Description of the Transaction and Request for Waivers

This application is one of two contemporaneously-filed applications on FCC Form 2100, Schedule 314 (the “Applications”),¹ which collectively request Commission consent to the assignment of various broadcast licenses held by indirect, wholly-owned subsidiaries of Alpha Media Holdings LLC, Debtor-in-Possession (“Alpha”), as debtors in possession, to those same licensees as non-debtors in possession following their emergence from bankruptcy. These licensees, Alpha Media Licensee LLC and Alpha 3E Licensee LLC (the “Alpha Licensees”)² together with Alpha and other affiliated entities (collectively, the “Alpha Debtors”), are currently being operated under the protection of Chapter 11 of the U.S. Bankruptcy Code in consolidated cases before and under the supervision of the United States Bankruptcy Court for the Eastern District of Virginia, Richmond Division (“Bankruptcy Court”).³ The Alpha Licensees seek FCC permission to effect this transaction in two steps, allowing the Alpha Debtors to emerge more quickly from bankruptcy protection and deferring consideration of the proposed final ownership structure—which will include foreign ownership above 25%—to step two, as described in the Request for Temporary and Limited Waiver below.

On January 24, 2021, the Alpha Debtors filed with the Bankruptcy Court a Joint Plan of Reorganization (as may be further amended, supplemented, or otherwise modified, the “Plan”).⁴

¹ As discussed with the Audio Division staff, because of certain issues with the LMS database, the Applications may be subdivided.

² The specific authorizations held by each of the above Alpha Licensees are identified as the “Authorizations to Be Assigned” in the Form 2100, Schedule 314 application for the relevant Alpha Licensee.

³ See *In re Alpha Media Holdings LLC, et al.*, Case No. 21-30209 (Chapter 11) (Bankr. E.D. Va.) (Jointly Administered). The Plan was amended on February 17, 2021, and a copy of the amended plan has been submitted with the Applications.

⁴ All documents related to the Alpha Debtors’ bankruptcy and emergence can be found on a real-time basis in the Bankruptcy Court docket of the cases, available online at <https://pacer.uscourts.gov/>. The Alpha Debtors also maintain a website where these documents are available at no cost <https://cases.stretto.com/AlphaMedia>. To the extent that documents relating to the bankruptcy case have not been supplied with this application or amendments thereto, such documents consist of material that is proprietary and/or not germane to the Commission’s evaluation of this application. Such information will be provided to the Commission upon request, subject to the parties’ rights to submit such material subject to regulations restricting public access to confidential and proprietary information. Accordingly, the questions pertaining to whether the documents submitted with the Applications embody the complete and final understanding between Assignor and Assignee have been answered “No.”

The Alpha Debtors expect to complete the contemplated restructuring and successfully emerge from Chapter 11, subject to receipt of FCC consent to the Applications, among other things.

As depicted in the chart attached as Schedule 1, each of the Alpha Licensees is currently indirectly controlled by Alpha Media USA LLC (“Alpha Media USA”), which is wholly and directly controlled by Alpha. Under the terms of the Plan, there will be a transfer of control of the Alpha Licensees as follows: (a) 100% of the equity interests in Alpha Media USA will be transferred from Alpha to New Alpha, a U.S.-organized corporation, and (b) equity interests and warrants in New Alpha will be issued to certain second lien noteholders, as described more specifically below.⁵ The New Alpha equity interests and the warrants will be distributed in a manner that ensures compliance with the Communications Laws, including by issuing warrants in lieu of equity interests to entities whose foreign ownership would cause indirect foreign ownership in the Alpha Licensees to exceed 25%, subject to the grant of a petition for declaratory ruling to be filed after grant of this Application, as described in the Request for Temporary and Limited Waiver below.

The New Alpha equity interests distributed at emergence will be voting interests. The New Alpha warrants will carry no voting rights, and no rights to economic distributions.⁶ The warrants will also, by their terms, prohibit a holder from exercising the warrants if to do so would cause the Alpha Licensees to violate the Communications Laws.⁷

Changes in Interests Upon Emergence from Bankruptcy and Foreign Ownership Compliance

Changes in Interests

Upon emergence from bankruptcy, New Alpha will wholly and directly control Alpha Media USA. A chart depicting the proposed ownership structure upon emergence below New Alpha and through the Alpha Licensees is provided as Schedule 2. New Alpha, Alpha Media USA, and each of the Alpha Media USA subsidiaries are all organized under the laws of U.S. states.

No single party will hold a controlling interest in New Alpha. New Alpha will have only a single class of stock and as a result, direct and indirect equity and voting interests in New Alpha will be identical. MetLife, Inc. (“MetLife”), primarily through its indirect subsidiary, MetLife Private Equity Holdings, LLC (“MPEH”), will control 43.7% of the equity and voting interests in New Alpha. Hamilton Lane Incorporated (“HLI”), through its indirect subsidiaries Florida Growth Fund LLC (“FGF”) and Hamilton Lane Strategic Opportunities 2016 Fund LP

⁵ New Alpha warrants in an amount presently not expected to exceed 5% will also be issued to certain exit first lien lenders, foreign accounts managed by Brigade Capital Management, LP, a global investment management firm based in New York City.

⁶ See Warrant Agreement, Section 6.1. A copy of the Warrant Agreement is provided with the Applications.

⁷ See Warrant Agreement, Sections 3.2(f)-(g), 7.16; see also *id.* Sections 5.3(b)-(c) (imposing similar restrictions on transfers and exchanges of warrants).

(“HLSOF”), will control 49% of the equity and voting interests in New Alpha. Intermediate Capital Group PLC (“ICG”), directly and through its indirect subsidiary ICG North America Holdings Ltd (“ICGNA”), will control approximately 5.8% of the equity and voting interests in New Alpha. No other parties will hold attributable interests in New Alpha upon emergence.

MPEH, FGF, and HLSOF are each U.S.-organized entities with minimal foreign ownership. MPEH and FGF will receive equity interests in New Alpha upon emergence but no warrants; while HLSOF will receive the majority of its interest in the form of equity, together with a small number of warrants.⁸ Other interest holders which are ultimately foreign-controlled, including ICG and ICGNA, will receive significant portions of their interests in the form of New Alpha warrants, rather than stock. As explained above, the New Alpha warrants carry no voting rights and cannot be exercised without securing all necessary Commission consents. Those interest holders holding equity interests of less than five percent are not identified in the Applications as attributable parties, and the warrant interests held by otherwise attributable parties have not been considered in the calculation of the voting and equity interests identified in the Applications. The ownership structure of the entities and individuals holding attributable interests in New Alpha are set forth in the charts contained in Schedule 3 hereto and described in more detail below.

Met Life-Controlled Entities

MPEH, a Delaware limited liability company, will hold 42.2% of the stock of New Alpha at emergence. MPEH is ultimately owned by MetLife, a publicly-traded Delaware corporation with 12% of its stock held by foreign owners. MetLife Insurance, K.K., a Japanese joint stock company, will hold 1.5% of the stock of New Alpha at emergence and, while it will not hold an attributable interest in Alpha, it is also ultimately controlled by MetLife. In total, the entities controlled by MetLife will be attributed with a 6.6% foreign ownership (voting and equity) interest in New Alpha.

