## DECLARATION OF Kathryn Hope Romero, Market Manager

I, Kathryn Hope Romero, hereby declare as follows:

1. I am a Market Manager for Capstar TX LLC, the licensee of Station KAZX(FM), Kirtland, NM (Fac. ID No. 76749), which is part of a station employment unit based in Farmington, New Mexico and which includes KCQL(AM), Aztec, NM (Fac. ID No. 29520), KKFG(FM), Bloomfield, NM (Fac. ID No. 29521), KDAG(FM), Farmington, NM (Fac. ID No. 29519) and KTRA-FM, Farmington, NM (Fac. ID No. 16827) (the "SEU" or "Unit"). The stations in this SEU are commonly owned through subsidiaries ultimately owned and controlled by Clear Channel Communications, Inc. (collectively, "Clear Channel"). This Statement and relevant attachments are being submitted in response to the February 16, 2012 letter of Lewis C. Pulley, Assistant Chief of the Policy Division of the Commission's Media Bureau, concerning a random audit of the SEU's EEO compliance (the "EEO Audit Letter").

2. This SEU employs five or more full-time employees as the term is defined in the broadcast EEO rule of the Federal Communications Commission ("FCC" or the "Commission"), 47 C.F.R. § 73.2080(e)(1).

3. In response to Question 3(a) of the EEO Audit Letter, copies of the SEU's two most recent EEO public file reports, as described in 47 C.F.R. § 73.2080(c)(6), are appended at Attachment A.

The web addresses of the stations in this SEU are as follows: [www.star1029.com](http://www.star1029.com); [www.sports1340.com](http://www.sports1340.com); [www.kool1045.com](http://www.kool1045.com); [www.969thedogrocks.com](http://www.969thedogrocks.com); and [www.102ktra.com](http://www.102ktra.com). A copy of the current report is included on or linked to each of these websites.

The date of each full-time hire listed in the SEU's two most recent EEO public file reports, as required by 47 C.F.R. § 73.2080(c)(5)(vi), is included in the internal business records appended at Attachment B.

4. In response to Question 3(b) of the EEO Audit Letter, documentation concerning the recruitment sources used to fill each full-time position during the period covered by the above EEO public file reports, is also appended at Attachment B. Those sources that have notified the SEU that they want to be alerted to job openings at the Unit, as described in § 73.2080(c)(1)(ii), are indicated in the job-specific documentation.

5. In response to Question 3(c) of the EEO Audit Letter, the internal business records appended at Attachment B provide data concerning (a) the total number of interviewees for each vacancy and (b) the referral source for each interviewee for each particular full-time vacancy filled during the period covered by the above EEO public file reports.

6. In response to Question 3(d) of the EEO Audit Letter, documentation concerning the Unit's performance of recruitment initiatives described in § 73.2080(c)(2) during this time period is appended at Attachment C. Station personnel involved in the recruitment initiatives are noted in the documentation. This SEU employs a total of 14 full-time employees and all of our stations

are located in a market with a population of less than 250,000. Accordingly, the SEU is required to perform at least two recruitment initiatives during a two-year period.

7. In response to Question 3(e) of the EEO Audit Letter, the licensee affirms that it is not aware of any discrimination complaints filed against the licensee of the stations in this SEU during the current license term.

8. In response to Question 3(f) of the EEO Audit Letter, the licensee affirms that Clear Channel has created and deployed an EEO compliance plan, with the assistance of outside communications counsel, known as the Clear Channel Broadcast Diversity Recruitment Plan (the "Recruitment Plan" or "Plan"). The Recruitment Plan was distributed to all regional managers and, through them, disseminated to each SEU in conjunction with the effective date of the current EEO regulations. The Recruitment Plan is also posted on Clear Channel's intranet, which is accessible to all Clear Channel employees, as are instructional compliance checklists. The Plan contains directives as to how Clear Channel SEUs are to engage in broad recruitment for job vacancies and undertake recruitment initiatives, includes sample forms for collecting and maintaining the necessary recruitment data, and provides a quarterly self-assessment program designed to ensure that the SEU follows the Plan's directions and regularly updates corporate headquarters as to the employment unit's progress in the area.

At the corporate level, Clear Channel assists SEUs in understanding and following the Recruitment Plan, regularly providing training via conference calls, responding to SEU requests for assistance and/or calling upon outside counsel for additional guidance when warranted. Furthermore, Clear Channel has a team of internal public inspection file auditors that routinely assesses each SEU's FCC EEO compliance, based on the most recent EEO Public File Report, as part of a quarterly review of overall public file compliance.

