Topic Michael Lennington - Uncommon Accountability

Issues Covered

Show Summary Bill Horan will interview Michael Lennington, author of UNCOMMON ACCOUNTABILITY. Michael will discuss the fundamental misperception of accountability, why accountability is often associated with negative consequences, how we control our lives by coming at life with a "choose to" rather than a "have to" mentality and how the accountability stance of those around us influences our thinking.

Issues Covered Law/Government

Show Summary Ken Landau talks with attorney and mediator, Jennifer Herscovici, from National Arbitration and Mediation, who explains how mediation can speedily resolve accident and other cases without protracted, expensive, and uncertain outcomes from litigation. She explains how the parties can submit their disputes to mediation, without binding themselves to a result they do not find acceptable, save the expenses of litigation, and dramatically shorten the usual time of several years necessary to resolve disputes through the court system.
