Hunger is an epidemic, its effects on humanity are devastating, and the problem can be seen right in our own backyards. But there's one eastern Wisconsin partnership that is making a big difference. And it's doing it... one 'fresh rescue' at a time. (SOT) 'It really started in a small way where we were donating bakery and produce and it's just developed since then...' Ted Balistreri, co-owner of Sendiks, touts not only a historic and highly-respected supermarket chain in the Greater Milwaukee area, but also an altruistic mission that's proving to be as unique as it is impactful. 'Really about 8 or 9 years ago Feeding America implemented a program called Fresh Rescue where they actually come to the store and pickup product.' 'From our family's perspective one of our goals is to really be embedded in the fabric of our community...If we can help people fight hunger, if we can help them that they get a nutritious meal... that's really in our core value in terms of being part of the fabric of the community.' Feeding America Eastern Wisconsin, the leading hunger-relief organization in the state, improves access to healthy and nutritious foods for those facing hunger. Sendiks helps by donating to ensure that food gets to families and individuals. And - it turns out -they are responsible for a significant percentage of the food that Feeding America Eastern Wisconsin distributes. 'Feeding America Eastern Wisconsin has a very healthy relationship with Sendiks we've been partners through our fresh rescue program since 2006 and since then Sendiks contributed more than 3.2 million pounds through our specialty fresh rescue program.' Sendiks focuses on supplying local, trusted, fresh produce and keeping food banks full of wholesome food for those in need. From baked goods to dairy, fruits and vegetables - Sendiks' products are taken off store shelves - and right into Feeding America trucks for delivery. But it's the quality of Sendiks' donations that sets their Fresh Rescue Program apart from other retailers. 'What's unique about Sendiks is that not only do we get those products but we also get a lot of specialty products that comes directly from the deli or directly from the produce.' It's a special partnership that is having a direct impact on the local communities and helping to solve a public health crisis. 'Across our 36 County region we distribute more than nine point seven million pounds a year our goal is 15 million pounds and with Sendiks generosity I know we'll get there' And now you Know Your Wisconsin!

THERE ARE NEW QUESTIONS THIS MORNING ABOUT WHAT SHOULD BE REQUIRED WHEN IT COMES TO FIRE PREVENTION SPRINKLERS INSIDE OF APARTMENT BUILDINGS. THIS COMES AFTER A FIRE SUNDAY NIGHT IN SUN PRAIRIE KILLED ONE PERSON. THE MEDICAL EXAMINER'S OFFICE CONFIRMS CHARLES COBB DIED FROM HIS INJURIES -- ANOTHER PERSON WAS HURT. THE BUILDING WAS NOT EQUIPPED WITH FIRE SPRINKLERS. "there was not necessarily a requirement for sprinklers in apartment buildings unless you reached a predetermined height like 60 feet. so most of the apartment buildings in the state of wisconsin do not have fire sprinklers if they were built prior to 2002." SULLIVAN SAYS SPRINKLERS ARE SOMETHING THE CITY OF MADISON LOOKS FOR IN NEW CONSTRUCTION. SUN PRAIRIE FIRE CHIEF CHRIS GARRISON SAYS HE BELIEVES SPRINKLERS CAN SAVE LIVES.

We do not want a health safety concern in the middle of the city.") LAWYERS FOR THE INVESTMENT GROUP COMPANY THAT OWNS THE FORMER NORTHRIDGE MALL SENT A LETTER TO THE CITY LAST WEEK... SAYING IT PLANS TO APPEAL THE RAZE ORDER. BARRETT - SAYING HE DOESN'T KNOW WHAT THE NEXT "DOMINO" WILL BE... BUT THAT THE ISSUE IS ON THE "FRONT BURNER" FOR THE CITY. WITH SUMMER RIGHT AROUND THE CORNER... BIRD SCOOTERS MAY BE FOLLOWING CLOSE BEHIND. It's more accessible. It's more fun. TOURISTS VISITING MILWAUKEE THURSDAY SAY THE DOCKLESS SET OF WHEELS MAKES SIGHT-SEEING A BREEZE... It's like \$1/minute. I think. You just like, cruise around get from A to B. Pick it up put it down. FEDERAL COURT DOCUMENTS FILED WEDNESDAY... SHOW THE CITY OF MILWAUKEE IS WITHDRAWING ITS COMPLAINT AGAINST BIRD RIDES INC. LAST SUMMER... THE CITY SUED THE ELECTRIC SCOOTER COMPANY... STATING THEY ARE ILLEGAL TO RIDE. WISCONSIN LAW CONSIDERS SCOOTERS "MOTOR VEHICLES" THAT MUST EITHER BE REGISTERED OR FALL UNDER AN EXEMPTION... LIKE SEGWAYS. AFTER MUCH DEBATE... BIRD AGREED TO VOLUNTARILY REMOVE ITS FLOCK FROM MILWAUKEE IN AUGUST. MEANWHILE... COMMON COUNCIL MEMBERS AND THE MAYOR SAID THEY'D WELCOME BIRD BACK ONCE THE LAW CHANGES. BILLS ARE CURRENTLY MAKING THEIR WAY THROUGH THE ASSEMBLY AND SENATE THAT WOULD EXEMPT ELECTRIC SCOOTERS FROM HAVING TO REGISTER AS VEHICLES. THE LEGISLATION WOULD THEN GIVE LOCAL MUNICIPALITIES THE AUTHORITY TO REGULATE ELECTRIC SCOOTER OPERATIONS WITHIN THEIR COMMUNITIES. I think it's dangerous. AS PART OF ANY PROPOSED REGULATIONS... MILWAUKEE DRIVERS HOPE SAFETY IS THE ULTIMATE PRIORITY. It's hard enough to drive a car around here with all the things that are happening with people on their cell phones and stop lights.

