Dear Ms. Dortch:

On behalf of MPS Media of Tennessee License, LLC, and pursuant to Section 73.1560(d) of the Commission's Rules, we hereby notify the Commission that WFLI-TV has been forced to operate at reduced power beginning November 29, 2014. An unexpected equipment failure in the station's transmitter has forced the station to operate at 50% of its authorized power. If repairs have not been completed within 30 days, special temporary authority will be requested to continue operation at reduced power.

If there are any questions about this notification, please contact the undersigned.

Very truly yours,

Daniel A. Kirkpatrick
