

QUARTERLY ISSUES AND PROGRAMS REPORT

FOR

STATION KMXB-HD2

3rd Quarter, 2019

(July 1st – September 30th)

Prepared by:

Claudia Rubio, Programming Coordinator

**Issues of Concern to Las Vegas, NV
Addressed in Responsive Programming in the
3rd Quarter, 2019**

<u>Subject</u>	<u>Description of Issue of Concern</u>
1. Health	Information regarding the latest breakthroughs in health care is needed, including new discoveries, programs and services. Disaster preparedness to preserve one's health.
2. Economy	Our local economy has been slow to recover from the recent recession. Information on services to assist the public is needed.
3. Environment	From our coastal areas to our forests, the environment needs our help to preserve and restore it.
4. Education & Child Care	Whether being abused, needing special education, fighting truancy or needing college prep, children & parents need assistance.
5. Local Community Services	Mentioned are free or low-cost community services available to the public to assist with spousal abuse, child abuse, animal abuse or even the arts. Information on free programs is featured.
6. Crime & Drugs	Crime and drug abuse remain a key issue in our area.
7. Public Safety	The safety of the public is priority and information on how to prevent danger and maintain caution.
8. Animals & Wildlife	As wildlife is constantly affected by the perils of man and nature, OpenLine helps to provide the means of animal protection and adoption information needed to sustain the ecosystem and its diverse chain of useful inhabitants.
9. Politics	Highlighting propositions, political issues, and presidential candidates during this year's Elections.

**KAMP-FM HD-2 (Channel Q) Programs That Address Community Issues
(Regularly Scheduled Public Affairs Programs)
3rd Quarter, 2019**

Public Affairs Program

Schedule and Description

- | | |
|--------------|--|
| 1. Open Line | Sundays, 11pm-12am. Hosted by Tami Heide, this program features interviews with experts on community issues, along with comments from the listeners. |

Most Significant Issue-Responsive Programming
3rd Quarter, 2019
(July 1st - September 30th)

ISSUE: Health

Open Line

Date: 7/7/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Dr. Russ Kino, ER Physician at Providence St. John's Health Center in Santa Monica

Here's something that can ruin your summertime pool fun: doctors warn of an increase in infections from a fecal-born parasite called "crypto" that likes to live in pools & lakes, causes explosive diarrhea. KNX's Charles Feldman & Mike Simpson spoke to Dr. Russ Kino to get more information on this parasite.

Open Line

Date: 7/14/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Dr. David Huseby

Tami Heide interviews Dr. David Huseby, internal medicine physician in Laguna Hills for Monarch Health Care, about summertime health and heat concerns, with tips for how to stay cool and hydrated, and avoid heat stroke and heat exhaustion.

Open Line

Date: 7/14/19

Time: 11:00 PM

Duration: 9 minutes of a 60-minute program

Guest: Scott Juceam of The Hannah Rose Foundation

Pat Prescott interviews Scott Juceam of The Hannah Rose Foundation, formed to raise money to educate people about the fatal consequences of shaking your baby, better known as Shaken Baby Syndrome.

ISSUE: Health (continued)

Open Line

Date: 7/28/19

Time: 11:00 PM

Duration: 11 minutes of a 60-minute program

Guest: Joanne Schram, West Coast University Dental Hygiene Clinic

Tami Heide interviews Joanne Schram, the clinic administrator at West Coast University's Dental Hygiene Clinic, which offers free dental services at their Irvine location. Their dental hygiene students provide care under the direct supervision of expert faculty dental hygienists and dentists.

Open Line

Date: 8/4/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Danelle Fisher, Pediatrician at Providence Saint John's Health Center in Santa Monica

Traumatic brain injuries among children and teens in the United States are most often associated with everyday consumer products and activities, such as home furnishings and fixtures or sports, according to a new study. It found that among the top 10 leading products contributing to non-fatal traumatic brain injuries are floors, beds, stairs and football. KNX's Rob Archer & Charles Feldman speak to Danelle Fisher, Pediatrician at Providence Saint John's Health Center in Santa Monica on the topic.

