48 HOURS

- 01/07/17 **48 HOURS: "Crime and Punishment"** - a report on what happens to a family after a murder rips them apart; and the nearly 25-year quest by Tippy Dhaliwal and Jeanette Marine, two California women, who are determined to deny their step-father Dennis Ott's parole for the murder of their mother Phonthip Ott. Each time Ott comes up for parole, the sisters are there to fight for their mother and vow to never give up. The two women are steadfast in the belief that their step-father Dennis Ott, murdered their mother. In 1992, Phonthip Ott's body was found by a fisherman in the Sacramento River in Sacramento, California. The police investigation dragged on for nearly two years. Eventually, Ott was charged with the murder. He was tried, convicted and sentenced to life in prison with the possibility of parole. Ott has maintained his innocence, which could be a sticking point in the parole hearings. Admitting guilt or showing remorse isn't mandated, but legal experts believe it goes a long way with those deciding whether prisoners are paroled. The daughters realize that their fight for justice did not end with a guilty verdict; they must face Ott year-after-year to keep him in prison. Tippy Dhaliwal has been diagnosed with cancer, but she and Jeanette vow never to give up. At this hearing, Ott is again denied parole and must remain in prison. He will be eligible for another hearing in two-and-a-half years. **On-screen text graphic:** Dennis Ott's parole hearing has been moved up to October 2017. Tippy's health is better and both she and Jeanette plan to continue fighting Dennis Ott's release. Interviewed: Jeanette Marine and Tippy Dhaliwal (daughters); Dennis Ott (step-father); Paul Parker (Sutter County Sheriff); Larry Lewis (Jeanette and Tippy's grandfather); Vicky Van Atta (Sutter County District Attorney's Investigator); Frank Hartzell (former reporter, Appeal Democrat); Marin Atkinson (Ott's mother); Jennifer Shaffer (executive director, California Board of Parole Hearings); Amanda Hopper (Sutter County District Attorney) (C: Tracy Smith - Marcelena Spencer)

- 01/21/17 **48 HOURS: "Innocence Lost" (9:00-10:00p)** - an updated followup to "Who Killed These Girls" (OAD: 03/25/92) and "Deadly Encounters" (OAD: 09/14/98). Eighteen years after 48 HOURS reported the 1991 murders of four teenage girls who were found dead in an Austin, Texas yogurt shop -- presented is a review of the case, and the new evidence that could potentially overturn everything police thought they knew. The girls had been tied up, stripped down, at least one was raped, shot in the head and their naked bodies were stacked in a corner then set on fire. In the weeks after the murders, authorities received countless tips, many false confessions and interrogated teenagers Maurice Pierce, Michael Scott, Robert Springsteen and Forrest Welborn. With no solid evidence, they were released. There were no developments in the investigation until 1999, when new detectives assigned to the case arrested the original four suspects. Charges against Welborn and Pierce were eventually dropped. Scott and Springsteen each stood trial for murder. Both were convicted, with Springsteen sentenced to death and Scott sentenced to life in prison. On appeal, the convictions were overturned when DNA evidence did not match any of the suspects. Officials then said there is no statute of limitations for murder, and they will continue the investigation until the person(s) responsible are brought to justice. For now Scott and Springsteen are free; and the girls' families are still dealing with the deaths of their daughters. **Update:** Today, investigators now suggest that there was a fifth man involved in the murders. Other interested parties believe that two men, mentioned by witnesses and never identified, hold the key to the murders. Original detective John Jones sees them only as potential witnesses. The investigation remains in limbo. **2017 On-screen text graphic:** If you have any information on this case, police encourage you to call 512-472-TIPS. Under Texas law, neither Robert Springsteen nor Michael Scott is entitled to compensation for their wrongful convictions until a court officially declares their innocence. Interviewed: detectives John Jones and Mike Huckabay; Bob Ayers, Pam Ayers, Barbara Ayers-Wilson, Maria Thomas, parents of the victims; suspects Forrest Welborn and Robert Springsteen; Jim Sawyer, Springsteen's attorney; Saul Kassin, psychology professor at John Jay College for Criminal Justice; **New Interviews:** Beverly Lowry, author; Amber Farrelly, member of the defense team for Michael Scott and Robert Springsteen. 48 HOURS (continued)

