle Police Chief.

#### **August 13, 2020, Shawn Hogan From the Hornell IDA**

Update on the Hornell Plaza, there will be a Hampton Inn at the North End of the Hornell Plaza, Shawn says the Hornell IDA doesn't own the Plaza, it's owned by a Buffalo business, Trinity Health has not decided on what to do with the old hospital building on Canisteo Street in Hornell, Trinity Health also owns 20 Elm Street in Hornell, the hearings in Albany about the nursing home deaths and the hospitals regarding covid 19, Shawn says Congressman Tom Reed is looking to run for governor and Reed should focus on the congressional district, Senator Schumer is 69 and will be up for re-election in 2022, will he run again? Hogan says Schumer should run.

#### **August 14, 2020, Dr Robert Heineman**

Joe Biden has picked Senator Kamala Harris as VP, Trump is not the war monger that some claim that he is, Tucker Carlson's book cover mocking long time Washington officials, Heineman says if Democrats win the three seats they want to in the NYS Senate, Democrats will have veto power, Congressman Tom Reed is more quiet lately because things in DC are quiet, Trump went ahead with unemployment benefits on his own, Heineman says you don't have to personally like a president if that president is effective.

#### **August 17, 2020, State Senator George Borrello**

Borrello's thoughts on the increase in violence in big cities in NYS, he thinks the bail reform laws don't help because of the quick release of suspects, bail reform has already quietly begun, it was put in the state budget several months ago with no fanfare, covid hearings, Borrello says the state health commissioner should have been subpoenaed and that democrats made it too easy on the commissioner, the governor wants to have mail in voting done in November, Borrello says that's too fast, borrello talks about his recent visits to towns in Allegany county, how covid affects farmers.

#### **August 18, 2020, Dr Gary Ostrower**

Ostrower says the convention was exciting, despite the fact that it was recorded ahead of time, Ostrower noted that four Republicans spoke, Ostrower quoted Bernie Sanders line about Nero fiddling, the Trump base won't care that the four Republicans spoke, but the moderates/independents might be influenced, Ostrower noted that Governor Cuomo spoke against Trump's handling of Covid, will Trump zing Cuomo at the GOP convention? Possibly, but Trump will argue that Biden is going to be under the control of socialists, Ostrower predicts that Trump will go after Biden on mental health issues, Ostrower explains the United Arab Emirates/Israel deal that was just signed a few days ago, this day in history there was an attempted coup against Mikail Gorbachev in 1991, the difference between Gorbachev and Josef Stalin.

#### **August 19, 2020, Dr Nick Waddy**

Bill Clinton's legacy on his domestic and foreign policies (it's Bill Clinton's birthday) was Newt to blame for the investigations into Bill Clinton? Not completely, though Newt was part of the investigations, Waddy's thoughts on the convention, Dems talking more about Trump than they are talking about Biden, don't know yet what influence the Democrats convention will be on swing voters, Cuomo is leaving himself open for criticism by slamming Trump about Covid, Waddy says the news stories about Trump hurting the USPS is fake news, this day in history: the U2 spy plane pilot is sentenced in Russia, Hitler becomes president of Germany, US backs regime change in Iran.

#### **August 20, 2020, Mayor John Buckley**

Some school students were at the Hornell Police station earlier this week, Hornell school resource officer program working out well, state liquor authority's new rules about music bands in bars and restaurants, gyms and fitness centers reopening soon, update on the bridges in Hornell, Shawmut trail extension, no federal aid was worked out by congress for local governments, slight increase in Hornell residents being unable to pay city bills because of the Covid, Buckley has little interest in the presidential race polls.

#### **August 21, 2020, Dr Robert Heineman**

Heineman's thought's on Biden's speech from last night, Democrats spoke too much about Trump at the Democrats convention, do liberal republicans influence swing voters – too early to know yet, Heineman explains why the Democrats brought in speakers who the conservatives frequently criticize (Bill Clinton, Hunter Biden, Andrew Cuomo), Trump has been a game changer in the way both liberals and conservatives think, Heineman says it's because Trump is a lightning rod, Heineman says Trump is falsely accused of racism, Tulsi Gabbard says she was not invited to come to the Democrats convention, Heineman says Biden and Harris are big wall street candidates.

#### **August 24 2020, Paul Van Caesele**

What's new with the Hornell GOP, the Reed/Mitrano, O'Mara/Danks Burke/Byrnes/Sattler Leblanc race, Trump/Biden races, Covid 19's effects on Steuben County, working with County GOP majority leader Gary Swackhamer/Governor Andrew Cuomo from county legislator's viewpoint, committees that Van Caesele on, the Steve Maio allegations and if the allegations are true, Maio should resign.

#### **August 24, 2020, Guest Two: Assemblyman Phil Palmesano**

schools reopening, the reopening process in general, the farm labor wage board, the lack of rain and the effect of that on farms, the price of milk situation for farmers, Unemployment issue with trump issuing executive order for enhanced payments and cuomo saying and questioning legality of the order, more and more rules and restrictions continue to come out of Albany, the state health commissioner at the state legislative hearings about nursing homes, not staying and leaving early and not answering questions.

#### **August 25, 2020, Congressman Tom Reed**

Reed's vote with Dems on the USPS, update on the stimulus funding, USMCA, Opportunity Zones, and Reed's call out of the Governor on refusing to work with the federal government on boosted unemployment insurance.

#### **August 25, 2020, Shawn Hogan**

Shawn's thoughts on the Democratic convention, Shawn doesn't think the two conventions will affect the polls much, Shawn says Trump is wrong to say that the economy is greatest under Trump, that Trump's is 7<sup>th</sup>, Shawn speaks of his support of Leslie Danks Burke, Tracy Mitrano and other Democrats in local races, this day in history the anniversary of the death of Senator Edward Kennedy and the liberation of Paris, and President Truman has the US Army take over the US railroads, Harry Truman's legacy, the Hornell Industrial Development Agency working on various local projects.

