Listener Comments

8/9/2021 - I want to thank Air Talk for the program on EDD and the guest from the Office of Workers Rights. I contacted them and they cleared my pending claims from 3 months ago in just a few weeks. Thank you to Larry and the whole Air Talk team. You bring us so much life-enhancing information. I cannot thank you enough!!!

8/5/2021 - I just want to say as a long-time listener I am super super happy that Austin Cross found his way to KPCC. What a terrific radio personality he has. Make sure you keep him around!

9/16/2021 - The growth of the journalism end of SCPR has been impressive. NPR as a whole and SCPR in particular were so outgunned on Sept. 11 that it was almost embarrassing. What a lesson the station took from that. Still top-drawer news and analysis, but the coverage of breaking news has improved significantly, and I thank you for that