HLI-Controlled Entities

HLI, a Delaware corporation, ultimately controls both FGF and HLSOF. HLI has two classes of stock, A and B, with voting control held by the Class B stock. The Class B stock is not publicly traded, is 100% owned and controlled by U.S. persons, and represents 85.8% of the voting control of HLI. The Class A stock, 3.4% of which is held by foreign owners, is publicly traded and represents 100% of the equity of HLI and 14.2% of the voting control of HLI. Accordingly, 3.4% of the equity and 0.5% of the voting of HLI are attributed to foreign owners.

FGF, a Delaware limited liability company ultimately controlled by HLI, will hold 27.7% of the stock of New Alpha at emergence. HLI, which as noted above has 0.5% of its voting interests held by foreign owners, holds 100% voting control of FGF. Thus, FGF will be attributed with a 0.14% (27.7% x 0.5%) foreign voting interest in New Alpha. HLI, which as noted above has 3.4% of its equity interests held by foreign owners, also holds a 64.6% equity interest in Hamilton Lane Advisors LLC (“HLA”), which in turn holds a 2% equity interest in FGF. The

⁸ Certain parties to the application will also hold debt interests in New Alpha after emergence.

remaining 98% of the equity of FGF is held by a U.S.-organized pension fund. Thus, FGF will be attributed with a 0.012% ($27.7\% \times 64.6\% \times 3.4\% \times 2\%$) foreign equity interest in New Alpha.

HLSOF, a Delaware limited partnership ultimately controlled by HLI, will hold 21.3% of the stock of New Alpha at emergence. HLI, which as noted above has 0.5% of its voting interests held by foreign owners, holds 100% voting control of HLSOF. Thus, HLSOF will be attributed with a 0.11% foreign voting interest in New Alpha. HLI, which as noted above has 3.4% of its equity interests held by foreign owners, also holds a 64.6% equity interest in HLA, which in turn holds a 1% equity interest in HLSOF. The remaining 99% of the equity of HLSOF is held by a mix of U.S. and foreign limited partners, with the foreign limited partners holding 38.4% of HLSOF's equity in the aggregate. Thus, HLSOF will be attributed with an 8.1% ($(21.3\% \times 3.4\% \times 64.6\% \times 1\%) + (21.3\% \times 38.4\% \times 99\%)$) foreign equity interest in New Alpha. And in total, the entities controlled by HLI will be attributed with a 0.25% foreign voting interest and an 8.1% foreign equity interest in New Alpha.

ICG- and Other Foreign-Controlled Entities

ICG, a U.K. private limited company, will directly hold 0.4% of the stock of New Alpha at emergence, and will indirectly—through ICGNA, a Cayman Islands corporation—control an additional 5.4% of the stock of new Alpha at emergence. These entities will be attributed with a 5.8% foreign ownership (equity and voting) interest in New Alpha.

Overall Foreign Ownership

As a result of the ownership structure described above, New Alpha will have approximately 14% of its voting interests, and approximately 22% of its equity interests, held by foreign entities. This is consistent with the Plan, which requires that no more than 23% of the voting or equity interests of New Alpha be held by foreign entities at emergence,⁹ and with the 25% limit on aggregate foreign ownership set forth in Section 310(b)(4) of the Communications Act, as amended.¹⁰

Alpha Management/Officers and Directors

New Alpha will be managed by a five-member board of directors. The board will consist of (1) Alpha's current Chief Executive Officer, D. Robert Proffitt; (2) one director designated by Hamilton Lane Incorporated; (3) one director designated by Intermediate Capital Group PLC; (4) one director designated by all of the equity holders (who will not be an employee or agent of a foreign equity holder), each of whom will vote in proportion to their equity holdings in New Alpha; and (5) an independent director who will be designated by the other four directors. Each member of the board will be required to possess the requisite qualifications to hold an attributable interest in the FCC licenses held by subsidiaries of New Alpha, and no member of

⁹ See Plan, Article V, Section F.

¹⁰ 47 U.S.C. § 310(b)(4).

the board will hold attributable interests in any other broadcast licensee that would conflict with the interests held in New Alpha. All matters before the board will be decided by majority vote.

Each of Alpha Media USA LLC, Alpha Media LLC, Alpha Media Licensee LLC, and Alpha 3E Licensee LLC will be member-managed by the LLC's direct parent, and Alpha's current Chief Financial Officer, John Grossi will serve as Secretary. The stock of each of Alpha 3E Corporation, Alpha 3E Holding Corporation and Alpha Media Communications Inc. will be wholly owned by the corporation's direct parent, Mr. Proffitt will serve as its sole director, and Mr. Grossi will serve as Secretary. Mr. Proffitt and Mr. Grossi are U.S. citizens and neither holds an attributable interest in any other media entity.

Attribution Exemption

MPEH is an investment subsidiary indirectly wholly-owned by MetLife, a publicly traded financial institution. MPEH is directly wholly owned by MetLife SP Holdings, LLC ("MSPH"), which is MPEH's sole member and manager. MSPH is in turn wholly owned by the Metropolitan Life Insurance Company ("MLIC"), which is MSPH's sole member and manager. MLIC is itself wholly owned by MetLife.

MPEH's investment in New Alpha is managed by MetLife Investment Management, LLC ("MIM"), also a wholly-owned subsidiary of MetLife. MLIC has entered into an investment management agreement with MIM pursuant to which MIM is authorized to make investment decisions with respect to MPEH's interest in New Alpha. Such decisions are to be made by MIM personnel and their managers. MLIC has not granted authority to any other MetLife-controlled or affiliated entity, nor the personnel, officers, director, or managers of such entities, to make any decisions regarding the day-to-day management or activities of New Alpha.

MPEH's interest in New Alpha constitutes an immaterial portion of the total assets of MPEH, MetLife, or any of MetLife's other subsidiaries or affiliates. As an investment subsidiary of MLIC, MPEH makes investments to support MLIC's insurance business from an asset-liability management perspective, but otherwise conducts no activities related to MLIC's primary businesses. MIM has been vested with authority within the MetLife structure with respect to MPEH's interest in New Alpha, and all operational decisions concerning that interest are made by certain designated members of MIM or those in their direct vertical line of management authority.

With the limited exception of Justin Ryvicker, Atif Ahabab, and David Yu, who constitute the managers of MIM and the direct vertical line of management authority between MPEH and MetLife, no entity or individual within the MetLife organization has any material involvement whatsoever in (1) matters pertaining to MPEH's investment in New Alpha; (2) the management or operations of New Alpha; or (3) the management or operation of any of the broadcast stations currently or hereafter to be owned or controlled by New Alpha.

MPEH and MetLife have committed to Alpha that, with the possible exception of the individuals identified in the list of Parties to the Application, the duties and responsibilities of the officers and directors of MPEH, MIM, MSPH, Metropolitan Life Insurance Company, and MetLife are wholly unrelated to the operations of New Alpha, and none of those officers and directors

exercises any authority or influence in areas that will affect New Alpha or any of the broadcast stations currently owned or hereafter acquired by New Alpha. MPEH and the other MetLife-controlled entities have further committed to Alpha that those individuals will recuse themselves from any matters pertaining to New Alpha or any of the broadcast stations owned or controlled by New Alpha that may come before them. Accordingly, these individuals are exempt from attribution and are not parties to this application. *See* 47 C.F.R. § 73.3555, Note 2(g).