MEMBERS OF MILWAUKEE'S COMMON COUCIL NOT HOLDING BACK. (Ald Bauman- if it doesn't get built. That's on you) REFUSING TO TAKE THE FALL.. IF THE HOP EXPANSION FALLS BEHIND. (Ald. Stamper- You can't bring it to us today and expect a decision then talk about a deadline. That's your

fault.) CITY ADMINISTRATORS WANT THE COUNCIL TO PASS RESOLUTIONS... RELEASING FUNDS TO IMMEDIATELY EXTEND THE STREETCAR TO WISCONSIN AVENUE AND BUILD A PLAZA NEARBY. (Bauman- they completely botched the effort. There is discord among council members. There is discord among supporters of the streetcar. ) COUNCIL MEMBERS SAY CITY ADMINISTRATORS CAN'T ACCOUNT FOR HOW TO PAY FOR THE PROJECT... WHILE FUNDING CURRENT CITY SERVICES.. AND INCREASING THEIR INVESTMENT IN THE CENTRAL CITY. (Ald. Stamper- I don't think it's too much to ask for 52-million dollar investment) THE COUNCIL IS DEMANDING THE CITY ASK BUSINESS OWNERS WHO DONATED TO BRING THE DEMOCRATIC NATIONAL CONVENTION TO MILWAUKEE.. TO NOW INVEST IN THE STREETCAR. (Ald. Hamilton- So make this just as much of a priority. Make the residents of the city of MKE just as much of a priority as we are making everything else) CITY OFFICIALS BELIEVE FEDERAL GRANTS AND DEVELOPMENT DESIGNATED TAX DOLLARS CAN COVER THE COST. THEIR ONLY CONCERN--- AN UPCOMING D-N-C DEADLINE. (Jeff Polenski- For us to be able to get that under construction in time for July 2020. We do need to act on that now) COUNCIL MEMBERS DON'T DISMISS THOSE CONCERNS.. BUT BELIEVE CITY RESIDENTS TAKE PRIORITY OVER THE D-N-C. (Ald. Rainey- the DNC is a 4 day , 5 day event, and the people here in the city of Milwaukee are every day citizens who are supporting the services the city of MKE provides. We have to think about them)

And; if it fall behind schedule that it your fault ) COUNCIL MEMBERS ALSO CRITICIZED THE CITY FOR ASKING PRIVATE BUSINESS OWNERS TO MAKE DONATIONS TO SECURE THE D-N-C BID.. Almost an inch of rain. That is not wanted. DAVID KOSLOWSKI ADMITS HE'S WORRIED. The money comes in when you go to the farmers market. If you don't have anything to sell, the money is not coming in. THE FIELDS OF HIS OAK CREEK FARM DRENCHED AFTER A STRONG STORM ROLLED THROUGH SATURDAY AFTERNOON. We had three bad springs in a row. This is the third one and this is the worst. MUCH OF HIS 21 ACRES AT PINEHOLD GARDENS OFF ELM ROAD ARE FALLOW INSTEAD OF FULL. HIS MACHINERY WAITING TO BE USED. I use them to cultivate crops but there re no crops to plant so they've been sitting there. THIS FARM IS ONE OF THE MANY TAKING A BIG HIT AFTER THE RECENT RAINY WEATHER DELAYED PLANTING. It's not Pinehold and not just produce. It's even corn and soybean guys. We need it to dry. No one is getting in the fields. WISCONSIN CORN GROWERS ARE FACING THE BIGGEST CHALLENGES. EXPERTS SAY ONLY 46 PERCENT OF THE STATE'S CORN ACRES HAVE BEEN PLANTED. BUT HE DELAY IS FRUSTRATING FOR ALL. Even if it would stop raining right now and even if we didn't get any rain and we had sunny warm days for two weeks, the soonest I could get things to people to sell would be 50 to 60 days. BUT AS THE STORM PASSED SATURDAY, KOSLOWSKI FOCUSED ON THE FUTURE. Maybe after this it will. It will be sunny warm and breezy days and I can get back to the things I love.

IN MARCH--DEANDRE WAS HIT BY A CAR WHILE WALKING HIS YOUNGER SIBLINGS TO THEIR BUS STOP AT 27TH AND VINE. THEY MADE IT ACROSS THE STREET---HE DID NOT. We didn't know what his future was going to be and we still kind of don't know, but he knows. THE LAST FEW MONTHS -- DEANDRE HAS GOTTEN STRONGER-- BUT THE UNCERTAINTY OF GETTING HIM HOME--HAS BECOME A NEW CHALLENGE. HIS AUNT HELPED SET A GO FUND ME PAGE -- TO HELP MAKE HIS HOME HANDICAP ACCESSIBLE. AFTER WE SHARED THEIR STORY ON FOX 6-- DONATIONS Poured in-- INCLUDING A VERY GENEROUS \$3--THOUSAND DOLLARS FROM, A STRANGER. We're still lost for words, we're still lost for words. To get stronger and go back to school so I can graduate, no matter if I'm walking or wheeling across the stage. A FAMILY OVERWHELMED BY THE KINDNESS OF STRANGERS IS FEELING THANKFUL DURING A TIME OF TURMOIL. Thank you very much and may God bless you.