Open Line

Date: 9/1/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Dr. Sharon Levy

KNX's Rob Archer & Charles Feldman speak to Dr. Sharon Levy, Director of Adolescent Substance Use and Addiction Program at Boston's Children's Hospital about the nearly 100 cases of a mysterious severe lung infection in several states across the country, including California, all being linked back to vaping—and now the CDC is getting involved.

Open Line

Date: 9/8/19

Time: 11:00 PM

Duration: 26 minutes of a 60-minute program

Guest: Dr. Kita S. Curry

Tami Heide interviews Dr. Kita S. Curry, Psychologist and President and CEO of Didi Hirsh Mental Health Services. We discuss mental health, erasing the stigma surrounding it, as well as suicide prevention.

ISSUE: Health (continued)
--

Open Line

Date: 9/15/19

Time: 11:00 PM

Duration: 15 minutes of a 60-minute program

Guest: Wendy Carrillo, Assembly Member

Tami Heide interviews Assembly member Wendy Carrillo, she represents the 51st assembly district of Los Angeles, and authored Assembly Bill 46. AB46 is legislation that changes the terms we use to discuss individuals with mental illness.

Open Line

Date: 9/29/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Dr. Barbara Ferrer

L.A. County moves to ban the sale of flavored tobacco vaping products, as the exact source of lung illnesses tied to vaping remains a mystery--more flavored vaping bans likely coming for cities within L.A. County. KNX's Charles Feldman & Mike Simpson spoke to Dr. Barbara Ferrer, Director of the Los Angeles County Department of Public Health on the upcoming bans.

Most Significant Issue-Responsive Programming
3rd Quarter, 2019
(July 1st - September 30th)

ISSUE: Economy

Open Line

Date: 7/14/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Glenn Pomeroy, CEO of the California Earthquake Authority

Shaky Southern California: Why don't more homeowners & renters here have earthquake insurance, is it really prohibitively expensive, what does it cover? KNX's Charles Feldman & Mike Simpson speak to Glenn Pomeroy on the issue.

Open Line

Date: 7/28/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Xavier Becerra, Attorney General of California

California and 47 other states reach a \$700 million settlement with EQUIFAX over one of the largest data breaches in history--but is that enough to get credit companies & others guardians of personal info to get serious about cybersecurity? KNX's Charles Feldman & Mike Simpson speak to Xavier Becerra on the issue.

Open Line

Date: 8/4/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Ken Jacobs, Chair of the Labor Center UC Berkeley

Many people across California are struggling to save for retirement. A new study finds about half of private sector workers between 25 and 64 years old don't have a dedicated retirement savings. Is the high cost of living to blame or are there other factors at play? KNX's Charles Feldman & Mike Simpson speak to Ken Jacobs, Chair of the Labor Center UC Berkeley on the growing issue.

ISSUE: Economy (continued)
--

Open Line

Date: 8/4/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Sam Curry, Chief Security Officer of Cybereason

Another massive data breach happens again. This time capital one got hit, impacting about 100 million people. This follows the massive EQUIFAX data breach settlement last week. Will these massive hacks stop or is this something we all need to just deal with. KNX's Charles Feldman & Mike Simpson discuss the issue with Sam Curry, Chief Security Officer of Cybereason.

Open Line

Date: 8/18/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Chip Ahlswede, CEO of the Beverly Hills/Greater Los Angeles Association of Realtors

KNX's Charles Feldman & Mike Simpson speak to Chip Ahlswede, CEO of the Beverly Hills/Greater Los Angeles Association of Realtors, on what "tenancy in common," or tic's are, why are they suddenly appearing on the SoCal real estate market now and whether they could be affordable options for people looking to buy a house?

Open Line

Date: 8/25/19

Time: 11:00 PM

Duration: 11 minutes of a 60-minute program

Guest: Daniel Yukelson, Executive Director of the Apartment Association of Greater Los Angeles & Chancela Al-Mansour, Executive Director of the Housing Rights Center

With California on the verge of approving the first of several rent control bills--and local cities & counties close behind--landlords are starting to raise their rents, tenants crying foul. KNX's Charles Feldman & Mike Simpson speak to Daniel Yukelson, Executive Director of the Apartment Association of Greater Los Angeles & Chancela Al-Mansour, Executive Director of the Housing Rights Center on the topic.

