On The Beat

On The Beat is a show that is centrally focused on what matters in Elkhart and Elkhart County. The goal of On the Beat! is to deliver information and perspective directly from the source, that listeners may otherwise not get. This will include business leaders, political representatives, community leaders, keepers of the area's history, and sometimes just regular people with a story to tell. For one hour each day we take the opportunity to put the spotlight back on the innovative and dynamic community that is the Elkhart region, and hope that you can walk away feeling more connected to your neighbors and friends.
