Public File

Monday: The issue on this broadcast posed the question “ Will You be Raptured?” Brian Miller discussed the faith issues that go into answering that question and what it says about those who security is in God. The host was Anissa Porticelli.

Tuesday & Wednesday: The issue on this broadcast was a discussion on whether election winners in races in the United States should be changed from majority or plurality to ranked vote results that winnow down candidates before a final votes produces a winner. Dr. Jospeh Coll was the guest and Paul Kretschmer the host.

Thursday: The issue on this broadcast was manufacturing in Connecticut and how to bring skilled production back to the state. The guest was US House Third District Representative Rosa DeLauro whose district includes Middletown. She proposed law and incentives to encourage companies to move to the state or establish new businesses. The host was Paul Kretschmer.

Friday & Saturday: The issue on this broadcast was how to protect gun rights under the US Constitution. Host Gerry Williams attended a “Protect Gun Rights” rally and spoke to participants about their views.