- 01/21/17 **48 HOURS: "Devil's Island" (10:00-11:00p)** – a second updated rebroadcast on the disappearance and death of Yvonne Baldelli, a California woman who moved to Panama with her boyfriend Brian Brimager, an ex-Marine, who turned out not to be as perfect to her as he seemed. Baldelli routinely sent happy emails to family members, but they suddenly stopped. About a month after the last message, Yvonne's sister Michele Valenzuela got a text from Brimager saying he was back in the U.S., but without Baldelli. He had sent an email that he and Yvonne had broken up, which was somehow overlooked by her family. Police went to Panama and back to San Diego. The family learned that Baldelli and Brimager were not as happy as had been suggested. They learned Brimager was leading a second life and had gotten married to Kristin Werkoven. Even though Michele Valenzuela was sick with cancer, her hunch about the origins of an email allegedly from her sister Yvonne, set her on a mission to prove Brimager had murdered Yvonne. In Panama, police searched for a body. The FBI joined the investigation. Finally, forensic analysis yielded a positive result: Brimager was arrested by the FBI and is now in custody. Since the arrest, Yvonne Baldelli's remains have been found: she never left Panama. Original On-screen text graphic: Michele Valenzuela lost her brave battle to cancer last week. The United States is in talks with Panama to move the prosecution of Brian Brimager for Yvonne's murder to San Diego. 06/23/15 UPDATE: In April 2015, five months after the death of Michele Valenzuela, and following complex negotiations between Panama and the United States, it was announced that the United States will prosecute Brian Brimager for the murder of Yvonne Baldelli, as a foreign murder of a U.S. national. Now, the family is one step closer to justice for Yvonne and to bringing her remains back to the United States for burial. On-screen text graphic for the 06/23/15 updated rebroadcast: Brian Brimager is due in court next week. A federal judge is likely to set a trial date. 01/21/17 UPDATE: In 2016, the case was headed for trial when investigators made a dramatic discovery: Yvonne's blood and DNA were found under a machete handle that Brian owned. This was the tool used to dismember Yvonne. Within a week, Brimager pleaded guilty to second degree murder. On-screen text graphic: Kristin and Brian Brimager are still married. She continues to support and visit him in federal prison. Brimager's prison term ends in February 2037. Interviewed: photographer Jack English; Yvonne's sister Michele Valenzuela; her father and step-mother Jim and Lillian Faust; Yvonne's niece Lauren Beyer; local bar owners in Panama: Stephen and Joan Crabtree, Penny Tom; Brian's friend Jim Mertens; ex-U.S. intelligence officer Don Winner. 01/21/17 New Interview: Andrew Masters (FBI Special Agent) (C: Peter Van Zant - P: Chris O'Connell) (OAD: 11/15/14; 1st Rebroadcast: 06/23/15)
- 01/28/17 **48 HOURS: SOLVE THIS CASE: "Who Killed Kay Wenal"** - an investigation into the unsolved murder of Kay Wenal, who was found murdered inside her Georgia home in 2008. The case has been difficult to solve because there were no fingerprints, no evidence of a break-in and the killer took the weapon with him. Kay did not seem to have any enemies and her husband had a solid alibi. The only clues in the case are an expletive-filled cut-and-paste note sent to a newspaper and a police sketch of a suspect seen the day before and the day of the murder by a neighbor. Investigators are asking the public-at-large to help solve the crime. Gwinnett County Police Sergeant John Richter and Lieutenant Steven Shaw, the current detectives assigned to the case, and investigators hired by Hal Wenal -- John Inosigna, Ned Timmons, a retired FBI agent and his ex-wife, investigator Kathleen Timmons, and retired Gwinnett County Police Lieutenant Charlie Bishop discuss the case --including their theories. Former FBI profiler Mary Ellen O'Toole discusses her opinions regarding the note sent to the Atlanta Journal-Constitution. The hope is that exposing critical evidence to a nationwide audience on television, online and on social media platforms will help to solve this case. Also interviewed: Pam Sleeper (Kay Wenal's sister); David Hughes (contractor/business associate). On-screen text graphic: Anyone with information is asked to contact: Gwinnett County Criminal Investigation Division anonymous tip line at 770-513-5390. 48 HOURS