ISSUE: Economy (continued)
--

Open Line

Date: 9/1/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Heidi Marston, Chief Program Officer for the Los Angeles Homeless Services Authority

L.A. City controller audit slams the Los Angeles homeless services authority for failing to meet most outreach targets, for setting unrealistic goals even as it's doubled staff flush with taxpayer dollars. KNX's Rob Archer & Mike Simpson speak to Chief Program Officer for the Los Angeles Homeless Services Authority, Heidi Marston.

Open Line

Date: 9/22/19

Time: 11:00 PM

Duration: 4 minutes of a 60-minute program

Guest: Tom Kloza, Global Head of Energy Analysis at the Oil Price Information Service

Uplifting Monday news: the price impact from the weekend attack on a Saudi crude oil processing facility is likely to be felt most by California drivers and all of the pacific coast states. KNX's Charles Feldman & Mike Simpson speak to Tom Kloza, Global Head of Energy Analysis at the Oil Price Information Service on the possible rise in gas prices.

Open Line

Date: 9/29/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Rocky Moretti, Director of Policy & Research at TRIP

Commute times are getting so brutal in L.A. that people are starting to quit their jobs over the traffic: new survey shows our horrific traffic is having economic consequences. KNX's Charles Feldman & Mike Simpson speak to Rocky Moretti, Director of Policy & Research at TRIP (A national transportation research nonprofit) on the growing issue.

Most Significant Issue-Responsive Programming
3rd Quarter, 2019
(July 1st - September 30th)

ISSUE: Environment

Open Line

Date: 7/7/19

Time: 11:00 PM

Duration: 6 minutes of a 60-minute program

Guest: Wayne Nastri, Executive Officer of the South Coast Air Quality Management District (AQMD)

Southern California is losing ground in the fight for clean air: new research shows smog is a problem again for portions of the region as bad air days picking up, emissions reductions slowing. KNX's Charles Feldman & Mike Simpson speak to Wayne Nastri of AQMD about the problem.

Open Line

Date: 7/28/19

Time: 11:00 PM

Duration: 5 minutes of a 60-minute program

Guest: Jeff Bearadelli, Meteorologist

Over half the country is roasting in intense heat and unthinkable humidity in the perfect heat storm. KNX's Charles Feldman & Mike Simpson speak to Jeff Bearadelli, Meteorologist; weather/climate change Consultant & contributor to CBS News on the growing concern for a hot summer season.

Open Line

Date: 8/4/19

Time: 11:00 PM

Duration: 4 minutes of a 60-minute program

Guest: Kevin Noertker, Co-Founder and CEO Ampaire

Hawthorne-based aviation company Ampaire has announced it'll start testing aircraft partly powered by electricity on some commercial routes in Hawaii later in 2019. KNX's Charles Feldman & Mike Simpson speak to Kevin Noertker, Co-Founder and CEO Ampaire on this new hybrid plane could change the future of air travel.

ISSUE: Environment (cont.)
--

Open Line

Date: 8/11/19

Time: 11:00 PM

Duration: 7 minutes of a 60-minute program

Guest: Liza Tucker, Consumer Advocate with Consumer Watchdog

California's largest operator of recycling redemption centers shut down and laid off 750 employees. Replanet closed all 284 of its centers. What impact will this have on an already-troubled recycling industry in California? Will people stop recycling because it's simply too difficult and inconvenient to do? KNX's Charles Feldman & Mike Simpson speak to Liza Tucker, Consumer Advocate with Consumer Watchdog on the issue.

Open Line

Date: 8/25/19

Time: 11:00 PM

Duration: 15 minutes of a 60-minute program

Guest: Alison Stern Simard, Board of Directors for CLAW

Tami Heide interviews Alison Stern Simard, Board of Directors for CLAW, Citizens for Los Angeles Wildlife and Director of Communications for L.A. Council Member Paul Koretz, working with environmental concerns. CLAW is dedicated to preserving connectivity between habitat blocks and wildlife corridors and ensuring animals have access to food and mating partners in SoCal. There is also a proposal to ban rodenticides which poison and kill the food chain. More info at www.clawonline.org.

