FCC Public Inspection File – Quarterly Issues/Program List

Quarter 1: January – March 2019

1. Issues: PG&E dredging out the dam in the canyon, rentals in San Francisco are out of sight, gold mining in CA is dead because of dredge laws. CA government is wasting water when it should be planning for drought conditions. State of Jefferson, how is it coming and does it have a chance at succeeding?

2. Program: That's What You Think

3. Description of Program: PG&E is dredging out the first dam in the canyon. Rentals of apartments, homes, and condos are really high in costs. State of Jefferson is not getting much done in trying to get a new state for CA.

4. Date: 3/8/19

5. Time: 9am

6: Duration: 1 hour