THURSDAY'S STORM CAUSED EXTENSIVE DAMAGE ON AND AROUND CARROL UNIVERSITY IN WAUKESHA... AT NEW YORK CITY'S MONUMENTAL STONEWALL INN, THERE ARE THOSE WHO COME TO PAY HOMAGE... Joseph Negrelli, Stonewall Elder: "I'm ready. I'm ready to go.." ...AND THOSE WHO COME TO REMEMBER WHAT THEY LIVED-THROUGH BACK IN THE SUMMER OF 69.' Joseph Negrelli, Stonewall Elder: "Nothing was really different that night except people decided to fight back. " AS NEW YORKER JOSEPH NEGRELLI REMEMBERS IT, THE NYPD BARGED-IN AS HE SIPPED A DRINK INSIDE THE STONEWALL. BEFORE THAT NIGHT, THIS TINY GREENWICH VILLAGE BAR WAS KNOWN MOSTLY AS A PLACE FOR LGBT MEN AND WOMEN TO BE THEMSELVES. FOR MANY, SHARING IN THE RELATIVE SAFETY OF THIS PLACE CAME WITH A PRICE... ..THEY WERE SUBJECTED TO FREQUENT POLICE RAIDS - DESCRIBED BY NEW YORK'S POLICE COMMISSIONER FIVE DECADES LATER - AS "DISCRIMINATORY" AND "OPPRESSIVE." Joseph Negrelli, Stonewall Elder: "If you were effeminate or dressed non-conforming your sexuality at birth, you were arrested and humiliated and that's what was happening that night." BUT THE NIGHT OF JUNE 28TH, 1969 THE BAR'S PATRONS REVOLTED - THEY FOUGHT BACK REFUSING TO COMPLY WITH OFFICERS. Joseph Negrelli, Stonewall Elder: "Someone threw a bottle from Sheraton square park into Christopher street." THAT WAS THE START OF A NIGHT THAT WOULD GALVANIZE THE

MODERN DAY LGBTQ CIVIL RIGHTS MOVEMENT. Joseph Negrelli, Stonewall Elder: "75 people moved forward and blocked the police. Obviously they got a big surprise that night. I was very surprised that immediately what happened was there was a call for homosexuals to come together." EVENTUALLY, THAT CALL SPREAD THROUGHOUT THE COUNTRY AND AROUND THE WORLD. Joseph Negrelli, Stonewall Elder: "The civil rights movement. The women's movement all galvanized together but it was truly the transvestites and minorities that were the forefront runners of the Stonewall riots." FIVE DECADES LATER, MANY OF THE VOICES THAT REFUSED TO BE SILENCED RETURNED TO WHERE IT ALL STARTED. FOR SORAYA SANTIAGO, IT'S BEEN 50 YEARS SINCE SHE SET FOOT AT THE STONEWALL. Soraya Santiago, Stonewall Elder: "I thought I would never be here again because a lot of suffering..... A lot of abuse occurred in this place." SANTIAGO IS BACK WITH HER FELLOW STONEWALL ELDERS FOR THE 50TH ANNIVERSARY OF THE RIOTS.. SO IS KARLA JAY WHO PARTICIPATED IN SUBSEQUENT PROTESTS AT THE BAR. Karla Jay, Stonewall Protester: "In 1970 we thought it would be wonderful to hold hands in the streets. We never dreamed that we would be able to get married. It's an incredible advancement. But we really need to embrace all individuals. Particularly our most disadvantaged." FIVE DECADES LATER, THE ACTIVIST SAYS MORE NEEDS TO BE DONE, ESPECIALLY, FOR HOMELESS LGBTQ YOUTH AND TRANSGENDER WOMEN OF COLOR. Karla Jay, Stonewall Protester: "We used to say, none of us is free, until all of us are free."

DEMONSTRATIONS THROUGHOUT ALABAMA THIS WEEKEND. Nat sound of protesters "We've only just begun..." THIS DAYS AFTER THE STATE ENACTED THE STRICTEST ANTI-ABORTION LAW IN THE COUNTRY. Nat sound of protesters "Hey hey, ho ho. Abortion ban has got to go." THE ALABAMA LAW PROHIBITS ALL ABORTIONS, EXCEPT WHEN THE WOMAN'S LIFE IS AT RISK OR THE PRESENCE OF A LETHAL FETAL ANOMALY. PRESIDENT TRUMP SAID THE SAME THING IN A WEEKEND TWEET....SAYING HIS STANCE ON THE ISSUE IS SIMILAR TO THE ONE TAKEN BY FORMER PRESIDENT RONALD REAGAN. Irin Carmon/CNN Contributor "Polling from PerryUndem says that 53 percent of Republicans do not want Roe V. Wade to be overturned but this is a matter of a small minority that is deeply passionate about this, has very strong beliefs that abortion should be illegal." THE GOVERNOR OF OREGON-- TELLING STATE POLICE TO ROUND UP ABSENT LAWMAKERS. THE ORDER COMES AS REPUBLICAN LAWMAKERS FLEE THE STATE IN ORDER TO BLOCK PROCEEDINGS ON A CLIMATE BILL. THE G-O-P LAWMAKERS OPPOSE THE CLIMATE MEASURE AND WOULD PRESUMABLY LOSE THE VOTE-- SO THEY BLOCKED PROCEEDINGS BY NOT SHOWING UP THURSDAY. DEMOCRATIC GOVERNOR KATE BROWN GAVE STATE POLICE THE GO-AHEAD TO FIND THE MISSING SENATORS AND BRING THEM BACK TO THE CAPITOL. IT MAY SOUND DRASTIC-- BUT THE SENATE PRESIDENT SAID OREGON'S CONSTITUTION PROVIDES FOR IT. We have a bunch of young people here taking time out of their busy schedules to tackle global climate change. Future generations will judge us not on the fact of global climate change but what we've done to tackle it. And literally these young people's futures and their children's futures hang in the balance. STATE POLICE SAID THE DIRECTIVE WAS LAWFUL-- AND THEY'RE TRYING TO ENFORCE IT IN A CIVIL, POLITE MANNER. THE WIFE OF ONE OF THE LAWMAKERS SAID ALL OF THE ABSENT SENATORS WERE AT AN UNDISCLOSED LOCATION IN IDAHO.