At the local level, as the SEU's current Market Manager, I am responsible for overseeing the SEU's EEO compliance. I joined Clear Channel at the end of the 2011 reporting period and, prior to my tenure, the SEU's EEO compliance was handled by a Business Manager (who also served as a temporary Market Manager), who was terminated. As is evidenced by the documents herein, the SEU's vacancy-specific recruitment under the terminated employee's supervision was admittedly lacking. However, the SEU has taken aggressive steps to ensure that it utilizes a broad variety of recruitment sources to notify members of the community of its full-time job vacancies. Indeed, during the current reporting period which ends on May 31, 2012, our SEU has conducted broad recruitment for all full-time positions, and offers to submit this information along with the underlying documentation to the FCC, if it so requests. Further, as part of the audit process, I have received guidance from outside counsel on compliance with the FCC's EEO rules and have spent a good deal of time coming up to speed on FCC EEO requirements and reviewing the Clear Channel Recruitment Plan since beginning employment with the SEU. The SEU's Operations Manager, Dave Schaefer, is tasked with regular recruitment and compliance efforts and engages in recruitment events with local schools, colleges, and broadcast associations. This SEU's compliance efforts include identifying Clear Channel's efforts to afford equal employment opportunities to employees through statements disseminated in job applications and posted in conspicuous areas within the workplace.

9. In response to Question 3(g) of the EEO Audit Letter, the licensee affirms that the SEU understands that it must periodically analyze the effectiveness of its EEO recruitment program by reviewing the productivity of sources on its recruitment list and the outcome of its recruitment initiatives. The company's Recruitment Plan, through the quarterly self-assessment mechanism, provides SEUs with a regular opportunity to consult the corporate headquarters about these issues. To boost the effectiveness of outreach efforts on an ongoing basis, the Recruitment Plan also provides language for station websites, on-air announcements and/or formal letters encouraging qualified community organizations to contact the SEU to request its job notices. I evaluated the SEU's Master Recruitment Source List upon my arrival and added local recruitment sources during the 2012 reporting period, including the New Mexico Department of Workforce Solutions and the Farmington Chamber of Commerce.

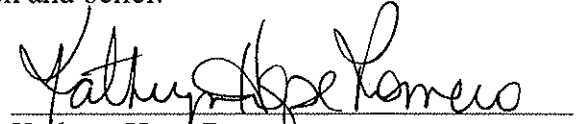

10. In response to Question 3(h) of the EEO Audit Letter, this SEU strives to comply with all federal, state and/or local laws regarding pay, benefits, seniority practices, promotions, and selection techniques and tests to ensure that the unit provides equal opportunity and does not discriminate against employees or applicants. This SEU's employment practices are my ultimate responsibility, working in conjunction with in-house counsel at Clear Channel corporate headquarters and, when applicable, outside employment and labor counsel.

---

During the 2011 reporting period, we used on-air announcements to recruit for the three Traffic Assistant vacancies filled on September 15, 2010, November 10, 2010, and February 8, 2011. We used a commercial that was initially produced on September 30, 2008 (see attached script and screen shot of the mp3 audio file). This commercial was re-aired on all of our stations in late 2010 and early 2011 when we went through the process of hiring the Traffic Assistants.

---

During the 2011 reporting period, we used on-air announcements to recruit for the three Traffic Assistant vacancies filled on September 15, 2010, November 10, 2010, and February 8, 2011. We used a commercial that was initially produced on September 30, 2008 (see attached script and screen shot of the mp3 audio file). This commercial was re-aired on all of our stations in late 2010 and early 2011 when we went through the process of hiring the Traffic Assistants.

## MEMORANDUM

TO: Station Files

DATE: March 21, 2012

RE: Market Manager Hire

---

To fill the position of Market Manager during the 2011 reporting period, this station employment unit ("SEU") used only one recruitment source, employee referral. According to our SEU's Operations Manager, the Regional Senior Vice President (SVP) of Operations (who is no longer employed with the company) desired a candidate from the local area who had significant experience in and exposure to the radio business. The SVP of Operations received a referral for Kathryn Hope Romero, who lived in Farmington and ran her own successful advertising business. By virtue of her business, Ms. Romero had contacts with local account executives, including contacts in the radio business, and she knew the market in terms of marketing trends and business prospects.

