Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 4th Quarter 2017. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes. Both TBS and TNT carried children's programming during the 4<sup>th</sup> Quarter of 2017 and those certificates are included.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at <a href="www.TurnerResources.com">www.TurnerResources.com</a>. [Note if you do not have a user ID and password, you will need to register online with the web site.]