Request for Temporary and Limited Waiver of Foreign Ownership Rules

Pursuant to Section 1.3 of the Commission's rules, the Alpha Licensees respectfully seek a temporary and limited waiver of Section 1.5000(a)(1) of the Commission's rules to the extent necessary to implement step one of the transaction. Grant of this waiver will permit the Alpha Debtors to emerge from bankruptcy before filing any petition for declaratory ruling that may be required with respect to foreign ownership exceeding the cap contained in Section 310(b)(4) of the Communications Act. Specifically, the Alpha Licensees request that they be allowed to file such a petition no later than 30 days following closing on the Plan that has been approved by the Bankruptcy Court and that has been submitted for approval to the Commission.¹¹

As detailed above, the Alpha Licensees believe that the emergence structure detailed in the Plan and described in the Applications fully complies with the Commission's rules, including its limitations on foreign ownership. The Alpha Licensees are not aware that the FCC or any of its bureaus has definitively determined to treat pre-paid warrants as equity. However, the Alpha Licensees understand that several bureau decisions have conditioned the grant of applications involving the issuance of warrants to foreign holders on prompt filing of a petition for declaratory ruling to permit the exercise of those warrants.

Submitting such a petition concurrently with the Applications, however, would delay the Alpha Debtors' emergence from bankruptcy for months at a minimum—and possibly longer. Accordingly, the Alpha Licensees seek a temporary and limited waiver that would permit them

¹¹ Grant of the instant requested temporary and limited waiver would be consistent with recent Commission decisions permitting bankrupt Commission licensees to use a two-step process in order to facilitate prompt emergence from Chapter 11. *See, e.g., Applications Granted for the Transfer of Control of Windstream Holdings, Inc., Debtor-in-Possession, and Subsidiaries*, Public Notice, 35 FCC Rcd 10076 (2020); *Applications Granted for the Transfer of Control of Fusion Connect, Inc., Debtor-In-Possession, and Subsidiaries*, Public Notice, 35 FCC Rcd 409 (WCB, IB 2020); *Lieberman Television of Dallas License LLC, Debtor-in-Possession et al.*, Order, 34 FCC Rcd 8543 (MB 2019). The proposed requirement to file a petition for declaratory ruling within 30 days is also consistent with the timeline for filing remedial petitions for declaratory ruling in 47 C.F.R. § 1.5004(f)(3).

to file the requisite petition for declaratory ruling after grant of the Applications and the Alpha Debtors' emergence from bankruptcy.

The Commission may waive its rules for good cause shown. Here, the good cause consists of "facilitating the successful resolution of a bankruptcy proceeding," which raises very different public interest considerations than an ordinary-course license transfer or assignment. In this case, and as noted above, the Alpha Debtors will emerge from the bankruptcy proceeding pursuant to a process supervised and administered by the Bankruptcy Court, and in accordance with applicable federal and state bankruptcy and insolvency laws.

The Bankruptcy Court's equitable powers and role in overseeing the process and approving the Plan represents a significant and substantive difference from the situation in which warrants are issued in the context of a privately-negotiated license acquisition and may be treated as present equity by the Commission because of any attendant element of control. More specifically:

- Bankruptcy law and the rules of the bankruptcy process constrain the flexibility that a company and its various stakeholders would otherwise have in the privately negotiated context to implement changes to the company's capital structure. Here, the Bankruptcy Court is closely supervising the plan of reorganization process.
- Unlike a privately negotiated transaction, the bankruptcy process is open to diverse participants in a court-supervised setting, including secured and unsecured debt holders, trade creditors, vendors, stockholders, government entities, and any other parties with claims of interest. For example, in addition to parties with direct claims or interests in the Alpha Debtors, the Office of the United States Trustee (the "U.S. Trustee") will play active an role in the Alpha Debtors' Chapter 11 cases, including with respect to formulation of and approval of the Plan under the supervision of the Bankruptcy Court.
- Bankruptcy restructurings utilize open dockets where the public has access to the pleadings and filings in real time. For example, all pleadings and filings made in connection with the Alpha Debtors' Chapter 11 cases are made accessible to the public by the Federal Judiciary at <https://pacer.uscourts.gov/>. In addition, in connection with their Chapter 11 cases, the Alpha Debtors maintain a website where all pleadings and filings are made accessible to the public at no cost. See <https://cases.stretto.com/AlphaMedia>.
- In a bankruptcy restructuring, warrants and other securities or debt instruments are typically issued to stakeholders who had a pre-existing debt or equity interest in the predecessor-in-bankruptcy entity in conversion of that debt or equity. In this case, the Plan contemplates issuance of warrants, debt instruments, and common stock to holders of the Alpha Debtors' predecessor-in-bankruptcy's pre-existing funded indebtedness.
- Creditors receiving equity or debt instruments in bankruptcy presumably made their prior investment, financing, or contractual commitments in the licensee in transactions that complied with the Commission's reporting and ownership rules.

Grant of this request would serve the public interest because it would expedite the Alpha Debtors' emergence from the bankruptcy process consistent the Commission's stated practice to

accommodate federal bankruptcy law when doing so will not unduly interfere with its public interest obligations under the Act.¹² “It is the Commission’s policy to support the bankruptcy laws, and where possible to accommodate them in a manner that is consistent with the Act.”¹³ Facilitating successful emergence from bankruptcy “advances the public interest by providing economic and social benefits, especially the compensation of innocent creditors.”¹⁴ Permitting the Alpha Debtors to emerge from bankruptcy more quickly will also avoid significant additional administrative costs that the Alpha Debtors would incur in a protracted bankruptcy proceeding.¹⁵ And prompt emergence will allow the Alpha Debtors to more quickly focus their attention and resources exclusively on serving Alpha station listeners.¹⁶

At the same time, grant of this request will not interfere with the Commission’s public interest obligations because: (1) the Alpha Licensees will file a petition for declaratory ruling within 30 days after closing on the proposed transaction and will accept as a condition of grant the filing of any such petition, and (2) the New Alpha warrant holders cannot convert the warrants to equity until such time as the Commission grants that petition, and (3) the use of pre-paid warrants in this context is solely to facilitate the Alpha Debtors’ emergence from bankruptcy.

For the reasons set forth above, the Commission should grant a temporary and limited waiver pursuant 47 C.F.R § 1.3, of any requirement that may apply under 47 C.F.R. §1.5001(a)(1) to file a petition for declaratory ruling to obtain Commission approval, and to obtain such approval, prior to exceeding the cap on foreign investment specified 47 U.S.C. § 310(b)(4). The Alpha Licensees request that they instead be allowed to file a petition for declaratory ruling 30 days

Request for Waiver of Auction Rules

Pursuant to Section 1.3 of the Commission’s rules, the Alpha Licensees also respectfully seek a waiver of the FCC’s auction-related rules¹⁷ to the extent necessary to facilitate their participation in Auction 109 for AM and FM broadcast station construction permits, which may require the submission of applications disclosing ownership information prior to Alpha’s emergence from bankruptcy.¹⁸ The Alpha Licensees understand that grant of such a waiver will be conditioned upon New Alpha and the Alpha Licensees’ meeting all of their auction-related obligations and continuing to possess all qualifications necessary to hold any licenses.¹⁹ The Alpha Licensees submit that a waiver is appropriate to allow New Alpha to emerge from bankruptcy into the ownership structure proposed herein without violating whichever of these rules may apply at the time of consummation and would otherwise permit an auction applicant, including any winning bidder, from engaging in a transaction that amounts to a transfer of control prior to filing a long-form license application and/or prior to grant of such licenses to the winning bidder.²⁰

