Loveland Bike Trail, you might be surprised to learn that..... it is not only maintained by local
governments..... but by dedicated members and VOLUNTEERS..... who love utilizing the 50 miles of
trails as much as you. The volunteers and members not only help maintain the trail's surface and
bridges..... but they plant, cut and trim the trees, sweep off the debris and so much more!
The Friends of the Little Miami State Park would like YOU to consider becoming a member and
also volunteer. Basic annual membership is only \$20 and it is used to help maintain the trail
