

Programs and Issues for WQCT
2nd Quarter of 2021 (April-June)

Program: Important County News

Issue: Pandemic Response

Date: 04/08/2021

Time: 6, 7, 8am, noon, 4pm and 5pm news

Duration: 2 minutes

Narrative: The Williams County Health department spoke with our news director and talked about COVID-19 and the new variants. The community is concerned whether or not the vaccine fights against the new variants. Victoria Smith from the Health Department discussed this concern along with the benefits of getting the vaccine.

Program: Important County News

Issue: Covid-19 Vaccinations

Date: 04/15/2021

Time: 10:00 AM

Duration: 60 minutes

Narrative: Jim Funderburg interviewed Jim Wakins who is the director of the Williams County Health Department (WCHD). They discussed where Williams County is at in regards to vaccination while also discussing the Ohio State order to suspend the Johnson and Johnson vaccine. Jim encourages the county to get vaccinated with Moderna or Pfizer.

Programs and Issues for WQCT
2nd Quarter of 2021 (April-June)

Program: Important County News

Issue: Covid-19 Vaccinations

Date: 04/21/2021

Time: 10:00 AM

Duration: 30 minutes

Narrative: Jim Funderburg interviewed Jim Bellamy from Northwest State Community College about vaccinations. Northwest State will be having a walk-in vaccination clinic tomorrow afternoon and they wanted the public to be aware of it. With numbers low in Williams County, they are optimistic for a decent turn out.

Program: News Segment: Mental Health with Lou Levy

Issue: Substance Use Disorder

Date: 05/05/2021

Time: 11:00 AM

Duration: 30 minutes

Narrative: Jim Funderburg interviewed Lou Levy from NAMI Four County about their last meeting. Lou discussed the effects of Substance Use Disorder and how it can impact family and friends of the individual suffering from it. He asks the community to be cognizant of this mental health issue, as well as all other mental health disorders when spending time with family and friends.

Programs and Issues for WQCT
2nd Quarter of 2021 (April-June)

Program: Important County News

Issue: Covid-19 Vaccinations

Date: 05/11/2021

Time: 10:00 AM

Duration: 60 minutes

Narrative: Jim Funderburg interviewed Jim Wakins who is the director of the Williams County Health Department (WCHD). They discussed where Williams County is at in regards to vaccination. The county is down when compared to the overall state for vaccinations. Jim encouraged the county to get vaccinated.

Program: Community Action

Issue: Fundraiser

Date: 05/17/2021

Time: 10:00 AM

Duration: 30 minutes

Narrative: Jim Funderburg interviewed Katie Butler from the Bryan Project about a GoFundMe page. She wanted to get the word out to the community about her fundraising efforts to get the Bryan Project to the Lacuna Festival. This project is a documentary of life in Northwest Ohio. This will be good exposure for the city of Bryan and the surrounding areas.
