|---------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| Teow Lim Goh explores the Chinese Immigrants experience in the American West in her new collection of Essays titled Western Journeys | The Pen and The Sword: Teow Lim Goh discusses her new collection of Essays, <i>Western Journeys</i> . There are things we find difficult to write about. Persona poetry is one way we can enter and explore the unsayable on the page. It helps us step back from the particulars of our lives and imagine other perspectives. In turning our focus away from our autobiographical selves, we can cut through our fears to reach for deeper truths. | 04/07/23 6pm | 30:40 |
| Weekly Regional Astronomy Update | The Saga of Venusian Exploration. Gleaming naked-eye apparition, Venus has captivated civilization since antiquity, garnering epithets of divine power and beauty-- <i>Chac-Ek</i> ("Great Star") in Mayan, <i>Jin-xing</i> ("Golden Planet") in Chinese, <i>Phosphoros</i> ("Lightbringer") in Greek. The telescope revealed Venus as a cloud-swaddled realm, inviting speculation of a tropical alien Eden. | 04/14/23, 8:10 am | 3:58 |
| Weekly Regional Science Update | Rain & Shine: Flooding will be discussed today on as we look at what the Spring has brought and how this year of moisture above normal average figures into the local Climate Change Picture. | 04/20/23, 10:00 am | 4:13 |
| Farm Friday we talk about potential agri-voltaics projects in the North Fork Valley | Regional Newscast - Nearby Carbondale was among smaller communities to receive a grant from the U.S Department of Energy for geothermal heat pumps to support a net-zero energy district. The project will heat and cool school district offices, a library, 20 affordable housing units, a high school, a center for nonprofits, and townhomes. LeValley Ranch in Hotchkiss is this year's Leopold Conservation | 04/28/23, 8:00 am and 5:50 PM | 8:10 |

| | Award. The award will be presented on June 19 at the Colorado Cattlemen's Association Annual Convention. | | |
| City of Delta's First Annual Cinco | KVNF's Lisa Young took to the Delta streets last Friday night for the City of Delta's first annual Cinco de Mayo celebration. The night was filled with fun, authentic food, entertainment and live music. A temporary fix is slated for the sinkhole on CO133 as North Fork agriculture and businesses worry. | 05/12/23, 8:03 am | 4:60 |
| Equity in Latino Health Care, Cinco de Mayo and the history of labor in Colorado | Local Motion - What does equity in healthcare look like for Latinos? The question may seem big and abstract, but Julissa Soto has dedicated more than two decades to accomplishing equity in latino communities. You'll also hear about the City of Delta's Cinco de Mayo event this week from Angeles Mendez. Mendez is the director of the Western Colorado Migrant and Rural Coalition and helped organize the City of Delta's upcoming celebrations this Friday, May 5. | 05/03/23, 6:00 pm | 30:00 |
| Mesa County talks about Economic Up-ticks in the beginning of 2023 | Regional Newscast - Mesa County continues to see a number of positive economic indicators from 2022 including an increase in new business filings rolling into 2023. KVNF's Lisa Young has the details. | 05/16/23,8:03 am | 3:01 |
| The Delta County Health Department is ramping up efforts in fighting the West Nile Virus. | Regional Newscast - Almost 60 cases were reported between Delta and Montrose Counties last year. This year, the Delta County Health Department is asking community members to join the SWAT team in fighting the virus. Efforts include identifying and controlling the mosquito habitat and thus reduce the risk of West Nile virus. Mosquito breeding increases with warm temperatures and standing water. Mosquito trapping begins now in Delta County and human cases are often reported as early as mid-June. The typical West Nile virus season runs from May through October. | 06/15/23, 8:04 am | 5:06 |
| Mali-born singer to perform in Western Colorado. | Talkin' Music – Malian Singer and Guitarist Vieux Farka Toure talks about his most recent album, <i>Ali</i> , a collaboration between himself and the Texas based trio Khruangbin on Tallkin' Music | 06/20/23 6:00 pm | 30:00 |