02/04/17

48 HOURS: "Guilty Until Proven Innocent" - a report about the cases against Dameon Pinkins and Roosevelt Glenn: two Indiana men, a 1989 gang rape, and the DNA evidence at the time that did not tie either man to the crime. Yet, both were convicted, spending years in prison before new DNA technology changed their fates. Pinkins and Glenn vowed they were innocent. Prosecutors had evidence and a victim who said she could identify one of the five alleged attackers. At trial, prosecutors also argued that DNA testing was new and unreliable -- both were convicted. Their cases drew the attention of Indiana law professor Fran Watson who, along with her students, continued to search for clues over a fifteen year period. Everything changed for them when a new technology called TrueAllele came along, which could separate the genetic mixture in DNA evidence. This new technology has the potential to change the outcome in thousands of cases nationwide. Glenn had been released from prison after 17 years for good behavior, and Pinkins was released after 26 years when prosecutors overturned their convictions. **On-screen text graphic:** Just this week Roosevelt Glenn's conviction was officially overturned. He will now move to have his name expunged from the Federal Sex Offenders Registry. Darryl Pinkins is living with his nephew and is looking for a job. 48 HOURS: "Murder in Beverly Hills" (9:00-10:00p) - a report on new details in the ongoing saga of millionaire Robert Durst. Featured in this episode is the first in-depth look at an unprecedented recent interview that infamous millionaire and alleged killer Robert Durst gave to a prosecutor looking to put him in prison. Also included is a review of the allegations about his missing wife; his alleged ties to the 2000 murder of his friend Susan Berman, who was shot dead in her home -- a case the police have spent years trying to solve. Durst wasn't considered a suspect in Berman's death until nine months later when he was involved with the death of Morris Black in Galveston, Texas. Durst maintained he accidentally killed Black in self-defense and he then cut up Black's body. A jury eventually acquitted him of murder. Next week, Durst is expected to agree to a plea deal on a gun charge in New Orleans so he can face trial in California for the murder of Susan Berman. Will that trial clear his name in a case that has dogged him for years -- as attorney Dick DeGuerin suggests -- or will he end up spending the rest of his life in jail, where investigators say he should have been all along? **On-screen text graphic:** Next week a secret witness in the Susan Berman murder case will reportedly offer new incriminating testimony about Robert Durst. Kathie Durst's family has filed a civil suit against Robert Durst. They're asking for one hundred million dollars. Included are previous interviews with: Jim McCormack; Stephen Silverman; Lisa DePaulo; Jeannine Pirro; Det. Cody Cazalas; Emily and Stewart Altman; Paul Coulter; Chip Lewis; Charles Bagli; Dr. Milton Altschuler; Andrew Jarecki; Steve Cooley; Jack Leonard. 02/11/17 **48 HOURS: "The Strange Life of Dr. Schwartz" (10:00-11:00p)** - an investigation into the death of beloved physician Dr. Steven Schwartz, found dead, seemingly as a result of a botched robbery; how his life came to such a violent end; and insight into a series of mysteries connected to him and his family. Schwartz, a wealthy well-respected kidney specialist was found dead -- shot, stabbed and beaten. Police discovered his body in his home after his second wife Rebecca called to report a robbery. Police investigation uncovered a family with strained relationships, different allegations on what may have happened and a secret life that Dr. Schwartz had hidden from his offspring. A year after the murder, police arrested Leo Anton Stragaj, an employee of Schwartz's. Stragaj admitted to seeing the body and not calling police, he says due to his immigration status. He says he did not commit murder and says that