#### **August 26, 2020, Dr Nick Waddy**

Back on campus at Alfred state college, Waddy says what Democrats say about Trump and the Post Office is untrue, that Trump isn't dismantling the Post Office, Waddy says the GOP convention is trying to deconstruct the racism accusations against Trump, Waddy says Biden and Senator Harris did well in the Democratic convention, Biden's speech was live and not recorded and that was a big achievement for Biden, no one knows who will be running things if Biden wins, Hillary Clinton says to Biden don't concede the election if Biden loses, Waddy says Democrats are already planning to contest the election, this day in history – LBJ accepts the 1964 nomination, 1968 Democrat convention in Chicago had nightly riots, Elvis's loyalty to LBJ and Elvis's dislike of John Lennon over the subject of LBJ, Russian Missile tests, Waddy was surprised at the fall of the Berlin wall at that time,

#### **August 27, 2020, Joe Sempolinski**

Sempolinski's thoughts on the vandalism done to Congressman Tom Reed's Corning campaign office, the RNC Convention, the DNC Convention, Gillibrand and Cuomo disagreeing with the CDC on Covid rule changes, Sempolinski thinks there could be an investigation from DC about the covid nursing home deaths in NYS, Ross Scott running against Assemblyman Joe Giglio.

#### **August 27, 2020, Dr Robert Heineman**

Heineman agrees with Senator Paul that the Arab Spring was not so great, and that the Never Trump Republicans are pro-war and globalist neo-cons, Tom Reed is an interesting conservative who can work with the other side of the aisle, yet maintain his views, will Cuomo go to DC if Biden wins, unsure about that, China and trade with China came up a lot in the GOP convention, Trump's anti-free trade views help him with the blue collar factory workers nationwide, Trump hurt the farmers with his anti-China rules in the USMCA but he holds up well with the farmer vote.

#### **August 31, 2020, Leslie Danks Burke**

LDB's appearance at an Elmira NAACP school supply giveaway, LDB's proposed tax plan, LDB's article about farming, LDB's thoughts on Governor Cuomo's back to school plans, LDB agrees with Governor Andrew Cuomo about fining utility companies that don't perform well in restoring power during emergencies, LDB's endorsement from Vote Mama, fundraising efforts by LDB campaign, LDB says O'Mara voted for Cuomo to have emergency powers, LDB says nursing homes need to be more regulated by state lawmakers.

### **September 1, 2020, Dr Gary Ostrower**

The difference between online teaching and teaching a classroom of students, Ostrower's thoughts on the GOP convention, Biden is being mischaracterized by the GOP, GOP is trying to soften Trump's image, Trump and Biden are both arguing that the other is making the country unsafe, the prediction that some made that Governor Cuomo would be pulled in to replace Joe Biden did not happen, Ostrower says it was never a real possibility, Senator Rand Paul was mobbed and wants to investigate Antifa and BLM, Ostrower says Antifa and BLM are not a problem compared to white supremacist groups, this day in history – Germany invades Poland.

### **September 2, 2020, Dr. Nick Waddy**

Trump's visit to Kenosha Wisconsin/Rand Paul was mobbed and the DOJ is investigating both BLM and Antifa/difference between online teaching vs remote teaching/mail in ballots and in person voting and how that will affect the November 3<sup>rd</sup> elections/the Democrats are starting to talk about law and order and discouraging rioting/Waddy's thoughts on the RNC/This day in history: Surrender of Japan in 1945/Ho Chi Minh in Vietnam/President George H.W. Bush's plane shot down in WWII.

### **September 3, 2020, Lt. Governor Kathy Hochul**

The Lt Governor says the video of the death of Daniel Prude of Rochester, is shocking, Hochul reminds listeners to keep up wearing the masks and maintaining social distance, with the Labor Day weekend coming up.

### **September 3, 2020, Pt 2, Democrat Congressional Candidate Tracy Mitrano**

Mitrano says the Heroes Act should be passed, Covid 19 and returning to Schools, hunger in this congressional district, Mitrano says Pres Trump is wrong to criticize mail-in voting, Mitrano says Congressman Tom Reed is trying to get her removed from the Working Family Party line, Mitrano describes the WFP, Mitrano says Reed won't debate her, Mitrano says Trump has not delivered to the American people, Trump has hurt farmers with his anti-free trade, Trump has not handled Covid 19 well.

### **September 4, 2020, Dr. Robert Heineman**

Biden is starting to do public appearances and so is Trump, Biden reportedly flip flops on the hydrofracking issue, AOC won't like that but AOC isn't a big Pennsylvania personality, Biden is flip flopping on getting back to school, Biden has changed somewhat about rioting in cities, Heineman thinks Biden is taking Trump-like views to improve in the polls as Trump has been closing in, the difference in polls, some have Trump ahead, some have Biden, Trump told Laura Ingraham that the Trump campaign will not ignore NYS, this has the governor getting tough against Trump as a result of this, Senator Rand Paul's alleged attacker from last week's mobbing incident is arrested and the suspect is from Florida, Paul wants the feds to investigate protesters who riot and loot from state to state, does Antifa store weapons nearby, possibly, mail in voting verses absentee ballots and Heineman thinks there are problems with mail in voting.

### **September 7, 2020, Alfred Police Chief Paul Griffith**

Things are quiet in the village of Alfred, but things were pretty hectic in Rochester, Griffith says it's tough when there are so many people out on the streets and so few police officers, it spreads the officers pretty thin, the fact that some of the protesters are wearing masks on makes it difficult too, effects of bail reform during big protests, Alfred has peaceful protests and no one gets hurt and there is no damage, Alfred Police assisted in the Wellsville Andover high speed chase.

