John from Greensboro
I'm an evangelical Christian. And for 28 years I have voted Republican. But Thom Tillis lines up with the special interest he takes their money he votes with them.

Announcer
That's John from Greensboro and he's right Thom Tillis has been waist deep in Washington corruption taking a million dollars from the drug and insurance industries voting their way. Tillis voted to let insurance companies charge seniors higher premiums to end protections for pre-existing conditions. And Tillis even voted to cut rural hospitals, giving tax breaks to his wealthy donors instead.

John from Greensboro
Tillis is more interested in lining the pockets of rich fat cats who are contributing to his campaign, than he is in taking care of his constituents.

Announcer
It's so corrupt his donors are now under federal investigation. Thom Tillis rural Carolina is the last thing on his mind.

John from Greensboro
It's time for a change.