FOX NEWS HAS LEARNED FROM TWO SENIOR TRUMP ADMINISTRATION OFFICIALS THEY ARE MAINTAINING THE MILITARY OPTION AT ALL TIMES, INCLUDING THROUGH THE WEEKEND. THE PRESIDENT SAYS HE CALLED OFF THE MILITARY STRIKE, AFTER LEARNING 150 IRANIANS WOULD HAVE DIED. TRUMP says: "They shot down an unmanned drone, plane, whatever you want to call it, and here we are sitting with a 150 dead people." // "And I didn't like it, I didn't think, I didn't think it was proportionate." U-S DEFENSE OFFICIALS TELL FOX NEWS... B-52 BOMBERS HAD NOT TAKEN OFF BEFORE THE PRESIDENT CANCELED. THERE WERE AIR FORCE AND NAVY FIGHTER JETS FLYING AND READY TO STRIKE, IN ADDITION TO WAR SHIPS WITH TOMAHAWK CRUISE MISSILES. KEANE says: "I think this retaliation strike is on the shelf, and I don't believe it will happen given the decision he made and why he made that decision." THE PRESIDENT SAYS IF U-S PERSONNEL HAD BEEN KILLED, HIS RESPONSE WOULD BE MUCH DIFFERENT.

THAT ALMOST HAPPENED. IRAN NOW SAYS IT COULD HAVE ALSO SHOT DOWN A RECONAISSANCE PLANE WITH 35 PEOPLE ON BOARD. KINZINGER says: "If these kinds of attacks continue there needs to be a military response, and that doesn't mean invading Iran." BUT DEMOCRATS ON CAPITOL HILL ARE ADAMANT ABOUT CONGRESSIONAL APPROVAL FOR MILITARY FORCE. SPEAKER PELOSI STRESSED DE-ESCALATION. PELOSI says: "How do we engage our allies, and how do we take actions which do not inflame the situation?" THE INCREASED TENSION WITH IRAN COMES AT A KEY TIME FOR THE PENTAGON. ACTING DEFENSE SECRETARY PATRICK SHANAHAN STEPPED DOWN FRIDAY. HE'LL BE REPLACED BY ARMY SECRETARY MARK ESPER ON MONDAY. IN WASHINGTON, RAY BOGAN, FOX NEWS.

**06/23/19 1:31 7AM**

ON CAPITOL HILL THERE'S BEEN A LOT OF CONCERN THAT THE U-S IS MOVING CLOSER TO WAR WITH IRAN. SO THERE WAS A SENSE OF RELIEF WHEN PRESIDENT TRUMP DECIDED NOT TO GO AHEAD WITH THOSE AIRSTRIKES ON THURSDAY (6/20)... AND HE DID RECEIVE PRAISE FROM BOTH SIDES OF THE AISLE FOR THAT DECISION. BUT THERE HAS STILL BEEN PLENTY OF CRITICISM OVER IT... INCLUDING FROM MEMBERS OF HIS OWN PARTY, WHO BELIEVE THE PRESIDENT MADE A MISTAKE. KINZINGER says: 'I thought the president shouldn't have called this strike back, but the fact that he did, I think we have a real opportunity now to try to engage the Iranians, and they should know that if they do something again the president's not going to be that generous next time.' EVEN AMONG LAWMAKERS WHO AGREE WITH THE PRESIDENT'S DECISION, MANY ARE CONCERNED ABOUT HOW HE WENT ABOUT MAKING IT... WITH KEY INFORMATION SUCH AS CASUALTY ESTIMATES NOT COMING UP UNTIL 10 MINUTES BEFORE. A NUMBER OF DEMOCRATS ARGUE THE LAST-MINUTE DECISION RAISES CONCERNS THAT THE ADMINISTRATION DOESN'T HAVE A CLEAR PLAN FOR HOW TO RESPOND TO IRANIAN AGGRESSION. GARAMENDI says: "He did the right thing by calling, by not proceeding. But I think he did the wrong thing by talking too much. These are things that you need to keep close to your vest. Hold your

cards close and, uh, and then have a clear plan of where you need to go and how you might get there, taking into account the second effects.' EUROPEAN LEADERS ARE PRAISING THE PRESIDENT'S DECISION TO CALL OFF THE STRIKES, AND ARE NOW PUSHING FOR DIPLOMATIC EFFORTS TO ADDRESS THE CONFLICT. AND WE'LL START TO SEE SOME OF THAT ON MONDAY (6/24), WHEN THE U-N SECURITY COUNCIL MEETS TO DISCUSS THE AMERICAN DRONE THAT IRAN SHOT DOWN ON THURSDAY (6/20). IN WASHINGTON, I'M GARRETT TENNEY FOX NEWS.