### **September 8, 2020, Dr. Gary Ostrower**

Ostrower objects to what President Donald Trump said in yesterday's press conference about U.S. military leaders, Ostrower says Trump said it to distract/deflect from the recent article in the Atlantic about Trump allegedly degrading dead soldiers, Ostrower thinks most Americans believe the Atlantic story, and that the story has legs, this day in history – the anniversary of the President Ford pardon of President Nixon. The Nixon tapes.

### **September 9, 2020, Dr . Nick Waddy**

Rochester ny protests, resignation of Rochester Police Chief, protests in Rochester in the aftermath of Daniel Prude video being released, story about Trump in the Atlantic, will it influence voters, Waddy says it very well could, Trump's criticism of military leaders during the Monday press conference, mail in voting, Waddy's thoughts on Governor Cuomo's statement about how Trump was to blame for Covid 19 in NYS, the election might not be decided until well after November 3<sup>rd</sup>, this day in history the Continental Congress named the country the United States of America, the death of Mao Dezung.

### **September 10, 2020, Hornell Mayor John Buckley**

A group, returns to Hornell schools today, Covid 19 cuts for road improvements and AIM funding could get cut by Albany, no funding yet from Washington for local gov'ts, roof project at City Hall on Seneca Street closing off traffic from time to time – but that work is almost done, Buckley gives an update about the Hampton Inn Hotel that's going to locate in North Hornell, more demand for hotel rooms locally than you might think, Rochester politics is quite intense with protests and the controversy surrounding the death of Daniel Prude, rioters going from city to city and state to state.

### **September 11, 2020, Dr. Robert Heineman**

Heineman believes that the timing of the release of the Bob Woodward book about President Donald Trump and the article in the Atlantic, are being done to hurt Trump in an early October surprise, Heineman says Woodward is discredited by the book about Iran Contra "Veil" by Robert Woodward, Heineman talks about the long list of Trump critics on Trump's handling of Covid, Heineman says Trump was right not to start a panic, Heineman lists Trump's accomplishments regarding Covid, Heineman says that Trump is experiencing what JFK and LBJ did in being overwhelmed by pushy generals and Heineman says Trump is not wrong to criticize the top brass, Heineman doubts that Trump really slammed dead soldiers, Heineman predicts that the presidential debates will be watched by many, Heineman says there is an organized element in Rochester, NY, that continues to push for violent protests, Lovely Warren might have to resign because of the Daniel Prude situation and because of a grand jury investigation.

### **September 14 2020, Catharine Young, Cornell University**

What the Center for Excellence for Food and Ag does at Cornell University, Grow-NY competition, how her office works with Cornell Cooperative Extension, business development, farming in 2020 verses the 1980s, automated tractors and drone technology in insecticide spraying, Cornell's new apple varieties.

### **September 15, 2020, Part One, Steuben County GOP Election Commissioner Vicky Olin and Democrat Election Commissioner Kelly Penzuil**

Election's board gets lots of executive orders from Albany, the difference between a write-in ballot and an absentee ballot, they say they're up to 3,652 requests for absentee ballots at this point, the difference between absentees appearance and the way you apply for both, the executive order about primary voting and using covid as a medical excuse and how some thought this applied for the November 3<sup>rd</sup> election, which it doesn't, the Steuben County Election office does not handle the village election vote count, early voting rules for Steuben County, electioneering rules this year, how to register to vote, when to register.

### **September 15, 2020, Part Two, Alfred University History Professor Dr Gary Ostrower**

Trump's rally from last night, the new Bob Woodward book, the politization of science in 2020 America, 2020 is a huge year in history because of Covid 19, the conservative argument against climate change, this day in history 1916 the Battle of the Somme.

### **September 16, 2020, Alfred State History Professor Dr Nick Waddy**

Tight presidential race in Florida, upcoming debates, protests continue in Rochester over the death of Daniel Prude, Mayor Lovely Warren in Rochester seems to survive in spite of much pressure, this day in history: Ghandi goes on a hunger strike, the draft is imposed in 1940, the Mexican War of Independence began on this day in history also.

### **September 17, 2020, Former State Senator George Winner**

Winner's thoughts on how the governor is handling the shutdown and the reopening process, Winner's thoughts on the nursing home deaths, Winner thinks the governor is too hard on President Trump on the nursing home issue, Winner says anti-police sentiment in NYS is affecting police support for Dems in NYS, Winner's thoughts on what should have been changed in the criminal justice system besides the bail reform, Winner talks about the governor's prison closings policies, Winner's thoughts on early retirements for state employees and for the private sector retirements, absentee ballots verses mail in ballots, Winner says the poll that matters is election day,

### **September 18, 2020, Dr. Robert Heineman**

The problem solvers caucus is getting much attention in the NY Post, Wapo, Fox News, because the problem solvers caucus are working on getting the latest stimulus deal worked out sooner rather than later, Reed was instrumental in getting the problem solvers caucus going, Heineman says bipartisanship is nothing new, but having an organization dedicated to working both sides of the aisle is a new idea, hecklers the NY Times said President Trump's Middle East work has been somewhat of a good thing, the Democrats strategy to win the White House, Wilsonian Presidents verses Jacksonian presidents and what Jeffersonianism is.

### **September 21, 2020, Steuben County Sheriff Jim Allard**

Allard's thoughts about the mass shooting on Saturday morning in Rochester, the sheriff's thoughts on bail reform and drug arrests and how drug arrests can stop addiction sufferers, addiction and catch and release leads to more arrests and is worse for the suspects because they get arrested numerous times instead of just once, the sheriff's department's role in the investigation of the home invasion last week on Rockwell Avenue in Hornell, police reform initiative in Steuben County and statewide, sheriff says the AG's new rule about bodycam videos will be challenged in court.

### **September 22, 2020, Dr Gary Ostrower**

The many considerations in the aftermath of the death of Supreme Court Justice Ruth Bader Ginsburg, comparisons between the Merrick Garland situation and the death of Ruth Bader Ginsburg, political considerations for Senator Lindsay Graham, Ostrower's thoughts on the life of Ruth Bader Ginsburg and the effects of her decisions, this day in History: the Emancipation Proclamation and the beginning of the Iran Iraq War.

