Dear Ms. Dortch:

Pursuant to Section 73.1350(h) of the Commission's rules, this letter shall serve as notification that the above-referenced television station is establishing a transmission system control point in a location other than the main studio or transmitter.

The Station has installed a system that will allow its transmission system to be controlled remotely from the studio of co-owned television station KTTC, at 6301 Bandel Road NW, Rochester, Minnesota 55901 (Phone: 507-288-4444). The transmission system for KWWL is also still controlled directly from the station's main studio at 500 East Fourth Street Waterloo, Iowa 50703 (Phone: 319-291-1200) and from the station's transmitter site at the tower associated with ASR No. 1025917, which is at 2698 Lucas Avenue, Rowley, Iowa 52329.

Please contact the undersigned should any questions arise in connection with this matter.

Sincerely,

Stephen Hartzell
