

What:

- The Budweiser Made in America Festival two-day music festival on September 3 and 4, 2016 in Philadelphia.
- This year's concert benefits United Ways in Greater Philadelphia/Southern NJ and Berks County. The money invested into these communities will positively impact the organization's focus areas: education, income (financial stability), health and safety net services.

Performers:

- Headliner performers are Rhianna and Coldplay, along with a host of other artists performing on multiple concert stages located along the Ben Franklin Parkway.
- The complete concert line-up and event details are available at www.madeinamericafest.com

Ticket Information:

- United Way of Berks County is sharing 2 pairs of tickets for each day of the festival (total of 4 tickets per day; 8 tickets for the weekend)
- Tickets are provided to United Way by Live Nation, and it has been communicated that we may not receive the tickets locally until the day prior to the festival.
- Tickets may be picked up beginning Saturday morning, September 3 at Boscov's Berkshire Mall customer service desk, located on the 2nd floor of the store. ID will be required.