### **September 23 2020, Dr Nick Waddy**

The death of RBG, the Trump nominee's chances at getting nominated to the court, the November 3<sup>rd</sup> election will be contested by whoever loses against whoever wins, Waddy says the Supreme Court will help in choosing who will win, Biden is not politically damaged by Trump asking who the Biden Supreme Court nominees would be, this day in history FDR defends his dog Falla from Republican criticism, and President Truman announces Russians are doing nuclear testing.

### **September 24, 2020, Part One – Steuben County Legislator Paul Van Caesele**

Hornell GOP Headquarters Grand Opening, the number of Trump signs that people have asked for, Van Caesele's concerns about the number of absentee ballots, Paul Van Caesele's county legislator resolution regarding the reopening process in New York State, the current constituent issues in Steuben County, such as businesses being turned in for covid violations, Van Caesele's FB page post and his response to criticisms.

### **September 24, 2020, Part two – Democrat Assembly Candidate Ross Scott**

Bio/background info, current attorney work, Scott's thoughts on how Governor Andrew Cuomo has done in handling Covid 19, Scott's thoughts on how the governor has handled the reopening process, his thoughts on issues affecting New York State, wind, solar, education and common core, taxes, safe act thoughts.

### **September 25, 2020 – Part One, Steuben Co Democrat Chair Shawn Hogan**

Thoughts on the life of RBG, Hogan's thoughts on the process to replace RBG, Hogan thinks it's more important to focus on local issues like Covid 19 than it is the Supreme Court, Hogan agrees with Governor Cuomo about the governor's vaccine committee, Hogan says Trump is divisive, the upcoming Trump/Biden debate, the upcoming Pence/Harris debate, the current political climate.

### **September 25, 2020 – Part Two, Dr Robert Heineman**

Trump's Supreme Court nominee will be announced Saturday, September 26<sup>th</sup> at 5pm, Heineman's predictions on that, Heineman's thoughts on next Tuesday's debate between Trump and Biden, Heineman agrees with Governor Andrew Cuomo on the idea of sending the National Guard to polling locations on election day, Heineman's thoughts on taxes going up because of Covid-19, U.S. Attorney General Barr going after Antifa for violence in cities.

### **September 28, 2020, Hornell Police Chief Ted Murray**

Missing person cases from rochester ny is something that hpd is aware of, Hornell Police took part in the statewide survey on how the area feels about police work, Murray tells us how that went, Murray talks about Covid violations and how they are handled, home invasion update, drug update opioids 20 narcan uses to reverse this year, school resource officer update, Murray's thoughts on the community's support of hornell police, body cams and city cams.

### **September 29, 2020, Dr Gary Ostrower**

What does Trump have to do in tonight's debate, and what does Biden have to do in tonight's debate, the liberal media will play the good Biden clips tomorrow, the conservative media will play the good Trump clips tomorrow, which media will win, Ostrower is not sure, Ostrower's predicts that the Amy Coney Barrett hearings will be tamer than is being predicted by conservatives, and she'll be approved, Ostrower says Covid should be the Dem's issue not objections to Amy Coney Barrett, Ostrower's thoughts on NY Times story about Trump paying \$750 in taxes, Ostrower dismisses stories about Hunter Biden and Illan Omar. This day in history: Benedict Arnold's accomplice is convicted and hung for treason.

### **September 30, 2020, Dr. Nick Waddy**

Waddy says Dems don't want to lose the court, but some Democrats probably won't want to aggressively interrogate Amy Coney Barrett, though Waddy predicts that some Dems will ask tough questions, Democrat Senators won't talk with Amy Coney Barrett, social media and confirmation bias, Rand Paul and Amy Coney Barrett, this day in history munich pact in 1938, in 1918 President Woodrow Wilson signs women's suffrage bill into law.

## **4<sup>TH</sup> QUARTER FCC TOPIC SHEET FOR WLEA NEWSMAKER SHOW**

### **October 1, 2020, part one, Eric Griffith**

Mozilla and Firefox and why Mozilla is not as controversial as Google or Microsoft, Eric's reviews of Amazon prime, Netflix most popular tv shows and movies on Netflix, Eric's home tv setup at his house, Eric's article about Twitter and Facebook and which is more popular.

### **October 1, 2020, part two, Mayor John Buckley**

The importance of keeping up with wearing masks and social distancing, the presidential debate was a disaster, Washington needs to get it's act together and help small towns and local governments

### **October 2, 2020, Dr Robert Heineman**

Heineman says that the race for the White House will get crazier now that Trump has covid, Trump performed in the debate the way he intended to, Chris Wallace was taken by surprise by the many interruptions, Democrats want to change the rules, Trump doesn't want to change the rules, covid 19 and abortion as factors in the November 3<sup>rd</sup> election.

### **October 5, 2020, Assemblyman Phil Palmesano**

Palmesano says it's "preposterous" that the governor wants to impose fines of \$10,000 a day against municipalities, the governor wants more testing in schools, Palmesano says he's already heard from school superintendents about the governor's statements, saying that they don't have the resources to do what the governor wants, Palmesano says the governor doesn't like it when the nursing home deaths are investigated but the governor is happy to jump all over schools and local municipalities, Palmesano is concerned that the covid is increasing on the Corning side of Steuben County, Palmesano's concerns about the new early release program is releasing felons with bad histories of crime, and the way things are going, criminals have more gov't officials looking out for them than the victims.

### **October 6, 2020, Pt 1, Dr Gary Ostrower**

Ostrower says the debate from last week between Trump and Biden was historic because it was the worst debate ever in American history, attention is off of Amy Coney Barrett and on Trump for Covid, Ostrower says that does not help Trump out, this day in history the Yom Kippur War, the assassination of Anwar Sadat, President Kennedy urges Americans to build bomb shelters.

