10-Feb-2024	5:00 AM	53	Top of Mind: How American Boys and Men Are Falling Behind--and What We Can Do to Help Them	This program addressed family and parenting by discussing how single parenting affects boys and men.				X		
17-Feb-2024	5:00 AM	53	Top of Mind: Is Government Transparency Essential in a Democracy?	This program addressed citizenship and civic engagement through a discussion on how government transparency affects citizens. We look at how the Freedom of Information Act can enable Americans to be more engaged civically, and we discuss, conversely, how less transparency could reduce polarization and political gridlock.					X	
24-Feb-2024	5:00 AM	53	Top of Mind: The Hidden Cost of Fines and Fees	This program addressed citizenship and civic engagement as well as economics through a discussion on how the use of financial penalties can be ineffective as a deterrent to social or legal infractions. We hear from a former judge, an advocate for reforming fines and fees, about how her organization is aiming to reduce the negative consequences--and inequality--of current systems of monetary penalties.					X	X
2-Mar-2024	5:00 AM	53	Top of Mind: An Explosion of Union Activity in the US and What it Means	This program addressed economics by looking at how unions affect the American economy. We look at how income inequality, inflation, the pandemic, and attitudes toward labor have contributed to an increase in union activity.						X
9-Mar-2024	5:00 AM	53	Top of Mind: Tipping Culture	This program addressed economics by discussing how the American culture of tipping has changed due to our economic situation. We talk about how much of a tip is expected and when it is okay not to tip in evolving social situations.						X
