As part of its 30th anniversary year, The Track Family Fun Parks in Branson is making a nearly three million dollar upgrade to two of its facilities. Track 4 next to the Lodge of the Ozarks will feature a new high-rise go-kart track constructed of steel and concrete that rises 40 feet in the air. Track 3, across from the Andy Williams theater will take on a new look with additional go-kart tracks as well as an expanded building that will offer greater flexibility for indoor activities. Construction is underway and is scheduled for completion in the spring of 2011.

This is Fire Prevention Week, and area fire departments will be visiting local schools and civic groups to teach fire safety. Fire Prevention Officer Randy Fogle says the Branson Fire Department will be presenting age-appropriate messages to all age groups, even pre-schoolers at area day care centers. The fire prevention focus this year is on smoke alarms. Fogle says smoke alarms older than 10 years should be replaced. Batteries should be changed twice a year. A good way to remember; change the batteries when you change your clock