The FCC’s Office of Economics and Analysis (“OEA”) and Wireless Telecommunications Bureau (“WTB”) recently granted similar waivers to Windstream Holdings, Inc., recognizing that doing so was “appropriate in the particular circumstances of a court-approved bankruptcy proceeding which had commenced long prior to the deadline for filing an application to participate in” an FCC auction.²¹ The *Windstream* decision found that waiver of auction-related rules helps to achieve the public benefit of facilitating prompt emergence from bankruptcy and ensuring that a company emerging from bankruptcy during the course of an FCC auction can acquire spectrum to support ongoing viability and improve service to the public.²² Moreover, OEA and WTB determined that grant of a waiver of auction rules in the specific context of a pending bankruptcy proceeding would “not undermine the purposes of the rules prohibiting

¹⁷ See 47 C.F.R. §§ 1.2105(c)(2), 1.2107(c), 1.927(h). Section 1.2105(c)(2) of the Commission’s rules prohibits an auction applicant from making any major modifications to a short-form auction application. 47 C.F.R. § 1.2105(c)(2). Section 1.2107(c) requires an auction participant to submit a long-form application within ten business days of receiving notification that it is a winning bidder in the auction. 47 C.F.R. § 1.2105(c)(2). Section 1.927 prohibits a winning bidder from making any major modifications to their long-form application after the submission deadline. 47 C.F.R. § 1.927.

major modifications and there is a stronger public interest benefit in granting the waivers than in applying the rule.”²³ The prohibition on long-form applications is intended to “promote[] transparency” and “safeguard against speculative bidding by those that might seek to “shop” winning bids to undisclosed third parties,” but those interests do not apply where—as in *Windstream* and here—applicants have disclosed their pending bankruptcy proceeding and the potential future real parties-in-interest.²⁴ And, “the alternative of postponing consummation until the major modification restriction no longer applies” (i.e., until after the auction concludes) “is not a reasonable alternative because the financial repercussion of such delay might jeopardize [an applicant’s] ability to continue to provide uninterrupted services.”²⁵ The Alpha Licensees thus submit that waiver of auction-related rules that might apply is appropriate for the same reasons here.

²⁴ *Id.* Although *Windstream* had already filed applications to participate in wireless auctions at the time that it was granted it a waiver, the Alpha Licensees submit that the same considerations apply in the context of Auction 109 even though the deadline for applications to participate has not yet been set.

Alien Ownership Exhibit

Pursuant to Section 1.3 of the Commission's rules, the Alpha Licensees respectfully seek a temporary and limited waiver of Section 1.5000(a)(1) of the Commission's rules to the extent necessary. Grant of this waiver will permit the Alpha Debtors to emerge from bankruptcy before filing any petition for declaratory ruling that may be required with respect to foreign ownership exceeding the cap contained in Section 310(b)(4) of the Communications Act, as detailed in the Description of Transaction and accompanying waiver request.

Waiver Exhibit

Please see Description of Transaction exhibit.

Multiple Ownership

The instant application is one of two concurrently filed applications on FCC Form 2100, Schedule 314 which collectively seek Commission consent to the assignment of the more than 200 radio stations controlled by Alpha Media Holdings LLC (“Alpha”) as debtor-in-possession to license subsidiaries of Alpha upon emergence from bankruptcy.

I. Overview

Alpha’s emergence from bankruptcy will not create any new combination of stations in any given local radio market, and no party to this application holds any other attributable media interests. This exhibit consists of demonstrations of continued compliance of existing Alpha station combinations with the local radio ownership rule (Alpha’s operations do not trigger any other of the FCC’s multiple ownership rules). Section II addresses Alpha stations assigned to Nielsen Metro markets. Section III addresses contour overlap combinations that include stations that are neither “home” to nor geographically within any Nielsen Metro market. These contour overlap combinations are analyzed in detail in the Contour Report of Guest Technology, LLC attached hereto.

II. Nielsen Metro Showings

1. Amarillo, TX

Alpha owns the following 3 FM and 1 AM stations that are “home” to and licensed to communities geographically within the Amarillo, TX Nielsen Metro, as reported by BIA:

Calls	AM/FM	Fac. ID	City	ST	Nielsen Metro

KGNC-FM	FM	63161	Amarillo	TX	Amarillo, TX
KXGL	FM	39781	Amarillo	TX	Amarillo, TX
KVWE	FM	39892	Amarillo	TX	Amarillo, TX

As demonstrated in the BIA printout attached, the Amarillo Metro contains 35 full power radio stations, allowing common ownership of 7 stations, no more than 4 of which may be in the same service. Therefore, Alpha’s common ownership of 3 FM stations and 1 AM stations in the market complies with Section 73.3555(a) of the Commission’s rules.

2. Anchorage, AK

Alpha owns the following 4 FM and 2 AM stations which are “home” to and licensed to communities geographically within the Anchorage, AK Nielsen Metro, as reported by BIA:

As demonstrated in the BIA printout attached, the Anchorage Metro contains 31 full power radio stations, allowing common ownership of 7 stations, no more than 4 of which may be in the same service. Therefore, Alpha’s common ownership of 4 FM stations and 2 AM station in the market complies with Section 73.3555(a) of the Commission’s rules.

3. Bakersfield, CA

Alpha owns the following 3 FM and 1 AM stations which are “home” to and licensed to communities geographically within the Bakersfield, CA Nielsen Metro, as reported by BIA:

Calls	AM/FM	Fac. ID	City	ST	Nielsen Metro

KNZR	AM	7715	Bakersfield	CA	Bakersfield, CA
KNZR-FM	FM	8109	Shaffer	CA	Bakersfield, CA

As demonstrated in the BIA printout attached, the Bakersfield Metro contains 51 full power radio stations, allowing common ownership of 8 stations, no more than 5 of which may be in the same service. Therefore, Alpha’s common ownership 3 FM stations and 1 AM station in the market complies with Section 73.3555(a) of the Commission’s rules.

4. Canton, OH

Alpha owns 1 FM and 1 AM station which are “home” to and licensed to communities geographically within the Canton, OH Nielsen Metro, as reported by BIA:

5. Chicago, IL

Alpha owns the following 4 FM and 3 AM stations which are “home” to and licensed to communities geographically within the Chicago, IL Nielsen Metro, as reported by BIA:

WXLC	FM	10451	Waukegan	IL	Chicago, IL
WLIP	AM	28478	Kenosha	WI	Chicago, IL

As demonstrated in the BIA printout attached, the Chicago Metro contains 137 full power radio stations, allowing common ownership of eight stations, no more than five of which may be in the same service. Therefore, Alpha’s common ownership of 4 FM stations and 3 AM stations in the market complies with Section 73.3555(a) of the Commission’s rules.

6. Columbia, SC

Alpha owns the following 4 FM and 1 AM stations which are “home” to and licensed to communities geographically within the Columbia, SC Nielsen Metro, as reported by BIA:

WSCZ	FM	54576	Winnsboro	SC	Columbia, SC

As demonstrated in the BIA printout attached, the Columbia Metro contains 30 full power radio stations, allowing common ownership of eight stations, no more than five of which may be in the same service. Therefore, Alpha’s common ownership 4 FM stations and 1 AM station in the market complies with Section 73.3555(a) of the Commission’s rules. Certain of these stations have overlapping principal community contours with Alpha station WSCZ(FM), as addressed in the Contour Report.

