

Issue: Relief from Suffering

Issues in Education

How do you deal with pain and suffering? Life is filled with hazards, accidents and diseases. One day we're happy, then suddenly our lives are at risk. Pastor Brian Darrow has had a life of suffering, yet he says he is grateful to have gone through his life threatening pain since it brought him closer to Christ. God uses situations beyond our ability to cope so that we would turn to Him and trust Him with our lives. He is developing us for eternity. Brian Darrow says that whether we are healed or not, we must trust God just as Shadrach, Meshach and Abednego trusted God even if He didn't save them from the fire.
