Issues in Education

How can we raise young heroes to defend our freedoms, if young people don't know the price others paid to win our freedoms in the past? This inspirational program features a captivating account by Korean veteran Ed Reeves. Ed fought for his life in minus 30 to 40 degree temperatures. It was so cold, the bullet holes in his body froze shut and kept him from bleeding to death. Even after almost all the others were killed, Ed Reeves clung to his faith and Gideon Bible, and fought on despite his life-threatening wounds and no ammunition. This miraculous account is spell binding. It's as if you are there.
