# KUVM-CD 34 PSA Descriptions

July 1-September 30, 2016

## 3rd Quarter

**PSA With Every Drop Adds Up**, The ALS Association aims to raise awareness and funds to fight ALS! We want to challenge supporters to finish what was started in 2014 by emphasizing the power of small, repeated actions that add up to make big, impossible things happen. Every Drop Adds Up :15

### **PSA A HS diploma opens doors to success**

You have the power to help 29 million Americans earn better pay, achieve job stability, and find opportunities. By running these PSAs you can inspire adults to use the help that's waiting at [FinishYourDiploma.org](http://FinishYourDiploma.org) and earn their high school equivalency. :15

### **PSA Zip Code :15**

**A zip code should not determine a child's future.** Many variables, including the zip code where a child grows up, can shape a child's outcome in life. Unfortunately, not all communities have the same opportunities and resources, such as quality schools and housing, fresh food and good healthcare.

### **PSA Support Essential Job Training :15**

More than 363M pounds of goods have been donated to Goodwill® in the last 2 ½ years, creating meaningful employment for many Americans. This PSA explains how donating used clothing and household items to Goodwill® supports critical job training, career and community services.

### **PSA Force Behind the Forces :15**

Help about the importance of what the USO does, the depth of our commitment to support our service men and women wherever they are, for as long as they wear the uniform and encourage them to join us in this mission incredibly important effort to keep our military connected to family, home and country.

**PSA Learning To Swim-** The US Swimming Foundation has a goal of providing swim lessons to 1 million children annually and is passionate about educating parents on why it's important for their children to learn how to swim.

**PSA Language of a Smile-** Millions of children in developing countries with unrepaired clefts live in shame, but more importantly, have difficulty eating, breathing, and speaking. The Smile Train model provides training and funding to empower local doctors in 85+ developing countries to provide 100%=free cleft repair surgery in their communities.

**PSA Run to End Childhood Cancer-**September is Childhood Cancer Awareness Month, making it a perfect time for friends, family, and community to rally in support of St Jude Children's Research Hospital. Our labs may not be in your community, but our discoveries are.

**PSA Let's Stop HIV Together-** Positive or negative, we all live with HIV. As part of its Act Against AIDS initiative and ongoing effort to keep HIV on the radar of all Americans, the Centers for Disease Control and Prevention(CDC) Launched the Let's Stop HIV together Campaign that gives voice to people living with HIV from all walks of life and their loved ones.

**PSA Getting the Facts about Hepatitis C-**Hepatitis C is a serious liver disease that causes health problems, including liver damage, cirrhosis, and even liver cancer. The good news is that early detection and treatment can save lives.

**PSA A is for Avocado: The Nutritious and Delicious Fruit-**A special federal commission that reviews Americans dietary guidelines stated that the vast majority of Americans do not meet the recommended intake of fruits and vegetables.

**PSA Together Possible-** When it comes to addressing the complex environmental issues that impact our planet-such as deforestation, climate change, water scarcity, and illegal wildlife trade-the only way we can spark change is to work together.

**PSA Out of the Shadows-** Human trafficking is often hidden in plain sight. But together we can stop it. By increasing public awareness more people will report suspected human trafficking to law enforcement.

**PSA Up n Smoke –** A home fire occurs, on average every 85 seconds. Children under 5 and seniors are twice as likely to die in these blazes than the rest of the population.

**PSA Protect Your Every Day-** Homeland security begins with hometown security. Across the county, we all play a critical role in keeping our communities safe.

**PSA Know the Facts First-** Teens need your help. About 1 in 4 teens has a sexually transmitted disease (STD), and what they don't know about STDs can harm them.

**PSA Hunger Surfs Hunger Prevention 15-**1 in 6 Americans struggle with hunger. Find a local food bank.

**PSA Your Prostate Your Decision-**In the United States, 1 in 6 men will be diagnosed with prostate cancer. Educates about making an informed decision about treatment options so that men with low-risk disease can avoid possible side-effects of potentially unnecessary treatment while those with more aggressive cancer can receive life-saving treatment.

**PSA Hunger Prevention**-Nearly 16 million children struggle with hunger in the United States. That's 1 in 5 kids. New celebrity PSAs featuring Jeremy Renner and re-released PSAs encourage members of your community to support your local food banks-and help kids get the nutrition they need to thrive.

**PSA Seat Belt Safety**-As parents, we often compromise with our kids, but wearing a seat belt should never be open for negotiation. Encourages parents and caregivers to stand firm and insist that their children buckle up at all times for a safer ride.

**PSA Recycling**-Don't let litter linger in landfills. When we recycle, shampoo bottles transform into hairbrushes and body wash bottles into toothbrushes. Today, Americans recycle just 34.5% of our trash. Provides motivation for your community to recycle regularly, and give more garbage a chance to become something new.

**PSA This Is Why Mortgage**- 1 in 17 homeowners is past due on his or her mortgage. Many homeowners enter foreclosure without ever seeking help. PSAs raise awareness of the Making Home Affordable program's free resources to aid those fighting to keep their home. Assure viewers that they don't have to spend hours juggling bills and that there are other options than just foreclosure.
