January-March 2022 Quarterly Issues and Program Reports for WMKY,

Morehead State Public Radio

The top issues covered by WMKY News during the last three months include a total of 1,077 stories with sound. By category, those stories include:

Arts/Culture:268

Government: 165

Education: 81

Economics: 96

Health:213

Police and Fire: 74

Legal/ Courts:43

Human Services: 48

Environment: 15

Transportation: 9

Agriculture: 6

Weather/ climate: 30

Housing: 12

Minority/ Women: 6

War: 12

This quarter's numbers reflect an ongoing concern with health as Covid-19 positive numbers fall. The numbers also show a gradual increase in coverage for government during the spring legislative session.

Partisan politics continue to be in the spotlight in state government because of divisive rhetoric related to health, equality and education. Arts and Culture stories continue to be our largest category since it encompasses sports, a vibrant local music scene, and many local events.

Weather related stories remained high for inclement weather coverage which is important to the region. We expect an increase in agriculture stories as the weather becomes warmer.

Issues to be of importance to WMKY News in the next quarter will be local events, which will increase post-COVID and as warmer weather increases. Generally, we also see more stories related to criminal activity in the second quarter, but a decrease in sports related coverage.

Leeann Akers

News Director, WMKY

Morehead State Public Radio

Open Mic

HOSTED BY <u>LEEANN AKERS</u>

OPEN MIC / MOREHEAD STATE UNIVERSITY

Open Mic, a half-hour talk show at 9 am and 4 pm every Friday on Morehead State Public Radio. Visit with newsmakers, artists, authors, politicians and public servants as we discuss the issues that are critical to our region.