Open Line

Date: 8/25/19

Time: 11:00 PM

Duration: 4 minutes of a 60-minute program

Guest: Karen Farrer, Mayor pro tem of the City of Malibu

Don't be fooled by the relatively calm start to California's 2019 fire season: firefighters & local emergency officials are bracing for the return of massive, wind-driven wildfires in the fall as our wet winter produced plenty of fuel. KNX's Charles Feldman & Mike Simpson discuss the topic with Karen Farrer, Mayor pro tem of the City of Malibu.

ISSUE: Environment (cont.)
--

Open Line

Date: 9/1/19

Time: 11:00 PM

Duration: 4 minutes of a 60-minute program

Guest: Jesse Patterson, Chief Strategy Officer at the League to Save Lake Tahoe

For the first time, Microplastics--like the kind that are polluting oceans across the globe--have turned up in water samples from Lake Tahoe, which is one of the most closely regulated bodies of water in the U.S.. KNX's Rob Archer & Mike Simpson discuss the topic with Jesse Patterson, Chief Strategy Officer at the League to Save Lake Tahoe.

Open Line

Date: 9/29/19

Time: 11:00 PM

Duration: 4 minutes of a 60-minute program

Guest: Seth Forrest & Chad Becker

KNX's Charles Feldman & Mike Simpson speak to student activists, Seth Forrest, USC student & organizer of the Trojan Climate Strike activities--- and--- Chad Becker, student at Fullerton Junior College and chair of Students for Equitable Sustainability on how young people are sick of waiting around for older generations to take serious action on climate change. This coming after millions of young high school & college students took to the streets for a global "climate strike" demanding serious work to mitigate global warming.

Open Line

Date: 9/29/19

Time: 11:00 PM

Duration: 4 minutes of a 60-minute program

Guest: David Pettit, Senior Attorney for climate & clean energy program at the Natural Resources Defense Council

The latest front of Trump vs. California: the EPA is threatening to cut off millions of dollars in federal highway funding due to "violations" of the clean air act by California, but it feels more like retribution over car emissions fight KNX's Charles Feldman & Mike Simpson speak to David Pettit, Senior Attorney for climate & clean energy program at the Natural Resources Defense Council, based out of Los Angeles.

Guest: Mica Brandt, Market Leader of Marketing with Raising Cane's Chicken Fingers Restaurant

Tami Heide interviews Mica Brandt, Market Leader of Marketing with Raising Cane's Chicken Fingers Restaurant, about their partnership with Patriot Paws, a non-profit organization that provides high quality service dogs at no cost to disabled veterans and others with special needs. Their stores are selling plush puppies that benefit Patriot Paws. The restaurant is named after founder and CEO Todd Graves' service dog, Raising Cane. Raising Cane's restaurants have a history of supporting animal wellness since their inception in 1996, and since 2009 they have donated \$700K + to local no-kill animal welfare organizations.

Guest: Alison Stern Simard, Board of Directors for CLAW

Tami Heide interviews Alison Stern Simard, Board of Directors for CLAW, Citizens for Los Angeles Wildlife and Director of Communications for L.A. Council Member Paul Koretz, working with environmental concerns. CLAW is dedicated to preserving connectivity between habitat blocks and wildlife corridors and ensuring animals have access to food and mating partners in SoCal. There is also a proposal to ban rodenticides which poison and kill the food chain. More info at www.clawonline.org.

Guest: Luis Angel Reyes Savalza, Attorney at the California Collaborative for Immigrant Justice

The blitz of aggressive ice raids on undocumented families didn't materialize as planned, but that might be on purpose--fear drives immigrant communities underground, afraid to leave their homes on fear of being arrested, deported. KNX's Charles Feldman & Mike Simpson spoke to Luis Angel Reyes Savalza, Immigration Attorney & Director of Community Empowerment at Pangea Legal Services; and an Attorney at the California Collaborative for Immigrant Justice on the issue.
