Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 (the "CTA") and the FCC regulations relating thereto in connection with your carriage of our video programming services (the "Discovery Networks").

The attached schedule lists the Discovery Networks that aired children's programs (as defined in the CTA) last quarter and identifies the children's programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children's programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and Velocity).

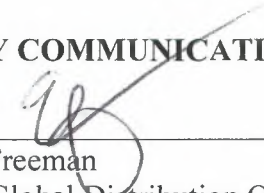

Discovery Communications, LLC certifies that, as standard practice, the children's programs identified on the attached schedule are formatted so that the total commercial time (including local ad avails) is no more than 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays. This is in compliance with the CTA and the rules and regulations of the FCC.

We trust that this enables you to satisfy your obligations under the CTA and its regulations in connection with your carriage of the Discovery Networks. Please forward this letter (or copies) to any other appropriate individual(s) in your organization. As always, we appreciate your support.

Sincerely,

DISCOVERY COMMUNICATIONS, LLC

* As specified in *Children's Television Obligations Of Digital Television Broadcasters*, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [3 hours of] digital [children's] core programming, beyond the 3 hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, the combined JUCE and SOAC program service has a Saturday core block of children's programming of twelve (12) hours (7 a.m. to 7 p.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service, and three (3) additional hours of that programming block also provide compliance for TBN Salsa. Similarly, the TBN service has a Saturday core block of children's programming of six (6) hours (7 a.m. to 1 p.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TCC service.

This is to certify that the list set forth below identifies all programs and series aired by **TVE Internacional** during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by **TVE** as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.