A TOP U-K DIPLOMAT MET WITH SENIOR IRANIAN OFFICIALS IN TEHRAN. ACCORDING TO THE U-K...TALKS WERE ABOUT PREVENTING "ESCALATION AND MISCALCULATION" AMID THE GROWING TENSIONS BETWEEN THE U.S. AND IRAN. PRESIDENT TRUMP'S TOP NATIONAL SECURITY ADVISOR -- AMBASSADOR JOHN BOLTON -- MET WITH ISRAELI PRIME MINISTER BENJAMIN NETANYAHU IN JERUSALEM. PRIME MINISTER NETANYAHU COMMENTED ON WHAT HE CALLED "IRAN'S ACTIVE AGGRESSION" -- AND SEEMED TO ADDRESS CRITICISM FROM THOSE WHO SAY IRAN'S RECENT ACTIONS ARE RELATED TO THE U-S'S WITHDRAWAL FROM THE IRAN NUCLEAR DEAL. "After the deal, but before recent events, Iran has been on a campaign of aggression. Those who describe the recent actions as somehow opening a hornets' nest are living in another planet." "Neither Iran nor any hostile actor should mistake U.S. prudence and discretion for weakness. No one has granted them a hunting license in the Middle East." THE PRIME MINISTER DID NOT SAY ANYTHING ABOUT PRESIDENT TRUMP'S DECISION TO CALL OFF MILITARY STRIKES, AFTER IRAN'S REVOLUTIONARY GUARD SHOT DOWN A U-S DRONE ON THURSDAY. HE REPORTEDLY TOLD CABINET MINISTERS NOT TO COMMENT ON IT PUBLICLY.

THE TRUMP WHITE HOUSE.....DRAWING A LINE IN THE SAND WITH IRAN. President Trump/no font needed "I think a lot of restraint has been shown by us. A lot of restraint. And, that doesn't mean we're going to show it in the future." THE NEW SANCTIONS, SIGNED MONDAY, HAVE MEASURES THAT FOCUS ON IRANIAN OFFICIALS, INCLUDING ITS SUPREME LEADER. PRESIDENT TRUMP MAINTAINING THAT TEHRAN CAN NOT HAVE NUCLEAR CAPABILITIES..... AND SAYING THEY WOULD SEE THE BENEFITS OF WORKING WITH THE U-S. President Trump/no font needed "Iran, potentially, has a phenomenal future." "And I think a lot of people would like to see them get to work on that great future." BUT IRAN MIGHT NOT BE INTERESTED IN A SYMBIOTIC RELATIONSHIP. Majid Takht Ravanchi/Iran's ambassador to the United Nations "Nobody in a clear mind can accept to have a dialogue with somebody who is threatening you with more sanctions." AND ALTHOUGH THE WHITE HOUSE SAYS IT IS HOPING TO AVOID MILITARY ACTION..... Kellyanne Conway/Counselor to the President "The president wants Iran to come to the table, he wants to negotiate with Iran. He doesn't want war." SOME ARE CONCERNED..... Rep. Anthony Brown/D-Armed Services Committee "I'm afraid that the president will stumble into war, the escalation of forces on the ground and a haphazard way of making a decision whether to strike or not and the big concern is that we don't know what Iran's response will be." I'M JOHN LORINC REPORTING.

A BORDER AID BILL PASSES THROUGH THE HOUSE OF REPRESENTATIVES. A FOUR-POINT-FIVE BILLION DOLLAR DECISION.... PASSING LAST NIGHT BY A VOTE OF 230 TO 195. THE BILL WOULD PROVIDE CARE TO MIGRANT FAMILIES AND UNACCOMPANIED CHILDREN DETAINED AFTER CROSSING THE U-S, MEXICO BORDER. HOUSE SPEAKER NANCY PELOSI-- SLAMMING THE TRUMP ADMINISTRATION FOR THE STATUS OF CHILDCARE AT THE BORDER, CALLING IT "CHILD ABUSE". A BIPARTISAN BILL HAS ADVANCED OUT OF COMMITTEE IN THE SENATE-- BUT IT IS CONSIDERABLY DIFFERENT FROM THE HOUSE BILL-- ALLOCATING FOUR-POINT-FIVE-NINE BILLION DOLLARS TO PRESIDENT TRUMP'S BORDER CRISIS. EVEN WITH OPPOSITION CONTINUING ACROSS PARTY LINES-- LAWMAKERS HOPE TO GET A DEAL DONE. "This bill does not fund the administration's failed mass detention policy. Instead it funds effective, humane alternatives to detention that have a proven record of success." "My hope would be that Democrats would work with us to get it across the finish line, get it across the Senate floor this week." THE HOUSE BILL NOW HEADS TO THE REPUBLICAN HELD SENATE. PRESIDENT TRUMP HAS ALREADY THREATENED TO VETO IT IF IT PASSES.

