

ADDENDUM to National Taxpayers Union order 1317040009

Order was revised, while running, to include an additional 3 “no charge spots” making the total spots 35. Reason for change was that the wrong copy ran on three line items.

No change to invoice \$\$ amount so no refund will be due. Revised order confirm and Invoice 3314063466 added to Public File along with this Addendum (separate line items).