Calls	AM/FM	Fac. ID	City	ST	Nielsen Metro
KLAK	FM	36265	Tom Bean	TX	Dallas-Ft. Worth, TX

Alpha’s ownership of this single FM station in the Dallas-Ft. Worth Metro complies with the local radio ownership rule. KLAK(FM), however, is licensed to a community outside the Dallas-Ft. Worth Metro. A contour overlap showing relating to KLAK(FM), together with two overlapping non-Metro stations, KMKT(FM), Bells, TX (Fac. ID 77588) and KMAD-FM is analyzed in the Contour Report.

Common ownership of a single AM station and a single FM station is permissible in any market; thus, Alpha’s proposed ownership of KCOB(AM) and KCOB-FM complies with Section 73.3555(a) of the Commission’s rules. KCOB(AM) and KCOB-FM have overlapping principal

CONTOUR REPORT

This technical report is provided to demonstrate FCC local radio ownership rule compliance for certain aural broadcast markets formed by the assignment of the more than 200 radio stations controlled by Alpha Media Holdings LLC (“Alpha”) as debtor-in-possession to license subsidiaries of Alpha upon emergence from bankruptcy. As discussed in this comprehensive multiple ownership exhibit, certain stations subject to this application are neither home to nor geographically located within any Nielsen Metro market. This report by Laramie Guest of Guest Technology, LLC illustrates the requisite contour analysis to define the markets created by these stations and others to be commonly owned by Alpha, and demonstrates that the transfer would fully comply with Section 73.3555(a) of the Commission’s rules.

Contour-Defined Markets

As demonstrated by this study, each of the combinations in the contour-defined markets complies with Section 73.3555(a) of the Commission’s rules.

The table below contains an overview of the stations currently owned and that would be commonly-owned by Alpha in each defined market post-closing, and the total number of stations in the market for purposes of analysis under the Commission’s local radio ownership rules. Further discussion concerning compliance in each market follows.

Licensee shall invoice Broker, on a monthly basis, for payments due under Paragraph 2(b) and Broker shall make payments so invoiced (and not disputed) to Licensee within ten (10) business days after receipt of such invoice. Payments for any partial period shall be reduced pro rata.

3. **Term.** The term of this Agreement (the "Term") shall commence on January 1, 2018 (the "Commencement Date") and shall expire five (5) years thereafter, unless earlier terminated in accordance with the terms hereof.

4. **Programs.** Broker shall furnish or cause to be furnished the personnel and materials for its programming to be broadcast on the Station which shall be in accordance with the rules, regulations and policies of the FCC and the Communications Act of 1934, as amended (the "Act"). Broker shall make available to Licensee its programming during a sufficient number of hours to enable the Station to meet the minimum hours of operation required under the FCC's rules. All advertising messages and promotional material or announcements shall comply in all material respects with all applicable federal, state and local laws, regulations and policies and shall be in accordance with the rules, regulations and policies of the FCC. Notwithstanding anything in this Agreement to the contrary, Licensee may broadcast such public affairs and non-entertainment programming as it deems necessary to meet the needs of the residents of Utica, Mississippi and the surrounding area, consisting of up to 2 hours per week (or other such period of time as the Commission may establish for Time Brokerage Agreements of this type) to be aired on Sunday mornings or at other times to

be agreed upon by Licensee and Broker.

5. **Station Facilities.**

(a) The Station will operate throughout the Term of this Agreement in accordance with the FCC Licenses for the Station. Any routine or non-emergency maintenance work affecting the operation of the Station at full power shall be scheduled with at least forty-eight (48) hours prior notice to the Broker and performed between 10:00 p.m. and 5:00 a.m. C.S.T.

(b) If the Station suffers any loss or damage of any nature to its transmission facilities which results in the interruption of service or the inability of the Station to operate with its maximum authorized facilities, Licensee shall immediately notify Broker and shall undertake, at his own expense, such repairs as are commercially reasonable to restore full-time operation of the Station with its maximum authorized facilities at the earliest practicable time.

6. **Public File.** Licensee shall retain sole responsibility for the Station's compliance with the Act and the FCC's rules and policies, including those regarding the maintenance of the public inspection file. Licensee shall also be responsible for handling mail, emails and telephone calls received in connection with programs broadcast hereunder and with Station operations in general. Broker shall coordinate with Licensee to ensure that such correspondence and contact is timely forwarded to Licensee.

7. **Programming and the Public Interest.** The programming provided by Broker shall consist of such materials as are determined by Broker to be appropriate and/or in the public interest including, without limitation, such public affairs, public

service announcements, music, news, weather reports, sports, promotional material, commercials and advertising as Broker shall determine in the exercise of its reasonable discretion. Licensee shall have the full and unrestricted right to preempt and not broadcast any material contained in any part of Broker's programming which it regards as being unsuitable for broadcast or the broadcast of material which it believes, in its sole discretion, would be contrary to the public interest; provided, however, that Licensee shall exercise such rights in good faith and not for purposes of commercial advantage. In the event of any preemption, Licensee shall make a pro-rata adjustment to the monthly Fee payments required of Broker pursuant to Paragraph 2 hereinabove or, at Broker's option, to pay Broker all revenues received by Licensee from the sale or use of the broadcast time not made available to Broker. Licensee acknowledges that it is familiar with the type of programming Broker currently produces or licenses and has determined that the broadcast of such programming on the Station would serve the public interest.

8. **Responsibility for Employees and Expenses.** Broker shall employ and be responsible for the salaries, commissions, taxes, insurance and all other related costs for all personnel involved in the production, broadcast and sale of its programming and commercial messages, including, but not limited to, on-air personalities, engineering personnel, salespersons and traffic personnel (including a manager who will report to Licensee and will direct the day-to-day operations of the Station, and who shall have no employment, consulting or other relationship with Broker; and a second employee who will report and be solely accountable to the manager, but only as long as such

JSA

employees are required by the FCC). Broker shall be responsible for delivering the programming and/or the broadcast signal to Licensee's Station. Licensee agrees to be responsible for all Station personnel necessary for the broadcast transmission of Broker's programming and agrees to be solely responsible for the salaries, taxes, insurance and related costs for the Station and all Station personnel it employs to ensure the broadcast transmission of Broker's programs (i.e., subject to reimbursement by Broker as set forth in Paragraph 2 hereinabove). Broker shall be fully responsible for the supervision and direction of its employees and Licensee shall be fully responsible for the supervision and direction of its employees. Broker shall be solely responsible for payment of all expenses associated with program production, including telephone costs and any copyright/performing rights fees (including, but not limited to, ASCAP, BMI and SESAC) attributable to its programming broadcast on the Station pursuant to this Agreement.

9. **Advertising and Programming Revenues.** Except as otherwise provided herein, Broker shall retain all revenue from (a) the sale of its advertising or program time on the programs it delivers to the Station or from promotions aired on such programs and (b) any other revenue generated by Broker with respect to the Station.

10. **Operation of Station.** Notwithstanding anything to the contrary contained in this Agreement, Licensee shall have ultimate authority and power over the operation of the Station during the Term of this Agreement. Licensee shall retain control over the policies, programming and operations of the Station, including, without limitation (a) the right to decide whether to accept or reject any programming or advertisements, (b) the right to preempt any programs not in the public interest or in order to broadcast a

program deemed by the Licensee to be of greater national, regional or local interest and (c) the right to take any other actions necessary for compliance with federal, state and local laws; the Act and the rules, regulations and policies of the FCC (including the prohibition on unauthorized transfers of control); and, the rules, regulations and policies of other federal government entities, including the Federal Trade Commission and the Department of Justice. Licensee shall at all times be solely responsible for meeting all of the FCC's requirements with respect to public service programming, for ascertaining the needs and interests of his service area and community of license, maintaining the political and public inspection files and the Station logs, and for the preparation of the quarterly issues/programs lists. Licensee shall also retain the right to interrupt Broker's programming in the case of an emergency (at no cost to Licensee, unless said preemption shall last for more than 30 minutes, in which event Licensee shall make a pro-rata adjustment to the monthly Fee payments required of Broker pursuant to Paragraph 2 hereinabove or, at Broker's option, shall pay Broker all revenues received by Licensee from the sale or use of the broadcast time not made available to Broker).

