History Holocaust Healing	EVA: A-7063	Thursday August 15, 2019	8 pm	90 min	EVA: A-7063 is the incredible true story of an Auschwitz survivor's journey to forgiveness and healing. At the age of 10, Eva Mozes Kor fought to stay alive inside the concentration camp where she and her sister Miriam were being experimented on as one of "Mengele's twins." After decades of torment and pain following her liberation, she came to the epiphany that she needed to forgive the Nazis to move forward with her life. She has since emerged as arguably the best-known and most-active Holocaust survivor in the world. Despite her body failing her, the 4-foot-9, 83-year-old, who lives in Terre Haute, Indiana, circles the globe delivering her messages of healing and self-empowerment. Her lessons go far beyond her own experience, addressing current global atrocities and two of the biggest problems facing today's youth - bullying and discrimination. EVA: A-7063 documents
