Issues in Education - Bob & Geri Boyd

Common core, the Federal takeover of local education, is a massive experiment with the lives our children and the future of our nation. Common Core changes education from imparting knowledge to social change and socialism. The result will be a dumbed down populace that's compliant, non-thinking, who are followers instead of leaders, not innovators and inventors as prior generations. Kyle Olson, co-author with Glen Beck of Conform: Exposing the Truth About Common Core and Public Education says at a time when schools cost more and deliver less, options such as Choice in Education are being crushed by Common Core.

The percentage of Christians in this current generation is expected to decline to just 4% who are Christians. How can a Christian survive on a hostile campus? Abby Nye, a courageous Christian, university student, and author of *Fish out of Water-Surviving & Thriving as a Christian on a Secular Campus*, tells how professors intimidate and convert Christians into humanism. Abby was told by her literature professor that the Bible is a book of myths and not a credible source. Yet she was required to buy a Koran for her required class on Islam. How can the Church in America hope to survive if 90% of Christian youth leave the faith?