### **October 6, 2020, Pt 2, Dr Gabriel Yacob**

Dr Yacob explains how Covid 19 has affected his practice, Dr Yacob explains how to tell the difference between pain that originates in the back that shows symptoms in legs and hips, and regular leg and hip pain, he discusses treatments that are used, talks about opiod medicines, difference between what the doctor does and what a chiropractor or physical therapist does, new technology that helps back pain, stimulators and other devices.

### **October 7, 2020, pt 1, Catholic Charity's Steve Olix, Hornell School Superintendent Jeremy Pallotti**

The school supply donations for local schools, how it works, when the donations can be picked up.

### **October 7, 2020, pt 2, Dr Nick Waddy**

The Biden Trump debate, the Kennedy Nixon 2<sup>nd</sup> debate, communism spreading the Antonio Gramsci way, the East German country, the war in 2001 begins in Afghanistan, this day in history, John Lennon overcomes deportation attempts in 1975, the hijacking by Palestinians, of a plane from Italy in 1981.

### **October 8, 2020, pt 1, Dr John Robshaw, Aimee Smith from the St James Emergency Room**

The St James E.R. department and how safe it is for those coming in, hospital officials assure the public that there is a safe distance in waiting rooms and in the E.R. so that there is social distancing, however, the pandemic is not over So don't let down your guard yet.

### **October 8, 2020, pt 2, Hornell Deputy Mayor Jessica Cleveland**

Covid issues in Steuben County and how budget issues locally are affected by the covid statewide and nationally Also, the deputy mayor comments on the vice presidential debate from last night.

### **October 9, 2020, pt 2 Dr Robert Heineman**

President Trump will be on the Rush Limbaugh show today, House Speaker Nancy Pelosi wants to remove President Trump from office by using the 25<sup>th</sup> amendment, Heineman says that VP Pence did well in the Vice Presidential debate, the DNI releasing Trump/Russia documents, the Brennan note, Heineman disagrees with conservative talking heads who say that they want to change the U.S. into a communist nation, Heineman does say though, that there would be a lot of damage to capitalism if the Dems win in November,

### **October 12, 2020, Shawn Hogan**

Shawn's thoughts on whether Governor Cuomo will go to Washington to become US Attorney General, possible scenarios if that happens, Lt Gov Kathy Hochul running for governor and Congressman Tom Reed running for governor, Hogan's thoughts on the upcoming Amy Coney Barrett supreme court hearing this morning (as this show was on, it was just minutes before the hearings started) Hogan's analysis of the debates, presidential and vice presidential, Hogan predicts that Trump will lose because of his handling of Covid 19, Hornell Industrial Development agency projects that Hogan is working on – the new hotel, Alstom, there's a new project that won't be announced until it's ready, Hogan talks how well St James Hospital handled Covid 19, Hogan talks local covid 19 issues in Steuben County and how it will like spread from coming back to the Canisteo valley area again.

### **October 13, 2020, Taylor Stearns**

An engineer's explanation of "big data" and working at a big data company in NYC during Covid 19 and how his company has helped the country and other countries

### **October 14, 2020, Dr Gary Ostrower**

Ostrower's thoughts on how he, Ostrower, was correct in predicting that the Amy Coney Barrett hearings were not blockbuster exciting, does wearing a mask affect the perception of viewers, when viewers could not see Barrett's facial expressions, Ostrower says that Barrett is pro-corporation in her past decisions and very pro-life, and that's

why Trump chose Barrett for the Supreme Court, the possibility that Coney Barrett could be a liberal or moderate once she gets on the court, Ostrower says that Biden is not cenile, this day in history: why Mussolini was hung and not put on trial, by the anti-facists in Italy along with his wife, Italy on this day in history switches to the US allies and Italy declares war on Germany.

#### **October 14, 2020, Dr Nick Waddy**

This day in history – the Cuban Missile Crisis was going on, Waddy points out that it was a very close call for the USA and there was great potential for a huge nuclear war that would have been a disaster for the USA, the 1066 Battle of Hastings, contributions of the British to America, current events: Amy Coney Barrett hearings analysis, Amy Coney Barrett is good at avoiding Democrat senators who want her to say she will not rule on various cases, or how she would rule on certain cases, Alito, Kavanaugh and Thomas will be glad to see her join the court, less so Roberts, Waddy's definition of 'court packing' on the Supreme Court, how Justice Kennedy stepped down so that Obama would put in a liberal judge, this day in history: General Rommel's suicide, the Battle of Hastings in 1066, MLK wins Nobel Peace Prize, 1968 the DOD says soldiers will do 2<sup>nd</sup> tours in Vietnam, current events: the vice presidential debates, too much talk about the fly that landed on Pence's head.

No show on October 15, 2020, Wlea instead aired the syndicated Gordon Deal show.

#### **October 16, 2020, pt 1, Katie Hill, Jen Wetherby, St James Cardiac Rehab Center**

The two hospital representatives discuss how the Cardiac Rehab Center works, and how patients can benefit from it.

#### **October 16, 2020, pt 2, Dr Robert Heineman**

Heineman says that Amy Coney Barrett was highly impressive at the Senate Judiciary Committee hearings, Twitter and FB have outraged Republicans in Washington by yanking links to the NY Post story about Hunter Biden, polls Zogby and Rasmussen show that Trump is catching up.

#### **October 19, 2020, author Martin J Sherwin and Dr Gary Ostrower**

Sherwin and Ostrower discuss Sherwin's new book about the Cuban Missile Crisis, "Gambling With Armageddon"

#### **October 20, 2020, Dr Gary Ostrower**

There is less fear of dying in America from a nuclear war because the cold war is over, but the feeling is not the same in Israel where they fear Iran getting the bomb, Trump is on the campaign trail and that tightens up the race, Senator Ben Sasse was critical of Trump recently and former RNC head Michael Steele supports Biden, Trump's ideas, some of them, will last past Trump, the ideas of mistrusting government and government agencies will last past Trump, the conservatives won't believe that Russia meddled in Hunter Biden's computer, this day in history 1803 – the Louisiana Purchase approved by the US Senate, Ostrower explains why the USA expanded past the original 13 states.

