SPECIAL:

7/26/09 2:00 PM "Native Nations: Standing Together For Civil Rights – Horizons of the Spirit" (60 minutes):

Hosted by Peter Coyote, this program chronicles the American Indians' struggle for civil rights, and the creation of the National Indian Lutheran Board to raise funds and awareness for that struggle. From the controversy surrounding the 1862 trial when 38 Dakota Sioux were executed in the largest single-day mass hanging in United States history, to the confrontation of the 1960s when many Indian tribes joined together to speak out with a unified voice, *Native Nations* tells the story of standing together for sovereignty, justice and civil rights.

8/9/09 1:30 PM "Moms on the Move: Planet Hope" (30 minutes)

Linda Swain hosts and produces "Moms on the Move" where she profiles "Real and Inspiring Moms" who are making a difference in their homes, their communities and in the world. In this episode, actress Sharon Stone and sister Kelly, along with fashion designer Nicole Miller and store owner Mary Dougherty, team up to dress underserved teens for their proms.
