

QUARTERLY ISSUES/PROGRAMS LIST

There follows a listing of some of the significant issues responded to by Station WVPY, New Market, VA, along with the most significant programming treatment of those issues for the period July 1, 2019 to September 30, 2019. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Education Homelessness	<b>OUR KIDS: NARROWING THE OPPORTUNITY GAP)</b>	Monday Sept 16, 2019	8:00 pm	60 min	<b>#101 MAKING A DIFFERENCE--</b> Riverside, CA & Manchester, NH. The importance of mentors is illustrated in stories like that of a police detective starting a free judo school to "bait and switch" kids onto a better path. A revolutionary accelerated kindergarten program propels disadvantaged children by celebrating their smartness. Living in a homeless shelter designed around the needs of families, a little girl expresses her pride and determination in song.
		Monday Sept 16, 2019	9 pm	60 min	<b>#102 FOUR CITIES TACKLE THE CHILD EQUITY GAP--</b> Children living in fractured homes and poverty can't achieve equally with children who are financially and emotionally secure. Underserved children need extra services to be competitive. Equal is not Equitable. We illustrate this point in Duluth, MN, Boston, MA, Springfield, MO, and Nashville, TN. A grade school

offers wrap-around-services including free food, family meals, clothing, laundry, and medical services.

**#103 I'M SPECIAL** -- Detroit Educational Crisis. With deteriorating class room conditions and the worst test scores in the nation, this alarming episode casts its eye on the current educational crisis in Detroit. In this cautionary tale, both public and unregulated charter schools suffer from high teacher turnover, a shortage of up-to-date textbooks, lack of funding and financial accountability. We visit with students, teachers, parents and educational leaders in their innovative attempts to improve conditions.