#### **October 21, 2020, Dr Nick Waddy**

Amy Coney Barrett will likely be approved tomorrow in the US Senate, the hearings for her were anti-climactic, Waddy predicts that Amy Coney Barrett might be conservative on some things and liberal on others, the debate is tomorrow night and the mic's will be muted to prevent interruptions, Hunter Biden should not be the focus, Joe Biden should be the focus, when it comes to corrupt scheme allegations, were the old days of journalism really down the middle or were they far left back then too, it was left wing before but it was more professional and journalists did not holler and shout if they disliked someone, Savannah Guthrie cited as an example of shouting at someone, this day in history, Yugoslavians killed in large numbers by the Germany Army, protests against the Vietnam War and the March on the Pentagon, Clinton works out a deal to get North Korea to stop making nukes.

#### **October 22, 2020, St James CEO Bryan O'Donovan, Dr John Robshaw**

Safety at St James with the pandemic coming back, and how the hospital keeps things safe.

#### **October 22, 2020, Hornell Mayor John Buckley**

Buckley reiterates what the hospital guests just said, no trick or treat hours this year in Hornell and Hornell is discouraging that event this year because of the covid, importance of wearing masks in public, voting location changes for the upcoming November 3<sup>rd</sup> elections.

### **October 23 2020, Dr Scott Noren**

Health Care, should Obamacare be pulled, only if there is a replacement, VA Health Care has improved but needs more work, 2<sup>nd</sup> Amendment issues, Noren is a gun owner, Wind and Solar, geo-thermal, he support s them, prefers geo-thermal to wind and solar especially over wind, re-opening schools during the covid, and some employees are unable to get back to work because they're home watching their kids be at school (at home) important to get a flu shot and wear a mask.

### **October 23, 2020, Assemblyman Joe Giglio**

Wind, solar, covid 19, covid specifically in Allegany county, no additional gun control planned by Albany at this point, Governor Cuomo is the leader of the NYC Dems, reopening has been slower than Giglio wanted, the governor is playing politics by being against Trump's vaccine, broadband.

### **October 23, 2020 Ross Scott**

Wind/solar, taxes, 2<sup>nd</sup> amendment issues, bail reform, education, nuclear energy sites.

### **October 23 2020, Assemblywoman Marjorie Byrnes**

Byrnes fight in Albany about solar wind and siting boards, covid 19 – what the assemblywoman thinks about the effects of covid 19 on businesses in this assembly district, Byrne's thoughts on the safe act and gun rights in NYS, on the issue of Covid and education - Byrnes says she'd like to see students back in class, broadband.

### **October 23, 2020, Leslie Danks Burke**

The effects of Covid 19 on the economy in this senate district , where Leslie stands on the issues of wind and solar (do it right) the effects of covid on schools, high taxes in NYS in the covid period, steuben county has been declared a yellow zone, on the positive side there are a lot of generous people, farm issues in this senate district .

### **October 23, 2020, State Senator Tom O'Mara**

Steuben county is now in an Orange Zone, O'Mara lists his accomplishments in taxes and economics, and manufacturing, O'Mara lists his accomplishments in getting education funding to school districts in this senate district, O'Mara says, if re-elected he wants to fight the oppressive tax structure in NYS and work for lower energy costs, continuing working on clean water funds, waste water programs, and helping constituents with unemployment checks in the covid period.

### **October 23, 2020, Congressman Tom Reed**

What his office has done in the covid pandemic, bail reform and it's effects, the Problem Solvers Caucus working on stimulus funds, wind and solar in the pandemic.

### **October 23, 2020, Tracy Mitrano**

Helping the people of the district out of the covid crisis, food insecurity, dairy farmers being taken advantage of, the US Mexico Canada Trade deal – Mitrano supported it, affordable health care is needed and education for all is needed, what Tracy Mitrano would like to do if elected – bring both rural broadband, and affordable health care to the area.

### **October 23, 2020, Dr. Robert Heineman**

Dr Heineman's analysis of the debate from last night, Heineman says both candidates did a good job at explaining themselves on the issues, Biden less so on the covid issue, the issue of Hunter Biden as a businessman and Hunter's dealings came up in the debate, Biden talked about the China bank account, Tony Bublinski was not a big factor in the debate, heineman says that the moderator was fair, the mute button was not overused, on the Amy Coney Barrett issue, Heineman says Schumer probably negotiated with Dem senators behind the scenes, to prevent the Dems from giving any support to Coney Barrett.

### **October 26, 2020, Salih Hudayar, Prime Minister of East Turkistan, government in exile**

The treatment that the Chinese Communists give to the Uygurs, US companies that use communist slave labor, politicians who oppose this and who don't, Salih says Trump was a great help and Biden was not a help to the Uygurs cause.

### **October 27, 2020, Dr Gary Ostrower**

Ostrower's predictions for next week's election results, Ostrower predicts a Biden victory, Ostrower says that early voting will likely help Biden, but the Supreme Court and the Electoral College might help Trump – Ostrower says, Ostrower predicts if Trump does win, abortion will be sent back to the states, and Roe V Wade will be overturned, this day in history Teddy Roosevelt's birthday and Ostrower explains why conservatives and liberals both like Teddy Roosevelt.

### **October 28, 2020, Dr Nick Waddy**

Waddy's take on last week's presidential debate, Amy Coney Barrett is now on the Supreme Court, talk of court packing is going on, Waddy says that the Lincoln Project commercials only appeal to anti trump liberals, Waddy thinks that the anti-Trump sentiment is more based on personality than policy, this day in history – 1919 prohibition begins and lasts throughout the 1920s, the rise of mafia power because of prohibition, bootlegging was a result, this day in history WWII Mussolini invades Greece.