Broker shall, upon request by Licensee, provide Licensee with information regarding those programs of Broker which are responsive to the community's needs and interests, so as to assist Licensee in the preparation of its required programming reports, and will provide upon reasonable request such other records and reports required by the FCC or other local, state or federal government entities.

11. **Station Identification.** Licensee, in coordination with Broker, shall be responsible for broadcast of Station identification announcements as required by FCC rules and regulations.

12. **Special Events.** Licensee reserves the right, in its sole discretion, to preempt the broadcast of Broker's programming for broadcast of special programs of public importance. In all such cases, Licensee shall use its best efforts to give Broker at least 48 hours prior notice of its intention to preempt Broker's programming and, in the event of such preemption, Licensee shall make a pro-rata adjustment to the monthly payments required of Broker pursuant to Paragraph 2 hereinabove or, at Broker's option, shall pay Broker all revenues received by Licensee from the sale or use of the broadcast time not made available to Broker.

13. **Political Advertising.** Broker shall cooperate with Licensee in Licensee's effort to comply with equal time and reasonable access requirements under the Act and FCC rules and policies for political advertising. Broker shall supply such reasonable information promptly to Licensee as may be necessary to comply with the lowest unit charge requirements of federal law. To the extent that Licensee believes it necessary (and in Licensee's sole discretion), Broker shall release advertising availabilities to Licensee to permit it to comply with his reasonable access and equal time obligation under Section 315 of the Act, and the rules and regulations of the FCC; provided, however, that all revenues realized by Licensee as a result of such a release of advertising time shall promptly be remitted to Broker. In any event, with respect to the Station, Licensee shall oversee and take ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC.

14. **Licensee's Representations, Covenants and Warranties.** Licensee hereby represents, covenants and warrants to Broker that, upon execution and during

the Term of this Agreement:

(a) Licensee has full power and authority to enter into and carry out this Agreement.

(b) All FCC authorizations necessary for the operation of the Station as currently conducted are held by the Licensee, are in full force and effect, and will continue to be held by Licensee (or its permitted assigns) and maintained in full force and effect during the Term.

(c) The Station will be operated in conformity with applicable local, state and federal laws, rules and regulations, including, without limitation, the Act, and the rules and regulations of the FCC.

(d) The transmitting facilities of the Station will be maintained in accordance with all applicable FCC rules and regulations and will comply with all requirements set forth in its FCC Licenses. The Station shall be operated in such a fashion so as to transmit (except at such time where reduction of power is required for routine or emergency maintenance activities) at the Station's maximum authorized transmitter power.

(e) If the FCC designates an oral evidentiary hearing with respect to the revocation or renewal of any authorization held by the Licensee for the operation of the Station, Licensee shall be responsible for any expenses incurred by Licensee as a consequence of the FCC proceeding; provided, that Broker shall, at its reasonable expense, cooperate and comply with any reasonable request of Licensee to assemble and provide to the FCC information relating to Broker's performance under this Agreement. Nothing in this section shall be construed as barring any cause of action by Licensee against Broker which may arise from such hearing or proceeding.

15. **Broker's Representations, Covenants and Warranties.** Broker hereby represents, covenants and warrants to Licensee that, upon execution and during the Term of this Agreement:

(a) Broker has full power and authority to enter into and carry out this Agreement.

(b) If the FCC designates an oral evidentiary hearing with respect to Broker, its programming or any matter materially related to Broker's actions with respect to this Agreement, Broker shall be responsible for any expenses incurred by Broker as a consequence of the FCC proceeding; provided, that Licensee shall, at its expense, cooperate and comply with any reasonable request of Broker to assemble and provide to the FCC information relating to Licensee's performance under this Agreement. Nothing in this section shall be construed as barring any cause of action by Broker against Licensee which may arise from such hearing or proceeding.

16. **Force Majeure.** Any failure or impairment of facilities or any delay or interruption in the broadcast of programs, or failure at any time to furnish facilities, in whole or in part, for broadcast, or to fulfill any other obligation hereunder due to causes beyond the control of Licensee or Broker, as the case may be (in each case a "Force Majeure") shall not constitute a breach of this Agreement and the party affected will not be liable to the other party, except to the extent of allowing in each such case an appropriate programming time or payment credit for time not provided based upon a pro-rata adjustment to amounts due as specified in Paragraph 2 above, calculated upon the length of time during which the failure or impairment exists or continues. The party affected by the Force Majeure shall take all commercially reasonable actions to

eliminate the Force Majeure at the earliest practicable time.

17. **Right to Use the Programs.** The right to use the programs and to authorize their use in any manner and in any media whatsoever shall be, and remain, vested in Broker.

18. **Payola.** Broker will not accept any consideration, compensation or gift or gratuity of any kind whatsoever, regardless of its value or form, including but not limited to, a commission, discount, bonus, material, supplies or other merchandise, services of labor (collectively "Consideration"), whether or not pursuant to written contracts or agreements between Broker and merchants and advertisers, except in accordance with the Act and FCC rules and policies. Broker shall annually, or more frequently at the reasonable request of Licensee, execute and provide Licensee with a Payola Affidavit to certify Broker's compliance with this section.

19. **Compliance with Law.** Throughout the Term of this Agreement, Broker shall comply in all material respects with all laws, rules, regulations and policies applicable to the operations of the Station, and Broker acknowledges that Licensee has not urged, counseled or advised the use of any unfair business practice.

20. **Indemnification.**

(a) Broker shall indemnify and hold Licensee (which, for purposes of this section, includes its officers, employees and agents) harmless against all liabilities and costs incurred by Licensee (including reasonable attorneys' fees) (collectively, "Damages") for (i) libel, slander, unfair competition or trade practices, infringement of trademarks, trade names or program titles, violation of rights of privacy and infringements of copyrights and proprietary rights resulting from the Station's broadcast of programming furnished

by Broker and (ii) Broker's breach of any representation, warranty, covenant or other obligation of Broker's under this Agreement. Broker's obligation to hold Licensee harmless against Damages shall survive any termination of this Agreement until the expiration of all applicable statutes of limitation. Notwithstanding the foregoing, Broker shall have no obligation to indemnify and hold Licensee harmless for any Damages which are the result of Licensee's own negligence.

(b) Licensee shall indemnify and hold Broker (which, for purposes of this section, includes its member, officers, employees and agents) harmless against all Damages for (i) libel, slander, unfair competition or trade practices, infringement of trademarks, trade names or program titles, violation of rights of privacy and infringements of copyrights and proprietary rights resulting from the broadcast of programming furnished by Licensee and (ii) Licensee's breach of any representation, warranty, covenant or other obligation of Licensee under this Agreement. Licensee's obligation to indemnify and hold Broker harmless against Damages shall survive any termination of this Agreement until the expiration of all applicable statutes of limitation. Notwithstanding the foregoing, Licensee shall have no obligation to indemnify and hold Broker harmless for any Damages which are the result of Broker's own negligence.