Schwartz's wife had something to do with it, because she asked him to find someone to kill Dr. Schwartz and has set him up. Also uncovered in the investigation were reports about Schwartz killing a dentist in 1961 in a botched robbery attempt in New Mexico. He spent nine years in prison before his sentence was commuted. He and his accomplice, Phillip Dyer, went on to live accomplished lives. Carter Schwartz, his son from his first marriage, was completely unaware of this information. Friends and colleagues suspect that Rebecca Schwartz was involved. Police believe that Rebecca Schwartz used this information to blackmail Dr. Schwartz. Rebecca Schwartz has sold the medical practice, moved to Wisconsin, and has caused heartache for another woman. Carter Schwartz has a civil suit filed against Rebecca Schwartz. **On-screen text graphic:** The gun and the knife used to kill Doctor Schwartz have never been found. No trial date has been set for Leo Stragaj's murder trial. Meredith and her husband are divorcing. Interviewed: Carter Schwartz (son); Robert Patton (friend of Dr. Schwartz); April Cox and Patrick Olive (former friends of Rebecca Schwartz); Leo Stragaj; Robert Kochen (investigator); Phillip Dyer (1961 accomplice, adjunct professor of criminal justice, Youngstown State University); James Cecil (1961 witness); Will Florin and Tom Roebig (Carter Schwartz attorneys); Kim Rivellini and Denis Devlaming (Rebecca Schwartz attorneys); Meredith (no last name - wronged woman) (C: Peter Van Sant - P: Alec Sirken, Ryan N. 02/18/17 **48 HOURS: "Eleven Hundred Miles to Murder"** - an investigation into the 2015 murder of Dr. Teresa Sievers, a Bonita Springs, Florida doctor murdered inside her home and the investigation that led to two suspects eleven hundred miles away in Missouri. Police initially suspected her husband Mark Sievers, but he had an airtight alibi. A tip led police on a 1,000 mile trip that took the case in an unexpected direction. Mark Sievers believed there might be a tie to other suspicious deaths of doctors around the country. Eventually, Mark Sievers became a person of interest. Two months after the murder, police arrested two men in Missouri and charged them with Dr. Sievers murder: Curtis Wayne Wright (aka Wayne Wright), and Jimmy Ray Rogers (aka "The Hammer") traveled from Missouri to Florida and murdered Dr. Sievers. What would be the motive? Police learned that Wayne Wright was a friend of Mark Sievers; that Mark had taken out five life insurance policies on Dr. Sievers; that the two had an open marriage, money problems and other serious issues. Eight months after the murder, facing the death penalty, Wayne Wright admitted to killing Dr. Sievers and accused Mark Sievers of being the mastermind behind the crime. Mark Sievers was then charged with the murder of his wife. Mark Sievers and Jimmy "The Hammer" Rogers have both pleaded not guilty and will be tried together. **On-screen text graphic:** Mark Sievers and Wayne Wright are being held in different jails. 48 HOURS: "Stalking: Out of the Shadows" (9:00-10:00p) and "Stalked" (10:00-11:00p) - a two-part investigation into stalking -- the victims, the stalkers, the dangers and long-term psychological damage this torment causes; and the efforts by actress Pauley Perrette to change ineffective laws that do not protect the victims. Also included: a report on the stalking death of singer Christina Grimmie, who was shot dead by an obsessed fan she didn't even know was stalking her online; and an interview with Justin Massler -- a serial stalker with a diagnosed mental illness, who was arrested for stalking Ivanka Trump.

(1) Stalking: Out of the Shadows (9:00-10:00p) - the death of Christina Grimmie is detailed. She was shot dead by an obsessed fan she did not know was stalking her who showed up at a concert armed with two handguns and pulled the trigger, killing Grimmie and himself. The case was similar to the 1989 death of actress Rebecca Schaeffer, in that the stalker fantasizes that he is in a relationship with his victim and wants a permanent bond. Stalking is a silent crime with many victims afraid to speak out, fearing they will enrage their stalker. Also included: actress Pauley Perrette, a stalking victim herself, talks about her efforts to change stalking laws and the bonds she has formed with other victims. Perrette does not think her stalker will ever leave her alone.