**06/27/19 1:15 5AM**

ROUND ONE OF THE FIRST DEMOCRATIC PRESIDENTIAL PRIMARY DEBATES IS OVER. IT WAS BROADCASTED LAST NIGHT ON NBC NEWS. TEN CANDIDATES GOT A CHANCE TO STAND OUT IN A PACKED FIELD OF CONTENDERS. IMMIGRATION IS ALREADY ONE OF THIS ELECTION'S KEY TOPICS -- FURTHER IGNITED BY A PHOTO OF A MIGRANT FATHER AND YOUNG DAUGHTER, WHO DROWNED WHILE TRYING TO CROSS THE RIO GRANDE INTO THE UNITED STATES. DOMESTIC ISSUES BRIEFLY TOOK A BACKSEAT TO QUESTIONS ABOUT FOREIGN POLICY -- TENSIONS WITH IRAN AND HEALTH CARE. We should give everyone in this country health care as a basic human right for free. Full stop, but, we should also give them the option to buy private insurance. Why do we have to stand for taking away something from people?" THE REPUBLICAN NATIONAL COMMITTEE PUT OUT A STATEMENT IN RESPONSE TO LAST NIGHT'S DEBATE -- SAYING QUOTE 'TONIGHT, WE SAW THE DEMOCRAT PARTY ADVOCATE FOR OPEN BORDERS AND PROUDLY RAISE THEIR HANDS TO ELIMINATE OUR CHOICE OF HEALTHCARE FOR OUR FAMILIES. THESE SOCIALIST POLICIES WOULD KILL OUR ECONOMY AND PUT AMERICANS OUT OF WORK. THE FACT REMAINS, PRESIDENT DONALD TRUMP HAS RESTARTED OUR ECONOMY AND REESTABLISHED AMERICAN LEADERSHIP AROUND THE WORLD. VOTERS KNOW THAT PRESIDENT TRUMP HAS DELIVERED ON HIS WORD AND IT IS WHY DEMOCRATS WILL LOSE IN 2020.' ROUND TWO IS TONIGHT - THAT DEBATE WILL INCLUDE FRONT-RUNNERS JOE BIDEN AND BERNIE SANDERS IN ADDITION TO OTHER CANDIDATES.

**06/28/19 1:00 5AM**

THE SECOND ROUND OF THE DEBATE BEGAN WITH MANY IMPORTANT ISSUES -- TAXES, JOBS, AND THE ECONOMY. IT WAS BROADCASTED LAST NIGHT ON NBC NEWS. "In our America, no one should have to work more than one job to have a roof over their head and food on the table." HEALTH CARE-- ONCE AGAIN TAKING THE SPOTLIGHT. SENATOR BERNIE SANDERS SAYS UNDER HIS PLAN -- PEOPLE CAN GO TO ANY DOCTOR OR HOSPITAL THEY WANT -- AND THEY WILL LOWER THE COST OF HEALTH CARE. QUESTIONS ABOUT IMMIGRATION AND THE CRISIS AT THE SOUTHERN BORDER -- BRINGING THE MOST HEATED DEBATE. ("If you take a lot of children and you put them in a detainment center, thus inflicting chronic trauma upon them, that's called child abuse. This is collective child abuse.") PRESIDENT TRUMP REACTING TO LAST NIGHT'S DEBATE... TWEETING QUOTE-- ALL DEMOCRATS JUST RAISED THEIR HANDS FOR GIVING MILLIONS OF ILLEGAL ALIENS UNLIMITED HEALTHCARE. HOW ABOUT TAKING CARE OF AMERICAN CITIZENS FIRST!? THAT'S THE END OF THAT RACE! THE CANDIDATES NOW HAVE A MONTH OF CAMPAIGNING BEFORE THE NEXT DEBATE IN JULY.

PRESIDENT TRUMP HAS SAT DOWN WITH CHINESE PRESIDENT XI JINPING AMID A MASSIVE TRADE FIGHT BETWEEN THE TWO COUNTRIES. THE PRESIDENT SAYS THE U-S AND CHINA ARE GETTING CLOSER TO A DEAL. TRUMP says: "We want to do something that will even it up with respect to trade. I think it's something that's actually very easy to do. I actually think that we were very close and then we -- something happened where it slipped a little bit and now we're getting a little bit closer, but it would be historic if we could do a fair trade deal." THE U-S HAS TARIFFS ON 250-BILLION DOLLARS IN CHINESE IMPORTS INTO THE UNITED STATES AND IS ON TRACK TO HIT THE REST OF CHINA'S IMPORTS... SOME 300 BILLION DOLLARS WORTH... WITH TARIFFS. THE TRUMP ADMINISTRATION HAS ALSO PUT RESTRICTIONS ON CHINESE TELECOM COMPANY HUAWEI OVER SECURITY CONCERNS... AND IS PUSHING OTHER COUNTRIES TO REJECT THE COMPANY AS WELL. CHINA SAYS IT WANTS HUAWEI OFF THE BLACKLIST BEFORE AGREEING TO ANY TRADE DEAL. THIS AFTERNOON, PRESIDENT TRUMP IS ON HIS WAY TO SOUTH KOREA SO WHILE HE'S IN THE NEIGHBORHOOD, WHY NOT CHECK IN ON KIM JONG UN. THE PRESIDENT TWEETED THIS MORNING \*QUOTE\* 'After some very important meetings, including my meeting with President Xi of China, I will be leaving Japan for South Korea (with President Moon). While there, if Chairman Kim of North Korea sees this, I would meet him at the Border/DMZ just to shake his hand and say Hello(?)!' A CASUAL SUGGESTION THAT... IF KIM AGREES TO... WOULD CREATE A HISTORIC MOMENT AT THE DEMILITARIZED ZONE. TRUMP says: "I just put out a feeler because I don't know where he is right now. He may not be in North Korea, but I said if Chairman Kim would want to

meet I'll be at the border, and certainly -- we seem to get along very well // If I didn't become president you'd be right now in a war with North Korea, you'd be having a war right now with North Korea. And by the way that's a certainty.' THIS AS NEGOTIATIONS OVER NORTH KOREA'S WEAPONS PROGRAMS HAVE ESSENTIALLY STALLED. IN OSAKA, JAPAN, RICH EDSON, FOX NEWS.

