FCC Public Inspection File – Quarterly Issues/Program List

Quarter: 3rd Quarter July – September 2020

1. Issues: Climate change, Jonathan Cahn’s book on prophecy, emissions producing co2

2. Program: That’s What You Think

3. Description of Program: Caller 1: Frank: Climate change myth is being exploited to scare everybody.

Caller 2: Larry: Jonathan Cahn’s series on the Oracle, very good concerning prophecy.

Emissions from one volcano in Iceland put out more emissions in 4 days that the J.U.S. was able to save in one year of pollution control.

4. Date: 9/4/20

5. Time: 9am

6. Duration: 1hr.
