transportation	Electric scooters from Bird Rides Inc. will be available in the Crescent City area starting the first week of May. Crescent City Councilors on Monday approved an agreement with the Santa Monica-based company to bring 25 e-scooters to the community to start with. The agreement allows Bird Rides Inc. to grow its Crescent City fleet to 75 scooters depending on demand and pending approval from the city manager. According to Bird Inc. representative Garrett Gronowski, his company will hire a local employee to manage the Crescent City e-scooter fleet. Users will download an app to access the scooters. They will cost \$1 to unlock and 30 cents per minute to operate.	04/21/22 - 6a, 7a, 8a, 12p, 5p, 6p	02:00 per time

smith river alliance	<ul style="list-style-type: none"> <li>• Crescent City Harbor commissioners signed a letter of support to the Smith River Alliance for its efforts to upgrade culverts and stream crossings within the Elk Creek watershed. The nonprofit conservation organization is partnering with Del Norte County to replace three culverts on Elk Valley Road with bridges. The project's aim is to enhance fish habitat and prevent roughly 700 cubic yards of sediment from washing into the harbor during a major storm or tsunami, Smith River Alliance Co-Director Grant Werschull told commissioners Tuesday. Their letter of support will help the nonprofit obtain funding through the California Department of Fish and Wildlife and the U.S. Fish and Wildlife Service, according to Werschull.</li> </ul>	04/22/22 - 6a, 7a, 8a, 12p, 5p, 6p	02:00 per time

199 shut down	<ul style="list-style-type: none"> <li>U.S. 199 was shut down between Hiouchi and Gasquet for about five hours Thursday after a semi hit a power pole and dumped roughly 2,000 gallons of a hot asphalt binder into the Smith River. According to the Six Rivers National Forest, the asphalt binder turned into a solid substance after hitting the water, which means the spread of liquid material in the river is minimal. The collision occurred near milepost marker 10.5, a troublesome stretch of highway that has been the site of several collisions, with cars often winding up in the river, according to District 3 Supervisor Chris Howard. The collision occurred at about 11:50 a.m. U.S. 199 reopened to one-way traffic at about 4 p.m.</li> </ul>	04/28/22 - 6a, 7a, 8a, 12p, 5p, 6p	02:00 per time

199 clean up	Six Rivers National Forest officials are estimating that it'll take a month to clean the asphalt binder from the area around U.S. 199 following Thursday's semi crash. About 2,000 gallons of asphalt binder spilled onto the roadway and an estimated 400 gallons made it to the Smith River near milepost marker 10.65 between Hiouchi and Gasquet. According to a national forest spokeswoman, once the material hit the river it solidified. Six Rivers National Forest personnel were assessing the area on Monday, the spokeswoman said.	05/03/22 - 6a, 7a, 8a, 12p, 5p, 6p	02:00 per time

Brookings DMV	<ul style="list-style-type: none"> <li>The Brookings DMV stayed closed on Monday due to the office's only employee being unavailable to work. An overall lack of employees has been impacting DMV offices across Oregon, spokesman David House told the Wild Rivers Outpost. Another office in Stayton in Marion County was also closed on Monday. Brookings normally has two employees, House told the Outpost, but one position is vacant. Rogue River	<p>American Construction won a \$5.3 million contract to dredge the Rogue River at Gold Beach. Dredging was expected to start June 1 with work continuing through October depending on the weather, the Curry Coastal Pilot reported Saturday. Dredging the entrance channel at Gold Beach typically occurs annually. However, excessive infill of sediment has prevented safe access for the Army Corps' dredge, Yaquina. The Army Corps of Engineers anticipates removing up to 200,000 cubic yards of material, which would fill about 20,000 large dump trucks. The material will be disposed offshore, according to the Pilot.</p>	06/06/22 - 6a, 7a, 8a, 12p, 5p, 6p	02:00 per time

politics	<ul style="list-style-type: none"> <li>Patty Adams' lead over Brian Stone in the Del Norte County District 4 supervisor race increased by a margin of 38 votes, according to the most recent election results released Friday. With less than 50 ballots left for the Elections Office to process, the likelihood that Adams will face Joey Borges in a November run-off election seems certain, County Clerk-Recorder Alissia Northrup told the Wild Rivers Outpost. Northrup's office was still processing conditional voter registration ballots and provisional ballots, which means the tally is still unofficial. But, she said, there aren't enough left to make much of a difference in any of Del Norte's contested races. The District 5 supervisor race is also headed to a run-off election in November with lead candidate Dean Wilson facing Susan Masten. In the District 3 race, incumbent Chris Howard was the clear winner over challengers Frank Magarino and Joe "Hank" Akin.</li> </ul>	06/13/22 - 6a, 7a, 8a, 12p, 5p, 6p	02:00 per time
