Participation in Job Fairs:

On May 3, 2018 we hosted an informative and educational session named “Encuentro con Univision” in our facilities in Guaynabo for students of University of Puerto Rico, Arecibo Campus. Managers of our Radio and TV staff delivered a lecture to students (twenty minutes, each one) where they talked about employment opportunities in Radio and TV and brought their personal work experiences through the years to students with the purpose of giving them a wide vision about what we do, how we do it and how they need to prepare to look for those opportunities. Part of our management staff - Director of Programming (TV), Broadcast Integration & Operations Supervisor (TV), One of our Radio Reporter and one our Radio Program Coordinator, Content & News Director (Radio), Local Media Sales Manager and one of our Disc Jockey (FM Radio), answered questions from students immediately after their individual participations.

The educational session was held in our facilities. Afterwards students and professors were taken into a tour to both Divisions: Radio & TV studios. They watched a live show from both perspectives: in front of talents on air and then from control room with technical crew. Thus, having the whole TV show experience. They were also taken into radio studios and production areas. Tour also included editing rooms, master control, on air Radio cabin, etc). Tour allowed students to visualize and apply theory and information received from managers.

Provision of Training:

On May 11, 2018 we had an EEO/Non – Discrimination/Recruitment Process and Domestic Violence Protocol trainings hosted by our HR Manager - Jeannette Reyes. Managers and supervisors from TV and Radio participated of the training.