PRESIDENT TRUMP -- MAKING HISTORY THIS MORNING BY BECOMING THE FIRST SITTING U-S PRESIDENT TO SET FOOT IN NORTH KOREA. HE MET WITH KIM JONG UN AT THE KOREAN DEMILITARIZED ZONE -- BEFORE TAKING 20 STEPS ACROSS THE BORDER. THE TWO LEADERS HAD A 50 MINUTE PRIVATE MEETING... AGREEING TO RESTART NUCLEAR TALKS. PRESIDENT TRUMP CALLING THE HISTORIC MOMENT A QUOTE - "GREAT HONOR." "I just want to say that this is my honor. I didn't really expect it. We were in Japan for the G20, we came over and I said 'Hey, I'm over here, I want to call chairman Kim.' And we got to meet and stepping of course that line was a great honor. A lot of progress has been made. A lot of friendships have been made. This has been, in particular, a great friendship. So I just want to thank you. It was quick notice and I want to thank you. THIS IS THE THIRD MEETING BETWEEN PRESIDENT TRUMP AND KIM JONG UN. AND IT COMES JUST ONE DAY AFTER PRESIDENT TRUMP RAISED THE PROSPECT OF A BORDER HANDSHAKE IN A TWEET.

We've seen several police vehicles coming and going as they continue their investigation here. All lanes on I-94 from county road F to County road P remain closed Highway 67 is also closed at Delafield Road. The roads here have been closed since rush hour yesterday. It was around 4:15 yesterday when a standoff began with a tan van. Our cameras saw as the van tried to inch forward and officers quickly followed behind. It was then around 10 o'clock that one of our crews heard between 8 to 10 loud bangs and then saw ambulances leaving the scene. The Waukesha County sheriff's office said there were two officer involved shootings in a late night press conference. DCI has been called in to investigate. Officials ask for the public's patience. 'At this time there is no danger or risk to our community. We have multiple agencies out here working on this incident. We want to thank the cooperation and patience we got from the community on this. Also all the agencies that came out to assist. We're expecting more information in a press release later this morning. It's unclear how long these roads will remain closed. If this is your normal route to work, it's probably best to find another way.

THIS IS A HOBBY GRETA PEREL {prono: per-el} WASN'T SURE SHE'D EVER ENJOY AGAIN... THE DEAFENING ROAR OF DEPRESSION, THOUGHTS OF SUICIDE...BLOCKED OUT THE MUSIC SHE USED TO ENJOY PLAYING... 'You are in a hell that you never knew existed...' GRETA TRACES HER DEPRESSION BACK TO COLLEGE... 'My depression came out of basically ten years of really acute stress...' AFTER YEARS OF UPS AND DOWNS - ON AND OFF MEDICATIONS - GRETA WAS IN A SEVERE, DEEP DEPRESSION. 'I can't work. I can't think ,I can't function I have no other options left.' BY FALL OF 2018 - GRETA CONSIDERED GETTING OUT OF BED AN ACCOMPLISHMENT... A BIG ONE...SINCE MULTIPLE TIMES A DAY SHE FOUGHT OFF THOUGHTS OF SUICIDE. ON A RECOMMENDATION, GRETA SAW A DOCTOR..WHO TOLD HER BECAUSE OF THE SEVERITY OF HER ILLNESS, SHE MAY BE A CANDIDATE FOR AN OLD DRUG WITH A NEW PURPOSE: KETAMINE. 'We'll have this all cleared up in 6 weeks- and I'm like- I don't think so.' 'I do not believe in easy buttons.' 'There`s nothing we`ve seen honestly more amazing than with IV ketamine treatments.' KETAMINE WAS INTRODUCED IN THE 60`S AND USED WIDELY IN THE MEDICAL COMMUNITY FOR PAIN MANAGEMENT, ANESTHESIA, AND AS AN ANIMAL TRANQUILIZER... THEN IT BECAME KNOWN AS A PARTY DRUG...SPECIAL K, KIT KAT, GOING DOWN THE K HOLE... it has a bit of a sordid past, but it is potentially one of the best interventions that we will have in the future for major depression.' 'Unlike most of our current medications that we are currently using now, it works directly on one of the neurotransmitters and the receptors for those neurotransmitters to make connections in the brain much faster than our traditional medicines.' TRADITIONAL MEDICINES CAN TAKE WEEKS OR MONTHS TO WORK...KETAMINE CAN TAKE LESS THAN AN HOUR. "we can actually use it for people that are in crisis, people that are suicidal, the effects seem to be dramatic.' KETAMINE IS FDA

