

PRE-FILING ANNOUNCEMENT

On September 26, 2007, WGGB-TV was granted a license by the Federal Communications Commission to serve the public interest as a public trustee.

Our license will expire on April 1, 2015. We must file an application for renewal with the FCC on December 1, 2014. When filed, a copy of this application will be available for public inspection at www.fcc.gov. It contains information concerning this station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the FCC by March 2, 2015.

Further information concerning the FCC's broadcast license renewal process is available at 1300 Liberty Street, Springfield, MA 01104 or may be obtained from the FCC, Washington, DC 20554.

aaa Indicates announcement is on locked log. -a- indicates announcement on unlocked log. Note that announcements placed on actual contracts will only show as such after media has been applied to the spots.

In the case of unlocked logs:

Both parts of bookends and piggy backs are combined.

Only the first member of a rotation group is shown. This may differ from what eventually is aired.

In the case of locked logs both parts of bookends and piggybacks are shown, each with their own AUR.

The counts for each group indicate the number of spots where it was possible to establish an equivalent AUR.