(c) Each party shall maintain appropriate insurance policies, commensurate with standard broadcast practices, to cover such party's indemnification obligations hereunder, and either party, upon request, shall provide the other party with evidence of such liability insurance coverage.

(d) The indemnifying party under this section shall have the right to conduct and

control, through counsel of that party's own choosing, any third-party claim, action, or suit at the indemnifying party's sole cost and expense, but the indemnified party may, at the indemnified party's election, participate in the defense of any such claim, action, or suit at that party's sole cost and expense: provided, that if the indemnifying party shall fail to defend any such claim, action, or suit, then the indemnified party may defend, through counsel of that party's own choosing, such claim, action, or suit and settle such claim, action, or suit, and recover from the indemnifying party the amount of such settlement or of any judgment and the costs and expenses of such defense; and provided further, that the indemnifying party shall be given at least (15) days prior notice of the terms of any proposed settlement thereof so that the indemnifying party may then undertake and/or resume the defense against the claim. The indemnifying party shall not compromise or settle any third-party claim, action, or suit without the prior written consent of the indemnified party, which consent will not be unreasonably withheld, conditioned or delayed; provided, that the indemnified party shall be obligated to provide its consent if such compromise or settlement includes (a) a release for the indemnified party of all liability with respect to the matter being compromised or settled, (b) a reimbursement of the indemnified party for all Damages incurred in conjunction with the aforesaid claim, action, or suit, and (c) a provision which denies any liability for the claim.

21. **Events of Default; Cure Periods and Remedies.**

(a) Each of the following events or circumstances shall, after the expiration of any applicable cure periods, constitute an Event of Default:

Handwritten signature or initials, possibly 'JBS', in the bottom right corner of the page.

(i) Broker fails to comply with any provision hereof for the payment of the monthly Fee. All monies due Licensee which are more than ten (10) days late shall bear interest at an annual rate of 15% until such sums are paid.

(ii) Broker fails to comply with any provision hereof for the payment of Licensee's reimbursable expenses;

(iii) Either party defaults in the material observance or performance of any covenant, condition or agreement contained herein, or if either party (a) shall make a general assignment for the benefit of creditors or (b) files or has filed against it a petition for bankruptcy, reorganization or an arrangement for the benefit of creditors, or for the appointment of a receiver, trustee or similar creditors' representative for the property or assets of such party under federal or state insolvency law, which, if filed against such party, has not been dismissed or discharged within sixty (60) days thereof.

(iv) If either party materially breaches any representation or warranty herein or in any certificate or document furnished by either party to the other pursuant to the provisions hereof, or any such representation or warranty shall prove to have been or have become false or misleading in any material respect as of the time made or furnished or at any time thereafter.

(b) **Cure Periods**. An Event of Default shall not be deemed to have occurred until five (5) business days for any failure to make a payment when due and ten (10) business days for any other matter, in each case after the non-defaulting party has provided the defaulting party with written notice specifying the event or events that, if not cured, would constitute an Event of Default and specifying the action necessary to cure the Default within such period.

(c) **Termination Upon Default**. Upon the occurrence of an Event of Default, the non-defaulting party may terminate this Agreement upon notice to the other party; provided, that the terminating party is not also subject to a continuing Event of Default hereunder (before, during, or after the provision of any notice from the other party).

22. **Termination for Circumstances Other than Event of Default**. In addition

to termination by an Event of Default, this Agreement may be terminated by either party under any one of the following circumstances:

(a) by the mutual consent of the parties reflected in a document executed by both parties;

(b) by either party, upon the consummation of the sale of the Station to Broker or to any third party as permitted herein; or

(c) by either party, if the FCC issues an order which has become effective and which requires the termination of this Agreement or the modification of any term that would deprive either party of a material benefit to which such party is otherwise entitled under this Agreement; provided, that, in the event of such action by the FCC, Broker, at its option, may seek administrative or judicial relief from such order(s) (in which event the Licensee shall cooperate with Broker, but Broker shall be responsible for reasonable legal fees and costs incurred in connection with such proceedings).

23. Liabilities Upon Termination. If this Agreement is terminated in accordance with its provisions and subject to whatever rights of indemnification to which a party is entitled hereunder:

(a) Licensee shall be under no further obligation to make available to Broker any further broadcast time on the Station, and Broker shall be under no further obligation to make payments hereunder (other than to the extent accrued prior to the termination).

(b) During the Term of this Agreement, Broker shall be responsible for all debts and obligations of Broker to third parties based upon the purchase of air time and use of Licensee's transmission facilities, including, without limitation, accounts payable,

barter agreements and unaired advertisements, but not for Licensee's federal, state and local income and business franchise tax liabilities or taxes levied upon Licensee's real estate or personal property. Any and all tax obligations with respect to the Licensee's employees are the responsibility of the Licensee, and any and all tax obligations with respect to the employees of Broker are the responsibility of Broker. Broker shall be entitled to all accounts receivable which are due and payable from third parties in connection with the broadcast of Broker's programming under this Agreement. Broker shall be responsible for collecting said accounts receivable, and Licensee shall take no action to hinder or inhibit such collection.

24. **Representations and Warranties.**

(a) **Mutual Representations and Warranties.** Licensee and Broker each represent and warrant to the other that they are legally qualified, empowered and able to enter into this Agreement, and that the execution, delivery and performance hereof does not and shall not, with the passage of time or the provision of notice or both, constitute a breach or violation of any law, ordinance, statute, government regulation, agreement, contract or other obligation to which either party is subject or by which it is bound.

(b) **Filings.** Licensee hereby represents, warrants and covenants to Broker that (a) all reports and applications required to be filed with the FCC (including Ownership Reports and renewal applications) or any other government entity, department or body with respect to the Station have been, and in the future will be, prepared and filed by Licensee in a timely manner and are and will be true and complete and accurately

YST

present the information contained and required thereby and (b) all such reports and documents, to the extent required to be kept in the public inspection files of the Station, are and will be kept in such files. Licensee will be responsible for all such filings, and Broker will cooperate in furnishing appropriate information to Licensee in connection therewith.

(c) **Facilities**. Licensee shall maintain the Station's facilities, shall comply in all material respects with the Station's FCC Licenses to ensure that the Station operates with the maximum facilities authorized by its FCC Licenses, and shall be responsible for ensuring that those Station facilities are operated, in all material respects, in accordance with good engineering standards necessary to deliver a high quality technical signal to the area served by the Station in accordance with all applicable laws and regulations (including the requirements of the Act and the rules, regulations, policies and procedures of the FCC promulgated thereunder). Licensee shall provide Broker access to and the use of Licensee's studio and office facilities for the Station as is reasonably necessary for Broker to exercise its rights and perform its obligations under this Agreement.

(d) **Emergency Alert System**. Licensee shall maintain appropriate Emergency Alert System receivers, tone generators and such other equipment as may be required to conform to FCC rules and regulations.

25. **Miscellaneous Provisions**.

(a) **Confidentiality**. Unless required by applicable law, neither party hereto shall disclose or divulge to any third party any information provided by the other party, including information relating to corporate, financial or advertising matters; provided,

that the foregoing prohibition shall not apply to information that is already in the public domain.

(b) **Use of Trademarks.** Licensee shall have no right to use Broker's trademarks, trade names, service marks, copyrighted format, logos, positioning statements or slogans during the Term of this Agreement or after its termination.

