10T MECHANICS ADVICE

If you do come across a pothole..try driving around it. If that's not possible, mechanics say slow down, but then release the break just before you driving straight through the pot hole. Hitting the edge of it can cause your car the most damage.

10T MECHANICS ADVICE

And those repairs could cost you hundreds of dollarsâ€¦ according to mechanics. Leete Tire and Auto Mechanic say they have been inundated with repairs from pothole damage. It's mostly damage to the tire's sidewall when the rim digs down into it after hitting a poth...

10T POTHOLE COMPLAINTS

Potholes are still a big problem around the Richmond right now. The city says it's working to repair them. But some neighbors say, not fast enough. Colleen Quigley has more tonight, from Richmond: The votes are counted... and this time, the polls were not wrong when it came to picking the winners! Donald Trump and Bernie Sanders took the top spots in New Hampshire tonight... But on the G-O-P side... who came in *second*, is something of a surprise. ...