(2) Stalked (10:00-11:00p) - some stalkers become obsessed with people they do not know. Leonora Claire has been stalked by a man she met only once, who read about her in a magazine and came to an art exhibit she curated. Serial stalker Justin Massler has been obsessed with her for nearly six years and she has lived in constant fear, believing he could harm her at any time. Massler, who has been diagnosed with a mental illness, will not leave her alone. In 2010, he was arrested for stalking Ivanka Trump, and previously targeted the Kardashian family. Now, the secret service is interested in him because of the Trump connection. Included is an interview with Massler, whom anchor Erin Moriarty tracked down and conducted an interview via the internet. His mother says he is living near her in Nevada and is getting medication. He has not contacted Leonora Claire in four months. **On-screen text graphic:** Christina Grimmie's new single "Invisible" was just released by her family, ZXL Music and Republic Records. 03/11/17 **48 HOURS: LIVE TO TELL: "Afraid of the Dark"** - Jennifer Schuett was just 8 years old in 1990 when she was yanked through her bedroom window by an unknown man - and then strangled, slashed and left for dead in a field off a gravel road in Dickinson, Texas. She didn't die - and the kidnapper couldn't silence her. This is story of Schuett's will to live, her unwavering focus on pushing police to find her kidnapper, and how through the trauma she found a purpose in life by advocating for other crime victims. Schuett was alone in her bedroom, when she woke up in the arms of a man carrying her outside of the apartment building where she lived with her mom. He said he was an undercover police officer and that they would meet up with her mother. Both were lies. He took her to the field, tried to strangle her, and raped her and slashed her throat before driving away. When she came to, she couldn't scream, couldn't lift her head or even move. She was found by children playing in the field. Her assailant didn't count on Schuett living, let alone having an acute ability to recall critical details of the man. While in the hospital, Schuett, struggling with a fear of men and police because of the attack, began writing notes describing her kidnapper. His name was Dennis. She was also able to give a forensic sketch artist a detailed description of him. Despite the details, years went by with no suspects or closure. The case was passed between detectives, and each time it felt like she was starting over. Then, 18 years after the attack, Schuett got a call from Detective Tim Cromie from the Dickinson Police Department. He was now on her case. Cromie vowed to do everything he could until the end of his career to get the answers she so longed to find. Cromie partnered with FBI Special Agent Richard Rennison to work on the case. In September 2017, utilizing DNA technology that was not available before, Rennison got a call: the kidnapper's identity had been established. His name is Dennis Earl Bradford. **On-screen text graphic:** Jennifer has become a fierce advocate for other crime victims. 48 HOURS (continued)

- 03/18/17 **48 HOURS: "Death on Valentine's Day"** – a retitled and updated rebroadcast of "What Did the Children See?" (OAD: 02/20/16), focusing on Curtis Lovelace, a former Quincy, Illinois prosecutor on trial for the second time, for the February 14, 2006 murder of his wife, Corey Lovelace. The main question in this case is the cause of Cory Lovelace's death -- alcohol abuse or murder. Lovelace was an All-American high school athlete who went on to become a prosecutor who seemed to have everything including a successful career and a loving family. On Valentine's Day 2006, Lovelace returned home after dropping his children off at school to find his wife dead. After an investigation, the cause of death was never determined and the case was closed. Eight years later, in 2014, a Quincy detective reopened the case. This investigation determined the cause of death as suffocation. Lovelace was arrested and charged with murder. The case hinged on two things – science and the testimony of the Lovelace children. The first trial resulted in a hung jury and a mistrial was declared. Lovelace has remarried twice since he wife's death. At the time of the second