ISSUE: Coast Guard Boating Safety

DATE: July 22, 2018

DURATION: 14:04

DESCRIPTION:

Discussed Boating Safety. Nate talked about what is needed to operate a boat. Also – what pieces of equipment is necessary and are important to have. He also discussed the difference in rules for Personal Watercraft, the importance of a float plan and how it is good for someone on land to know that plan. The Coast Guard Auxiliary is also available to do checks of your vessel. They can help you with safety courses also.

ISSUE: Gateway Longview

DATE: July 22, 2018

DURATION: 14:00

DESCRIPTION:

Melissa discussed the history of Gateway Longview and how it was started by a Pastor and used as a home for orphaned children. In the years since, they have expanded and now help children who are looking for foster care. They work to put the family's back together, and if that is not possible, they do help with adoption. They provide school, a campus for residential living, etc. They are helpful with older children who are aged "out" of foster care and were never adopted. Those young adults are helped with life skills and helped to set up to live on their own.

ISSUE: NYS Troopers
