Issues and Programs Report for Quarter 1, January- March 2018

The following are summary descriptions of the issues aired by this station.

Issue: Building Strong Families

Summary: Family breakdown in our community is an important issue that affects the community in general. Programming that focuses on family relationships and investing in individuals is aired to help counteract the continuing decay of the family unit.

Issue: The Importance of the Spiritual Life

Summary: Members of our community that have a sincere spiritual life are more likely to be better citizens and more involved in positive activities within our community. Programming that addresses the importance of a spiritual life fills this need within our community.

Issue: Educating our Citizens

Summary: Keeping our listeners informed of political and civic issues is a need of our community, and we have dedicated programming time to address this need.

Issue: Education of Nation's History

Summary: The foundation of the United States rests on many historical events and documents. Citizens in our community can perform their civic duties and obligations better when they understand the historical perspective of this nation.

Issue: Health and Wellness

Summary: Understanding the need for maintaining mental/physical health and healthy habits is important for the citizens of our community. Programs highlighting these needs are aired on this station.

Issue: The Issues of Pregnancy and Abortion

Summary: Our community has significant numbers of unwed pregnancies and a number of abortions every year, signs that many members of our community do not understand the significance of these issues. Programming addressing pregnancy and abortion is designed to better inform listeners regarding these issues.

Issue: Financial Literacy

Summary: Americans ages 25-34, including those in our area, have financial behaviors that tend toward debt accumulation, and this is happening during a period of milestone events such as getting married, having children and caring for aging parents. But there is hope: more working time before retirement means that their current financial decisions have a greater impact (positive or negative) on their long term financial security. Programming on financial literacy is intended to help those in our community to take charge of their financial future.

Issue: Education of Nation's History

Issues in Education

Christians are punished in the military for having Christian beliefs. Col Leland Bohannon was denied promotion to General for his views on same sex marriage. Former Chaplain Dr Gordon Klingenschmitt, author of How to Liberate the World in 30 Days - A Step by Step Guide to Take Back Your Country, was court martialed for praying in Jesus name, but he fought back and with millions of petitions sent to Congress he got the Navy to rescind their bad policy. Klingenschmitt said, "Religious freedom is the cause I would die for!" God is giving us culture-changing victories by winning the culture war for Christ.

Issues in Education

Great Christian revivals have transformed the lives of people and nations. The First Great Awakening led to America's independence from Britain. Daniel Norris, the author of Trail of Fire - True Stories From Ten of the Most Powerful Moves of God, vividly describes how Jonathan Edwards' sermon, "Sinners in the Hands of An Angry God" began a nationwide revival that changed our destiny. Revival means sinners see themselves from God's perspective and understand the awfulness and repugnance of Sin to a Holy God. Revival brings eternity to mind as people see themselves in hell or by God's grace, heaven.

Issues in Education

Bob & Geri Boyd

When the Holy Spirit of God ignites a revival, people and nations change dramatically! Daniel Norris, the author of Trail of Fire - True Stories from Ten of the Most Powerful Moves of God, vividly describes the Cape Colony South African revival with Pastor Andrew Murray; the 2nd Great Awakening with Charles Finney, that led to a great revival that spread worldwide. What's the difference between holiness and legalism? Great revivals have resulted in entire cities shutting down businesses for prayer meetings. The impact of revival is astounding. Revival is God's remedy for a morally and spiritually sick nation.
