Re: Must-Carry Election  
KUBE-TV, Baytown, CA

Gentlemen/Ladies:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission (FCC), the undersigned licensee of television station KUBE-TV, licensed to Baytown, TX, has elected must-carry status on your cable system(s) serving **Houston**, and any other communities within the Houston DMA for the period beginning January 1, 2015 and ending December 31, 2017.

We request that the signal of KUBE-TV continue to be carried on an available mutually acceptable cable channel, which is digital Cable Channel 53 and HD cable channel 653. If we are unable to agree on an alternative, then, pursuant to Section 76.57(e) of the FCC rules, we will request one of the following positions: our over-the-air channel, the channel on which we were carried on January 1, 1992, or the channel we were carried by your systems on July 19, 1985.

We will be pleased to cooperate with you to help provide the best possible service for your subscribers. Please do not hesitate to contact David Pulido at 978-886-4263 or by email at [david@titanbroadcast.com](mailto:david@titanbroadcast.com) if you have any questions on this matter.

Very truly yours,

Re: Must-Carry Election  
KUBE-TV, Baytown, TX

Gentlemen/Ladies:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission (FCC), the undersigned licensee of television station KUBE-TV, licensed to Baytown, TX, has elected must-carry status on your cable system(s) serving **Spring** and any other communities within the Houston DMA for the period beginning January 1, 2015 and ending December 31, 2017.

We request that the signal of KUBE-TV be carried on an available mutually acceptable cable channel, which is presently on digital Cable Channel 99. Additionally, we request that KUBE secondarily be added to the HD tier as it is fully broadcasting in HD and has lots of live sports programming and would be a great addition to your subscribers. If we are unable to agree on an alternative digital channel, then, pursuant to Section 76.57(e) of the FCC rules, we will request one of the following positions: our over-the-air channel, the channel on which we were carried on January 1, 1992, or the channel we were carried by your systems on July 19, 1985.

We will be pleased to cooperate with you to help provide the best possible service for your subscribers. Please do not hesitate to contact David Pulido at 978-886-4263 or by email at [david@titanbroadcast.com](mailto:david@titanbroadcast.com) if you have any questions on this matter.

Gentlemen/Ladies:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission (FCC), the undersigned licensee of television station KUBE-TV, licensed to Baytown, TX, has elected must-carry status on your cable system(s) serving **Prairie View, Huntsville, Navasota, Breham, Conroe, Shephard, Kingwood, New Caney, Mont Belvieu, Lake Conroe** and the additional communities of **Porter, Brazoria, Trinity, Baytown, Livingston** any other communities within the Houston DMA for the period beginning January 1, 2015 and ending December 31, 2017.

We request that the signal of KUBE-TV continue to be carried on an available mutually acceptable digital cable channel, which currently ranges from either 10, 14, 15, 17, 19 or 99 on your various systems. Secondly, we hereby request that KUBE be added to your systems HD tier where capacity is available as KUBE is broadcasting in HD 24/7 and has numerous ongoing live-sports offerings for your subscribers. If we are unable to agree on alternative digital tier channels, then, pursuant to Section 76.57(e) of the FCC rules, we will request one of the following positions: our over-the-air channel, the channel on which we were carried on January 1, 1992, or the channel we were carried by your systems on July 19, 1985.

Gentlemen/Ladies:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission (FCC), the undersigned licensee of television station KUBE-TV, licensed to Baytown, TX, has elected must-carry status on your cable system(s) serving all communities within the Houston DMA for the three-year election cycle period beginning January 1, 2015 and ending December 31, 2017, with such carriage pursuant to this exercise of must carry rights to take effect on September 1, 2015, immediately upon the expiration of the current 9/1/12 Retransmission Consent Agreement (“Agreement”).

We request that the signal of KUBE-TV be carried on an available mutually acceptable cable channel on the digital tier in the immediate channel range with other television stations in the market. Secondly, pursuant to Paragraph 4(b) of the Agreement, we also request that KUBE-TV, which has for some time been broadcasting in HD 24/7, be added as soon as possible to the HD tier in the HD channel area containing other Houston HD broadcast stations. If we are unable to agree on an alternative digital tier cable channel, then, pursuant to Section 76.57(e) of the FCC rules, we will request one of the following positions: our over-the-air channel, the channel on which we were carried on January 1, 1992, or the channel we were carried by your systems on July 19, 1985.
