## QUARTERLY ISSUES / PROGRAMS LIST

WORT 89.9 FM

FIRST QUARTER 2012

(For programming aired January 1 through March 31, 2012)

This Quarterly Issues/programs List is a list of nonentertainment programming which, in the opinion of the management of the Station, represents the most significant treatment by the Station of certain issues believed to be of community concern. The list is not intended to be a comprehensive list of all of the Station's nonentertainment programming. Nor is it designed to list every program broadcast by the Station that is responsive to the selected issues. Included are only those programs in which the Station devoted significant time or depth to the various issues.