After receiving Ms. Romero's referral, the SVP of Operations conducted a long and thorough hiring process for the Market Manager position that started in the summer of 2010 and lasted over the course of nine months. As part of this extensive process, Ms. Romero was regularly corresponding via email and phone with the SVP of Operations and she flew to Colorado Springs to meet with him on August 23, 2010. Ms. Romero also had a conference call with the Regional Executive Vice President of Operations, George Toulas (who is also no longer employed with the company) in the Fall of 2010. The SEU also interviewed a current employee – the Business Manager who was serving as the temporary Market Manager (and, again, who is no longer employed with the company) – to be sure they found the right candidate for this critical position. After the long process, it was clear that Ms. Romero, an experienced talent with ties to the local market, was an exceptional candidate, and she was hired as our SEU's Market Manager on April 11, 2011.

Hi Brett! This is Mandi. I was a guest host on the morning show April 9th. I hope you remember me! I heard on the radio that you are auditioning for a co-host for the show. I would love an opportunity to audition for the position... This is my personal e-mail, as well as you can reach me on my cell phone @. I look forward to talking with you soon! Furthermore, I think it would be a lot of fun to be a personality on the radio here in Farmington. I get little opportunity to express myself, and as you know I have a very outgoing personality and would love to have the chance to make others laugh and start out their day with a bang!

Thank you & have a great day! :)

**Subject:** New Co-Host

Good Morning, Brett (it will be by the time you read this anyway...haha)

Ok, so I've been contemplating this email for a few days and finally "got off the fence" and decided to email...and yes, it's very early morning for me already...but I didn't think I could sleep until I sent this...so...here goes.

My name is Edie (E. D.) not Eddie...haha. My Phone number is [redacted]  
I've actually met you a few times...My husband is Cory [redacted] used to work at Performance on East Main. I've been there a few times when you and Jen did live remotes.  
So...about me...I heard the advertisement on the radio a few days ago and the thought of being a "radio personality" just excited the heck out of me. I LOVE to talk...I'm VERY hyper and energetic and think that I would make a great co-host for the morning show. NO-ONE will ever truly replace Jen, that's for sure...but I loved to listen to her and she always had a way to make me laugh. I loved the fact that she was "real" like you said...and I remember you saying it a lot on air as well. I am a VERY real person, I'm not shy and will pretty much talk to anyone about anything, and can always find...or make something to talk about. I also love music...I even like to sing...and not overly bragging...but I do sing good too! I am a fast learner and very ambitious.

I would love the opportunity to audition for the co-host position...and hope to hear from you soon. If you have any questions or need further information, you can either call or email.

Thank you!!!!  
Edie

**Subject:** Star Mornings with Brett and Kelly!

Hey Brett:

My name is Kelly. I just moved down to Farmington in October from Denver and Star 102.9 is all I later to, so when I heard that you were looking for a co-host, I had to check it out! Here are my top 10 reasons why I feel you should pick me:

1. "Star Mornings with Brett and Kelly" sounds great together!!
2. I am a total morning person, so we won't fight over the last cup of coffee!
3. I would make waking up in the morning with 102.9 fun and enjoyable!
4. I always have a lot of good things to say, so I tend to always be the conversation starter!
5. I am very quick witted!
6. I am great at making people laugh and I have no problem laughing at myself!
7. I LOVE music!
8. I am articulate and have a great speaking voice!
9. I am very blunt and I call it like I see it, so I would definitely keep it real!
10. I am 24 years young, so I can help relate to the younger adults and help keep 102.9 fresh!

So, if you're looking for someone that can help put that extra pep, in the listeners step, every morning, then I am the person for you!!!!!!

I look forward to hearing from you soon!

Sincerely,

Kelly

Subject: Star 102.9 Co-Host

Hi Brett and Star 102.9,

Let's see, how I sell myself as a "potential" co host applicant. Well first of all, my name is Feather. I currently work for [redacted] and I do work Monday - Friday 9-6. I'm definitely looking for a part job and absolutely need one but don't exactly want to give up my evenings after work, you know that's the time of day you just wanna be at home relaxing, not working. I'd much rather get up early in the morning and be an awesome co-host. I'm a pretty cool, chill person, don't take things too seriously but that doesn't mean that I'm not serious at times though. I like to have fun and laugh, which I think is a must for someone on the radio. I have a good, clear voice, that's a must right? I'm a people person and enjoy meeting people. I've always thought of how awesome it would be to work in radio broadcasting. Applying to be a radio co-host is something I never thought I would do, but I'm sitting here thinking about if I got the job, how would I sound on air, would I be a ditz or someone cool? I think that I would be awesome at it because no matter what I'm doing, I always do the best I can and that's all that matters. Thank you for taking the time to read this. Have a great day and remember to make it count!

Feather
