SPECIAL:

5/25/09 5:00 PM "D-Day: The Price of Freedom" (30 minutes): Program pays tribute to the courageous men who began the liberation of France more than 60 years ago. Five veterans — some of whom were returning to France for the first time since 1944 — make an emotional journey to the American Cemetery overlooking Omaha Beach, the final resting place of 9,000 of their fallen comrades. There, each speaks candidly about the unimaginable horror, despair and fear of the day.
