THIS YEAR THE EVENT WILL TAKE

THE PROGRAM IS HOPING, OVER-
TIME, TO COMBAT THE 40% OF
HIGH SCHOOLS STUDENTS IN
MISSISSIPPI THAT DO *NOT*
GRADUATE HIGH SCHOOL.
THE PROGRAM SHOWS
STUDENTS 19 MAIN CAREER
PATHS WITH A FOCUS ON

INDUSTRIES IN SOUTH MISSISSIPPI.

(20 YEAR OLD JASMINE WHITE IS A HIGH SCHOOL DROPOUT, *nat pop* BUT IS NOW ON HER WAY TO EARNING BOTH HER G-E-D AND WELDING CERTIFICATE FROM MISSISSIPPI GULF COAST COMMUNITY COLLEGE'S TRANSITION ACADEMY.

WHITE

welding I said I can do that and i'm a girl and it was just a bunch of men, so I was like 'yeah i'm gonna go do that. I'm a girl, i'm gonna go out with the big dogs'

nat THE WELDING PROGRAM IS ONE OF TWO CONCENTRATIONS IN THE TRANSITIONS ACADEMY...THE OTHER BEING EARLY CHILDHOOD DEVELOPMENT. THE ONE SEMESTER ACADEMY IS FREE OF CHARGE AND STUDENTS WHO COMPLETE THE PROGRAM WILL HAVE NATIONALLY RECOGNIZED

CERTIFICATIONS IN THEIR RESPECTIVE AREA.

LAYTON

there is a need for these students.
So many of them left school. they did
not complete high school or their
GEDs, but they also need to get jobs
to support families. So this is a real
need in our community right now

KATARINA

once these student complete this
program, they will have both their
welding certificate and their GED.
Local shipyards have said with both
of these, they will most certainly have
employment opportunities.

LIZANA

there have been shipyards that have
spoke up and said if they pass this
program...both the GED everything,
the whole package combined...they
will hire them on

STUDENTS WHO DON'T CHOOSE TO GO INTO THE WORK FORCE RIGHT AWAY ALSO HAVE THE OPTION TO FURTHER THEIR EDUCATION TOWARDS AN ASSOCIATE'S DEGREE AT MGCCC. STUDENTS LIKE JASMINE ARE GRATEFUL FOR THIS OPPORTUNITY AND RECOMMEND IT TO OTHERS IN SIMILAR SITUATIONS.

WHITE

you're gonna get it right. No matter what you're gonna get it right and then at the end it's gonna pay off...literally it's gonna pay off.

JASMINE HASN'T DECIDED WHETHER SHE WILL GO TO WORK AT A SHIPYARD RIGHT AWAY *nat pop* OR CONTINUE TO WORK TOWARD HER ASSOCIATE'S DEGREE. BUT THE ONE THING SHE IS SURE OF....THIS WAS THE SECOND

CHANCE SHE DESPERATELY
NEEDED. IN LONG BEACH,

REP. SCOTT DELANO (R) - District 117

"I don't want to see us just bail out and jump ship if that's working in a lot of areas. And if it's not working in other areas of the state then we need to give them options to go back to whatever program works best in their community."

THE STATE BOARD OF EDUCATION APPROVED A ONE YEAR, 8.4 MILLION DOLLAR

KATARINA LUKETICH - News 25
"Lt. Gov. Reeves says if necessary, the legislature should bypass the state board of education who are large supporters of common core. State legislators tell News 25 it's very important to keep the board of education in the conversation."

REP. SCOTT DELANO (R) - District 117

"I believe that the state board of education as well as educators should be included in any initiative

that we do or any process that we take that will affect how we teach our schools and how we affect our policy."

{***JENNIFER***}

STUDENTS AT ARLINGTON
HEIGHTS IN PASCAGOULA HAD A

THE ONE SERVED WITH A SIDE
OF CHIPS.

{***VO***}

STUDENTS TOOK TIME OUT OF
THEIR STUDIES TODAY TO
CELEBRATE THE HERITAGE OF
THEIR LARGE HISPANIC
POPULATION. THE DANCERS
SHOWED OFF THEIR MOVES TO
CLASSMATES WHILE EDUCATING
THEM ABOUT THE VARIOUS
DANCES, INSTRUMENTS, AND
MUSIC THAT THE HISPANIC OR
LATINO PEOPLE ARE KNOWN
FOR.

THE PROGRAM WAS
CALLED "BAILA CON MIGO" (BYE-
LA CON ME-GO) OR "DANCE WITH
ME" WHICH WAS APPROPRIATE

AS THE DANCERS PULLED
SEVERAL STUDENTS OUT OF THE
CROWD AND TAUGHT THEM
SOME MOVES. EVENT
ORGANIZERS TELL US WHY IT'S
SO IMPORTANT TO HAVE EVENTS
LIKE THESE

(NATS

Justice Allen - 2nd Grade

"I learned what not to do and what to do on the bus"

STUDIES SHOW SCHOOL BUSES ARE THE SAFEST MODE OF TRANSPORTATION FOR GETTING CHILDREN BACK AND FORTH TO SCHOOL.

BUT THE BIG YELLOW BUS CAN ONLY GO SO FAR...AND THAT'S WHERE "BUSTER THE BUS" ROLLS IN.

THIS INTERACTIVE ROBOT TEACHES KIDS THEIR PART IN STAYING SAFE.

Anthony Herbert - Pascagoula Dot

" Just know they need to listen to their bus drivers and when their bus drivers. Give them instructions about being seated on the bus and keeping their voices low, not eating or drinking

on the bus, that the bus driver is doing that to keep a safe environment."

ANOTHER LESSON--STAYING PUT. THIS IS ONE GOOD WAY TO HELP CUT DOWN ON ON SCHOOL BUS ACCIDENTS SINCE DISTRACTING THE DRIVER IS THE LEADING CAUSE OF THESE TYPES OF WRECKS.

Justice Allen - 2nd Grade

"You shouldn't stand up on the bus, or you shouldn't face the back of the bus."

*Ellen Anderson - school bus driver"
"its very hard. The kids want to stand up to see where they're going so when they stand they can see that they can fall forward."

BUT THE KIDS AREN'T THE BIGGEST DISTRACTION.

sarah

"One of the biggest problems Ms. Anderson has while driving the bus is that other drivers won't stop when she puts out the stop sign to let kids off the bus"

*Ellen Anderson - school bus driver"
" And I have experienced a car driver running on the opposite side of the bus and almost hit a child as they were getting off the bus."

THE PROGRAM IS GEARED
TOWARD THE YOUNGER
STUDENTS, BUT OLDER
STUDENTS COULD HELP OUT BY
BEING PART OF THE SOLUTION
INSTEAD OF THE PROBLEM.

Justice Allen, 2nd Grader:
"They say bad words and get up out their seats anyway, and they be doing inappropriate stuff on the bus."

THE END RESULT--TEACHERS

AND ADMINISTRATORS GAVE THE KIDS AN A-PLUS--AND TO SHOW THEIR APPROVAL--THEY TOOK A SPIN ON THE DANCE FLOOR WITH BUSTER--JUST ANOTHER EFFORT TO TEACH THIS NEXT GENERATION A THING OR TWO.... IN PASCAGOULA, SARAH DUFFEY, NEWS 25.)