### **October 29, 2020, Curtis Sliwa**

Guardian Angels founder/leader Curtis Sliwa is running for Mayor of NYC in 2021, Sliwa talks about current conditions in NYC as far as crime and the NYC budget goes, and why he wants to run.

### **October 30, 2020, Dr Robert Heineman**

History of voting in the US, how the Civil War and the Great Depression affected election policy in America, how the African Americans became fans of the Democratic Party after the 1964 Civil Rights Act was signed, the electoral college and when it doesn't go along with the popular vote.

### **November 2, 2020, Steuben County Sheriff Jim Allard**

The treatment of law enforcement by Ithaca protesters and the controversies over in Ithaca, the sheriff is on the ballot in tomorrow's election, the sheriff's bio info, list of Narcan saves this year, how much education is needed for law enforcement these days, the recent Bath Police kidnapping case which the sheriff's office was partly involved in, education for law enforcement is changing because of the constantly changing technology and the ever present security cameras, police bodycams and citizen cell phone cameras.

### **November 3, 2020, Steuben County Election Commissioners Vicky Olin ( R ) and Kelly Penzuil ( D )**

The election commissioners go over the rules/regulations, of this year's election, all the covid precautions that voters have to take and all the precautions that the voting locations will take, provide absentee and mail in ballot info, and discuss/predict when certain results will be available.

### **November 4, 2020, Steuben County Democrat Chairman Shawn Hogan, Steuben County Republican Chairman Joe Sempolinski**

Both chairmen give their reaction to the election results from last night on local and national races.

### **November 5, 2020, Steuben County GOP Chair Joe Sempolinski returns**

The GOP County chair explains the recount process that will take place in the states where the president has demanded a recount, and expresses his dislike of certain states election commissions, keeping Republican voting inspectors out, of the process of counting the remaining votes.

### **November 6, 2020, Dr Robert Heineman**

Dr Heineman talks about the bright side for Trump supporters who are looking at the strong possibility of the race being called in favor of Joe Biden, Heineman maintains that even though Trump has lost, Trump's changing the republican establishment sentiments will last on past whoever wins, and Trump has brought in different groups into the Republican Party, getting longtime supporters of the Democrats to rethink their political views, will the Trumps

be endlessly investigated – hard to say at this point, college education costs and the cancellation of the January 2021 Regents Exams.

**November 9, 2020, Hornell Mayor John Buckley**

The Christmas Tree is up already, because of the good weather over the weekend, there is some evidence of local property being bought up by out of towners, the governor has cut some funding from Albany to municipalities and there might be more of that, the presidential election has some angry and some sad.

**November 10, 2020, Dr Gary Ostrower**

Ostrower says he was surprised to have found out that when he woke up last Wednesday morning, November 4<sup>th</sup>, that Trump was not the declared winner, Ostrower talks about how he believes Trump should have not fired defense secretary Mark Espser and should not fire Christopher Wrey or Gina Haspel from FBI and CIA, the electoral college and how the electors are appointed by the power, the major difference in perceptions between liberals and conservatives, in that the conservatives think the election was stolen and the liberals don't think that and both are looking at the same thing, Ostrower's former Alfred University student, Tom Reed, is being considered for a post in the Biden Administration, Ostrower speculates that it could be Dept of Interior.

**November 11, 2020, pt one, Leslie Danks Burke**

Ballots are still being counted, in the state senate race, LDB's thoughts on the second wave of Covid 19.

**November 11, 2020, Dr Nick Waddy**

This day in history – Veterans Day and Armistice Day, election results, possibility of election fraud, the new vaccine and the pandemic.

**November 12, 2020, Congressman Tom Reed Media Call**

Reed takes questions from reporters across the congressional district, about Covid 19, the stimulus bill, the infrastructure bill, and about the absentee ballots to be counted in his race for re-election.

**November 13, 2020, Dr Robert Heineman**

Republican assemblywoman nichole molliotakis, has won a congressional race in NYC, Heineman says Trump cannot win at this point, but there were many victories for the GOP.

**November 16, 2020, Eric Griffith**

How Hollywood and movie theaters function during Covid, is working home more productive, how to create a website that works both on the pc and on the phone, will youtube ever start charging everyone, probably not, and websites that collect personal info.

**November 17, 2020, Dr Gary Ostrower**

Ostrower supports Governor Cuomo's move to limit 10 people per household for private gatherings, Ostrower says Trump is not leading right now, Ostrower disagrees with Trump attorney Sidney Powell about the Dominion voting machines, vaccine, Trump's lawsuits, This Day In History the beginning of the age of Elizabeth, Elizabeth's reign and in 30 seconds, Ostrower sums up the reign of Elizabeth II.

**November 18, 2020, Dr Nick Waddy**

Waddy has mixed feelings about whether Trump can pull out another victory in the presidential race, what a Biden administration's laws would be like and events from this day in history: Jonestown Massacre and Iran Contra.

**November 19, 2020, Steuben County Legislator Paul Van Caesele**

Van Caesele thinks the 10 people per household at Thanksgiving rule from Albany, is a case of overdoing it, the proposed budget with a less than one percent tax increase, the covid vaccine controversy: Van Caesele says people should not be forced into taking it, Van Caesele hopes Trump will win but will accept whatever happens, Van Caesele says the Democrats had less proof of a stolen

election in 2016 by Russia than what is going on in swing states, the Dominion voting machines were used in the recent elections in Steuben County, Van Caesele talks 2<sup>nd</sup> Amendment issues in the second segment.

#### **November 20, 2020, Dr Robert Heineman**

Heineman discusses the press conference from yesterday, held by the Trump election attorneys, and talks about how the GOP did in the house, senate and state legislatures, the Cuomo/Trump debating in the media about the vaccine.