(c) **Accounts Receivable Upon Termination.** Upon termination of this Agreement, Broker shall retain all accounts receivable from the sale of time on the Station during the Term of this Agreement, and Licensee will do nothing to inhibit or hinder collection of said accounts receivable. Licensee shall promptly pay to Broker any accounts receivable it receives that is attributable to Broker's sale of time on the Station.

(d) **Right of First Refusal.**

(i) During the Term of this Agreement, Broker shall have a right of first refusal to purchase the Station and its assets (including FCC authorizations) (the "Station Assets"), owned or held by Licensee and used or useful in the operation of the Station in the event that Licensee, in its sole discretion, receives a written bona fide third-party offer and elects to sell said Station Assets in accordance with such offer. Broker's right of first refusal must be exercised in writing within fifteen (15) days of Broker's receipt of Licensee's notification in writing to Broker that Licensee intends to sell the Station Assets to the bona fide third-party purchaser.

(ii) Any notification from Licensee to Broker under this subsection shall identify the proposed purchaser and describe all material terms of the bona fide third-party purchaser's offer, including without limitation, price, timing and form of consideration, and shall include a copy of the term sheet, letter of intent or other offering document related thereto. In the event that Broker elects within the designated period to exercise its right of first refusal, Broker's written notice to Licensee shall indicate Broker's intent to match all material terms of the third-party purchase. Upon notification of Broker's exercise of its right of first refusal, the parties shall cooperate with each other to execute a definitive Asset Purchase Agreement within thirty (30) days after Licensee's receipt of such notification, with such Asset Purchase Agreement to include terms and conditions standard in such agreements.

(iii) In the sole event that the proposed sale of the Station Assets is part of a group sale of other properties owned by Licensee (or in which Licensee or principal George S. Flinn, Jr. has a partial ownership interest), Licensee shall so notify Broker and the parties shall obtain three appraisals of the value of the Station Assets, the cost of such appraisals to be split equally between the parties. Each party shall select one appraiser and those appraisers shall mutually select the third. If the value arrived at in the *highest* appraisal is no more than 25% higher than the *lowest* appraisal (e.g., the lowest appraisal is \$1,000,000 and the highest appraisal is \$1,250,000 or less), then all three appraisals shall be averaged and the average price shall be considered the Station's value. If the value arrived at in the *highest* appraisal is more than 25% higher than the *lowest* appraisal (e.g., the lowest appraisal is \$1,000,000 and the highest appraisal is \$1,250,000 or more), the *middle* appraisal shall be considered the Station's value. Once the parties have acknowledged the value as established thereby, Broker shall have fifteen (15) days in which to notify Licensee that it has exercised its right to buy the Station Assets. The value established thereby shall be the "all-cash" price that Broker will be required to pay Licensee for the Station Assets if Broker so exercises its right. Such sale shall be pursuant to an Asset Purchase Agreement negotiated in accordance with this Agreement, without regard to any terms or conditions which may be included in the group sale.

(iv) Any transfer or assignment of the FCC licenses and Station Assets by Licensee that may be approved pursuant to FCC Form 316 will not trigger Broker's right of first refusal hereunder and will not require the consent of Broker.

(v) In the event that Broker does not purchase the Station consistent with this Section 25(d), and the Station is sold to the above-referenced third-party purchaser, this Agreement may be terminated by either party effective as of the closing date of the sale.

26. **Notices.** Any notice, request, demand, waiver, consent and other communication required or permitted hereunder shall be deemed given as of the date received if sent by overnight courier (charges prepaid) or effectuated by personal delivery to the appropriate party at the following address:

The date of actual receipt by Licensee of the payment(s) in question (i.e., as opposed to the date of mailing) shall be controlling. Either party may change its address for notice purposes by providing written notice in accordance with this Section.

27. **Waiver**. No waiver of any provision of this Agreement shall in any event be effective unless the same shall be in writing and signed by the party charged with a waiver. In no event shall the parties' dealings or a party's failure to timely exercise any right hereunder constitute a waiver.

28. **Construction**. This Agreement shall be construed in accordance with the laws of the State of Delaware, except for the choice of law rules utilized in that State, and the obligations of the parties hereto are subject to all federal, state and local laws

and regulations now or hereafter in force and to the rules and policies of the FCC and all other government entities or authorities presently or hereafter to be constituted. This Agreement is the product of negotiation and preparation by and between the parties, and their respective attorneys. Accordingly, the parties hereto acknowledge and agree that this Agreement shall not be deemed prepared or drafted by one party or another (or the attorneys for one party or another) and shall be construed accordingly.

29. **Headings**. The headings contained in this Agreement are included for convenience only, and no heading shall in any way alter the meaning of any provision.

30. **Assignment**. Except in accordance with this Agreement, neither party may assign its rights and obligations under this Agreement without the written approval of the other party, such approval not to be unreasonably withheld, conditioned or delayed.

31. **Counterpart Signature**. This Agreement may be signed in one or more counterparts, each of which shall be deemed a duplicate original, binding on the parties hereto notwithstanding that the parties are not signatory to the original or the same counterpart.

32. **Attorney's Fees**. In any action, at law or in equity, arising out of or in connection with this Agreement, the prevailing party shall be entitled to reimbursement of its reasonable costs and expenses incurred thereby, including reasonable attorney's fees.

33. **Entire Agreement**. This Agreement supersedes any and all prior and contemporaneous agreements and understandings between the parties and contains all the terms agreed upon with respect to the subject matter hereof. This Agreement may not be amended except by a document executed by the parties.

A handwritten signature in black ink, appearing to be "JGJ", is located in the bottom right corner of the page.

34. **No Partnership or Joint Venture Created.** Nothing in this Agreement shall be construed to make Licensee and Broker partners or joint venturers or to afford any rights to any third party other than as expressly provided herein.

35. **Severability.** In the event any provision contained in this Agreement is held to be invalid, illegal or unenforceable by any court or governmental authority of competent jurisdiction, such holding shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had not been contained herein.

36. **Legal Effect.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their heirs, executors, personal representatives, successors and permitted assigns.

37. **Specific Performance.** Notwithstanding anything to the contrary in this Agreement, either party may enforce its rights hereunder by obtaining specific performance or other injunctive relief from a court of competent jurisdiction without posting bond or other surety. In the event either party seeks specific performance or other injunctive relief for the other party's non-monetary obligations hereunder, the other party shall waive the defense that the moving party has an adequate remedy at law.

38. **Licensee's Certification Regarding Operations.** Licensee hereby certifies, pursuant to Section 73.3555 of the FCC's rules, that Licensee shall retain ultimate control over the Station's programming, personnel and finances.

39. **Broker's Certification Regarding Multiple Ownership.** Broker hereby certifies that its provision of programming for the Station pursuant to this Agreement is in compliance with Section 73.3555(b), (c) and (d) of the FCC's rules.

40. **Nondiscrimination**. In accordance with Paragraphs 49 and 50 of United States Federal Communications Commission Report and Order No. FCC 07-217, Broker shall not discriminate in any contract for advertising on the Station on the basis of race or ethnicity, and all such contracts shall be evaluated, negotiated and completed without regard to race or ethnicity. Broker shall include a clause to such effect in all contracts for advertising on the Station, and if requested shall provide written confirmation of compliance with such requirement.

IN WITNESS WHEREOF, the parties have executed this Agreement to be effective as of the date set forth hereinabove.
