Dear Mr. Wilkinson:

We have completed our review of the response of AMFM Texas Licenses LLC, as licensee of the above-referenced stations, to the February 24, 2016 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.2526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11), for non-commercial stations, the stations must place copies of this letter, our February 24 audit letter, and their response in each public inspection file. They must maintain these materials in the file until the grant, by final order, of the next renewal application of the license for the station to which the file relates.

Should you have any questions concerning this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