#### **November 23, 2020, Steuben County GOP Chair Joe Sempolinski**

Sempolinski describes what it was like to count the absentee ballots last week at the Steuben County board of elections office, Rudy Guiliani is, in public, getting rid of Sidney Powell, speculation will arise that Guiliani is jealous of Sidney Powell, the reporters who want the Trump legal team to give over the evidence before the court case are asking for too much, Nevada GOP claims irregularities and Georgia GOP claims irregularities in the voting, Sempolinski says that Sidney Powell makes specific claims as opposed to her critics in the media, who generically say she is a conspiracy theorist.

#### **November 24, 2020, Dr Gary Ostrower and Tyler Maroney**

Host Brian O'Neil and Dr Gary Ostrower interview Ostrower's former student, Tyler Maroney, about his new book, Modern Detective. Other topics: how Private Investigators work with corporations to find potential employees are involved with lawsuits, have conflicts of interest, and how in special circumstances, private eyes can be given potential employees phone records in rare cases.

#### **November 25, 2020, Dr Nick Waddy**

The liberal media's running theme that there is no proof that there was election fraud, Trump has a lot of fair weather "friends" who are really against him, the Great Reset, this day in history 1783, the last British soldiers leave NYC, 1876 the retaliation for the Little Big Horn Massacre, JFK's burial in 1963, did Johnson reverse Kennedy's policies? Waddy says no, though Waddy says Kennedy was more conservative than LBJ, Johnson's "middle road" policy in Vietnam.

#### **November 26, 2020 – No show, due to thanksgiving, played Gordon Deal show instead**

#### **November 27, 2020 – Dr Robert Heineman**

The Sidney powell legal cases in Michigan and Georgia alleging voter fraud, the Pennsylvania press conference held by rudy guiliani in which Trump called in, sec of state mike pompeo and the new secretary of state are insulting each others foreign policy through the media, the supreme court's ruling about NYS religious gatherings, the NYS dems now have a supermajority in the state senate and assembly.

#### **November 30, 2020, Hornell Mayor John Buckley**

Buckley's thanksgiving message in the Tribune, Billy Schu's Restaurant gives away 400 free meals to those in need this year, the downtown revitalization initiative has been sidelined by Albany officials because of Covid 19 problems, Buckley says the governor's wage board is not good for farmers in upstate, the governor's proposed law about bad cops not getting transferred to other departments is focusing on cops only, taking advantage of the anti-police sentiment out there these days, Buckley does not think Reed will run for governor in 2024, the unresolved presidential race.

### **December 1, 2020, Dr Gary Ostrower**

Dr Ostrower opens by talking about getting a 36 lb turkey from Alfred University, then moves on to the topic from this day in history in 1824 – an undecided election for the White House between Andrew Jackson, John Quincy Adams, etc., the importance of the elect oral college before radio and tv, the importance of train stops for presidential candidates in the 1800s and onward, Ostrower says this kind of transition and a president not conceding has not happened since 1824, Ostrower says Trump is doing great damage to the idea of election integrity, Ostrower says there was evidence for Russian collusion but no evidence for Dominion Voting machine problems.

### **December 2, 2020, Dr Nick Waddy**

Waddy's article about the battle between Biden and Trump in this post-election period, the census case before the supreme court, this day in history – Joe McCarthy is censured by the Senate in 1954, 1917 WWI ends on the eastern front, the truth about Napoleon: he wasn't short, that was just propaganda that exists to this day.

### **December 3, 2020, Steve Dombert and Rob Carolan**

Steve Dombert gives the numbers, breaking down how Steuben County towns, cities and villages voted in the 2020 presidential race, based on the Steuben County Board of Elections website, Rob Carolan gives an explanation of why there were sonic booms over Rochester and Syracuse yesterday.

### **December 4, 2020, Assemblyman Phil Palmesano**

Vaccines – will they be mandated for school students, Palmesano does not know at this point, some sheriffs in nys objecting to the governor's 10 person rule for thanksgiving, Palmesano is glad that the governor vetoed legislation to reclassify streams in nys, nursing homes and the governor not releasing all the info about those who died.

### **December 4, 2020, Dr Robert Heineman**

Dr Heineman was correct in his prediction from last week that there would be action against Iran for wanting to build nuclear weapons, Heineman comments that he is not surprised that Jeff Zucker at CNN said the things that he did on phone conversations leaked to the public by Project Veritas, possible prosecution of Trump family members to harass the Trumps by the Democrats, Heineman doesn't think that the Biden Administration will be able to change the constitution or remove any Supreme Court judges.

### **December 7, 2020, Shawn Hogan**

Shawn talks about being made the head of the St James Board of Directors once again, he's held that position before in the past, he also discusses the Hampton Inn that's going to be built in the Hornell Plaza in the spring, Shawn's thoughts about the Biden/Trump race still not being over, no concession yet from Trump.

### **December 8, 2020, Dr Alexander Sich**

Sich is a professor and physicist who investigated the 1986 Chernobyl nuclear accident for 18 months in the early 1990s, Sich talks about what went wrong and how the Soviets lied about the incident.

### **December 9, 2020, Dr Nick Waddy**

This Day In History: Early 1990s US military mission in Somalia, the coldwar: what happened to the soviets weapons at the end of the war, the divorce of Charles and Diana, the death of John Lennon, how Lennon returned his MBE to Queen Elizabeth. Current events: Trump's election fraud claims, Ted Cruz might be a Trump attorney.

### **December 10, 2020, Steuben County Sheriff Jim Allard**

Cases of vandalism against Congressman Tom Reed's office and home are still unsolved, bomb threat last week in Bath, update on the two year old who accidentally got into opioids left around the house in Bath, law enforcement reform, 225<sup>th</sup> anniversary of the sheriffs dept, walmart toys for tots event this weekend.

### **December 11, 2020, Dr Robert Heineman**

Allegations against Hunter Biden, allegations against Congressman Eric Swalwell, Heineman compares Susan Rice to John Bolton, a neo-con war monger who hangs around Washington endlessly.

### **December 14, 2020, Steuben County Court Judge Chauncey Watches**
