## **Issues and Programs Report for Quarter 2 - 2022**

The following are summary descriptions of the issues aired by this station.

**Issue: Building Strong Families**

Summary: Family breakdown in our community is an important issue that affects the community in general. Programming that focuses on family relationships and investing in individuals is aired to help counteract the continuing decay of the family unit.

**Issue: The Importance of the Spiritual Life**

Summary: Members of our community that have a sincere spiritual life are more likely to be better citizens and more involved in positive activities within our community. Programming that addresses the importance of a spiritual life fills this need within our community.

**Issue: Educating our Citizens**

Summary: Keeping our listeners informed of political and civic issues is a need of our community, and we have dedicated programming time to address this need.

**Issue: Health and Wellness**

Summary: Understanding the need for maintaining both physical and mental health is important for the citizens of our community. Programs highlighting these needs are aired on this station.

**Issue: The Issues of Pregnancy, Adoption, and Abortion**

Summary: Our community has significant numbers of unwed pregnancies and a number of abortions every year, signs that many members of our community do not understand the significance of these issues. Programming addressing pregnancy, adoption, and abortion is designed to better inform listeners regarding these issues.

**Issue: Financial Literacy**

Summary: Americans ages 25-34, including those in our area, have financial behaviors that tend toward debt accumulation, and this is happening during a period of milestone events such as getting married, having children and caring for aging parents. Programming on financial literacy is intended to help those in our community to take charge of their financial future

## **KBLD ISSUES AND PROGRAMS REPORT - QUARTER 4 - 2020**

On this form, summarize a list of programs which were aired on KBLD to address the issues important to the community. State the Issue and then the program aired to address it. The regulatory reference for this report is CFR Title 47, 73.3526 and 73.3527. Insert in the Public File when complete.

E.M.P.-A Real Threat. What happens when the electrical grid is shut down? Former CIA Director, James Woolsey, says we are very vulnerable to an enemy EMP attack. Mike Maloof, author of A Nation Forsaken-EMP: The Escalating Threat of An American Catastrophe, spent 30 years with the Defense Department protecting us from terrorism, and now warns that it's not "if" but "when" an EMP will be exploded over this country. The results will be catastrophic. It's preventable, but our government is ignoring it, so we need to be prepared. A huge solar flare, an EMP, or Radio Frequency weapons are a real threat. What can we do to be prepared?

**Issue:** Educating our Citizens

Issues in Education – Bob & Geri Boyd

Crisis in Education -Spiritual forces are turning this free and democratic nation into a socialist even a communist state, and it's being done through the schools. Alex Newman, author of a series of articles in The New American: Rescuing Our Children, says there is a deliberate dumbing down of children by using a reading method that's a proven failure producing functional illiterates. Public schools are breaking down the morals of children by confusing them about the gender identity, and bringing drag queens into the classroom under the guise of "career literacy!"

A new sex ed. curriculum re-defines abstinence to promote perversion as normal. Mat Staver, of Liberty Council says, "Many schools are leading children in to harmful and sometimes deadly sexual experimentation using graphic magazines and videos. The "Advocates for Youth" curriculum promotes abortion over childbirth and trains students to be advocates for abortion and homosexuality. Teachers coerce students into participating in the Day of Silence and become activists to support GLSEN and Planned Parenthood." Children would prefer to have their modesty and decency respected than to be embarrassed in class.

Our precious freedoms are not based on government but on God. Freedom isn't appreciated until it's lost. Todd Starnes, a Fox News commentator and author of Culture Jihad-How to Stop the Left From Killing a Nation, says, "What's happening in our country is the result of what has happened in schools being run by radicals. Without Biblical values, we are left with chaos." Os Guinness, author of Last Call for Liberty- How America's Genius Has Become Its Greatest Threat! said, "Freedom comes from self- government, not external force. As our freedoms end, it's a catastrophe, not just for America, but also for the whole world.