APPROVED FOR ANESTHESIA, BUT NOT FOR DEPRESSION. BUT DR. DARRIN D'AGOSTINO SAYS THAT DOESN'T MEAN IT DOESN'T WORK... 'The FDA doesn't have an indication for that, which doesn't make it illegal to use, it just means we don't have the science behind it to support the dosing and the regimen for use.' DOCTORS AND RESEARCHERS HAVEN'T COME TO AN AGREEMENT ON THE PROPER DOSING AND TIMING FOR KETAMINE- AND THEY ALSO DON'T KNOW THE LONG TERM EFFECTS OF USING THE DRUG FOR DEPRESSION TREATMENT. RECREATIONAL USERS CAN BECOME PSYCHOLOGICALLY ADDICTED AND OFTEN HAVE LONG-TERM HEALTH ISSUES.. 'The long term repetitive use effects in recreational drug users is significant, we see kidney damage, we see psychosis, we see a number of different things from repetitive use recreationally.' DOCTORS SAY THE RISK OF ABUSE IS ONE REASON THAT CURRENT ADDICTS ARE NOT IDEAL CANDIDATES FOR KETAMINE TREATMENTS - AND FORMER ADDICTS HAVE TO BE EVALUATED ON A CASE BY CASE BASIS... 'Generally we want to see that a patient has tried at least 2 or three other treatments.' THE KETAMINE INFUSION LASTS FOR ABOUT 40 MINUTES. GRETA SAYS - AFTER ONE TREATMENT- THE SUICIDAL THOUGHTS ENDED...AND AFTER THREE TREATMENTS SHE FELT NOTICEABLY DIFFERENT. 'It was like being in an extremely loud room for a long time and all the sudden, the noise turns off, it was dead silent.' 'it's not as though it was instantly replaced by 'oh I'm so happy- but it was like- wow...nice.' BUT LIVING WITHOUT DEPRESSION WAS AN ADJUSTMENT FOR GRETA.. 'It'll take a long time of feeling good to undo a long time of feeling bad.' AND THAT'S WHY DR. DAGOSTINO SAYS KATEMINE NEEDS TO BE USED WITH CAUTION AND GUIDANCE FROM A PHYSICIAN... 'Have a very in-depth conversation about what to expect, it is not a miracle drug, but it will change the depressive symptoms dramatically.' AND FOR GRETA THAT'S WHAT KETAMINE DID... 'It sounds kind of cliché- I feel restored to the person that I always knew I was but for a long time I was not.' SOMEONE WHO ENJOYS THE MUSIC...WITHOUT HAVING TO BLOCK OUT THE ROAR OF DEPRESSION.

ANTI-VAXERS IN NEW YORK.... THEY'VE FUELED THE LARGEST OUTBREAK OF MEASLES IN THE US IN MORE THAN 20 YEARS. NOW - THE STATE'S RESPONSE TO THIS ENORMOUS OUTBREAK -- COMING UNDER FIRE. (Brad Hoylman/(D) New York State Senate) Our state's inaction in the face of such an overwhelming public health emergency is appalling. IN NEW YORK, PARENTS ARE ALLOWED TO SEND THEIR UNVACCINATED CHILDREN TO SCHOOL... IN OTHER STATES, LIKE CALIFORNIA, SCHOOLCHILDREN MUST BE VACCINATED. ALSO UNDER FIRE... HEALTH AUTHORITIES... FOR NOT BRINGING IN THE US CENTERS FOR DISEASE CONTROL AND PREVENTION. (Dr. Oxiris Barbot/Commissioner) I have more than 400 people working on this outbreak / we are working hard, day and night, to make sure to bring this to an end. ANOTHER ISSUE: AN ANTI-VACCINATION GROUP CIRCULATED THIS BOOKLET, FILLED WITH LIES, TO THE STATE'S ULTRA-ORTHODOX JEWISH COMMUNITY, WHICH HAS NOW BECOME THE EPICENTER OF THE OUTBREAK. THE STATE HEALTH DEPARTMENT COUNTERED WITH THESE POSTERS IN YIDDISH, BUT BADLY BOTCHED THE TRANSLATION. AVI GREENSTEIN RUNS THE LARGEST COMMUNITY CENTER IN BORO PARK, BROOKLYN. (Avi Greenstein/CEO, Boro Park Jewish Community Council) They got to do this right, and they clearly were not doing it right HE SAYS THE BOTCHED ADS WERE PART OF A LARGER PROBLEM. (Avi Greenstein/CEO, Boro Park Jewish Community Council) They have to reach out in a way that shows they truly get how this community works, the uniqueness of this community EC: AND HAVE THEY DONE THAT? (Avi Greenstein/CEO, Boro Park Jewish Community Council) I think they could have done a better job with that. i think it's clear, it's evident that they could do a better job on that. NOW ONE GROUP OF ULTRA-ORTHODOX JEWISH WOMEN ARE TAKING MATTERS INTO THEIR OWN HANDS - HOLDING A FIRST OF ITS KIND EVENT - AIMED SPECIFICALLY AT MOTHERS. Elizabeth Cohen: the women who organized this event, they're trying to do something different than what state officials have done. they've set up these stations because they know what moms in their community are worried about. do vaccines cause sids? do vaccines cause autism? the answer to both of these questions is no. THE ORGANIZERS HOPE - IT MAKES A DIFFERENCE... EC: could women, could moms, be the key to ending this outbreak? (Shoshana Bernstein/Organizer) yes, i think so. EC: why is that? (Shoshana Bernstein/Organizer) because women are passionate about their children. if there's enough understanding the correct decisions will be made. WITH DOZENS OF NEW CASES EVERY WEEK - THEY'RE DECISIONS THAT NEED TO BE MADE SOON.