trial, the family was and still is deeply divided: daughter Lyndsey Lovelace has not spoken to her family since Lovelace's arrest and is moving on with her life. His first ex-wife Erika Gomez was a witness at the second trial. Following the second trial, more than ten years after his wife's death, Curtis Lovelace walked out a free man after being found not guilty. Original on-screen text graphic: Lovelace's new trial date is scheduled for May 31st. Curtis Lovelace's bail was set at five million dollars. He remains in jail. **On-screen text graphic for the 03/18/17 Rebroadcast:** Christine Lovelace adopted Curtis' three sons. Lyndsay was already 18 years old. Christine and Curtis are undecided if they will return to live in Quincy. Interviewed: Bob Goush (journalist); Marty Didriksen (Cory Lovelace's mother); Steve Belko, Beth Dobrzynski (Cory Lovelace's friends); Lyndsay Lovelace (daughter); Cole Miller (EMT); James Keller (Deputy Coroner); Adam Gibson (Quincy detective); Dr. Jane Turner (Asst. Medical Examiner, St. Louis); Curtis Lovelace; Christine Lovelace (wife). (C: Maureen Maher – P: Alec Sirken, Marc B. - 03/25/17 **48 HOURS: "What Happened in Apartment 1601?" (9:00 – 10:00p)** - a report on the 2013 death of Mark Waugh, a 23-year-old man murdered in an apartment in Silver Spring, Maryland after a night of bar-hopping with two friends. Since neither of them could remember what had happened, police employed an unusual method of interrogation. Waugh was stabbed to death in the apartment where his friends Rahul Gupta and his girlfriend Taylor Gould lived. Both Gupta and Gould were bloody and drunk, according to police, and were immediately interrogated, with Gupta apparently confessing to the crime, saying he had caught Mark and Taylor together. Then after the alcohol wore off, everything changed, with both insisting they had no idea what had happened. Gupta and Waugh were longtime friends, with successful jobs. Police struggled to understand what had happened. Police initially believed Taylor Gould's version of events, but took the unusual step of putting Gupta and Gould together alone, and monitored their conversations. Gupta kept trying to blame Gould, yet police still believed Gould's version of events. Further investigation revealed Gupta had a temper and smoked marijuana. Investigation also discovered information from a phone call between father and son after Gupta was arrested in which he told his father what had happened. Gupta was arrested and charged with murder. At trial, Gupta's defense was to point the finger at Taylor Gould. She herself was not much help on the stand; but she never blamed Gupta; she just stated she did not kill Mark Waugh. The jury found Gupta guilty. Though Taylor Gould is legally not guilty, Detective Paula Hamill believes she may have played some role in what happened that night, and that she may have possibly been involved in a relationship with Waugh behind Gupta's back. Original on-screen text graphic: Rahul Gupta is appealing his conviction. **On-screen text graphic for the 03/25/17 Rebroadcast:** Just yesterday, Rahul Gupta's latest appeal was denied. Nancy and William Waugh have filed a wrongful death suit against Rahul Gupta. Interviewed: Officer Dean Skiba and Detective Paula Hamill (Montgomery County, Maryland Police); Phil Armstrong and Jennifer Page (Gupta's defense attorneys); Jason Peters (childhood friend of Mark Waugh); Sherene Gupta Rapoport (sister of Rahul Gupta); Dan Morse (Washington Post reporter); Timothy Hagan and Patrick Mays (Prosecutors). 03/25/17 **48 HOURS: "The Alternate Suspects" (10:00-11:00p)** – a followup to "Playing By the Rules" (OAD: 03/12/16), itself a follow-up to "The Guessing Game" (OAD: 12/06/08), featuring an interview with David Mark Temple, a former football star turned coach who was convicted in 2007 for the 1999 murder of his pregnant wife Belinda, who was shot dead in their Katy, Texas home. He spent nine years in prison, vowing he was innocent. In December 2016, he was released from prison after the Texas Court of Criminal Appeals found he didn't get a fair trial. Temple talks about his life, evidence not admitted in his first trial that he believes can clear him, his family and the future. After years of delays and little evidence, Temple was eventually convicted in 2007, in a trial that pitted two the biggest names in the legal world: renowned defense attorney Dick DeGuerin and prosecutor Kelly Siegler. Five years later, a new witness came forward. An investigation led Temple's new attorneys to allege that the prosecutor, Siegler, had withheld crucial evidence from the defense. In July 2015, a hearing was held to determine if Temple had received a fair trial. The judge ruled in Temple's favor. The case was then in the hands of a higher court. In December 2016, after nine years in prison, Temple was released. Kim Ogg, the new DA in Harris County has promised to personally review the case and decide whether to drop the charges, or prosecute David Temple all over again. Belinda's family still maintains that Temple is responsible. **On-screen text graphic:** Stanley Schneider is now handling David Temple's case alone. Belinda Temple's family has asked for a special prosecutor to be assigned before a decision about a retrial for David is reached. Interviewed: David Mark Temple; Steve Clappart (Harris D.A. office investigator); Dean Holtke (Crime Scene Technician); Casie Gotro and Stanley Schneider (Temple's new attorneys); Kelly Siegler (Prosecutor); Dick DeGuerin (original defense attorney). KOAM-TV Description of Issue	Program/Segment	Date	Duration	Value	Narration of Type and Description of Program/Segment
The following is a list of some of the significant issues responded to by the station along with significant treatment of those issues. This list is not exhaustive and the order in which these issues appear does not reflect any priority or significance.					
The Alliance of Southeast Missouri, Children, Teens, Families, Health, Safety	Staff participates in local not-for-profit fundraising	3:28:17 duration + PSA's 1:17-2:11:17	N/A + 23 Minutes, 50 Seconds	\$120 donation + PSA value of \$7,178	In support of Child Abuse Awareness and Prevention Month (April) the station made a donation of \$120 to missouri-kidsfirst.org and purchased 100 blue pinwheels. The pinwheels are placed on station property at 745 Range Line Road in Joplin in support of "One April" to bring attention to child abuse and to work to keep the children safe. Why the Pinwheel? In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through Pinwheels for Prevention®. What our research showed, and what our experiences since then have borne out, is that people respond to the pinwheel. By its very nature, the pinwheel connotes whyness and childlike notions. In essence, it has come to serve as the physical embodiment, or reminder, of the great childhoods we want for all children. In addition to the pinwheels the station also wrote, produced and aired PSA's in support of "One April."
Golden Paw Animal Rescue	Staff participates in local not-for-profit fundraising	2:1:17 duration + PSA's	2:28:17-3:31:17	\$225 donation + PSA value of \$12,734	The station supported Golden Paw Animal Rescue of Joplin, MO through a donation of a television which is used at a charity auction on April 1, 2017. The station also wrote, produced and aired PSA's in support of the charity event called "Rockin' To The Rescue." Golden Paw Animal Rescue & Pet Sanctuary offers rescues and adoptions for all forms of pets. Additionally, the company offers a chance to sponsor a pet, grooming options, boarding, and training. RESCUES: If you are surrendering a pet, there are specific criteria that must be met: The pet MUST be healthy. He/She must not exhibit any form of aggression. You must supply written proof of vaccinations. A deposit is required to cover incidental charges. ADOPTIONS: Golden Paw requires an applicant to complete the adoption application in person prior to being approved for adoption. An adoption fee is applied when approved. The company does reserve the right to refuse to allow for an adoption since some of the rescues hold special needs and require very specific care and handling.
New Hope Services, Special Olympics, Developmental Disabilities	Staff participates in local not-for-profit fundraising	2:2:17, 2:11:17 event + PSA's aired 1:31:17, 2:11:17	2 Hours, 6 Minutes, 30 Seconds	\$250 donation plus PSA value of \$41,912	The station supported Special Olympics of Southeast Kansas during the 1st quarter of 2017 in several ways: (1) Hosting an employee lunch with proceeds going to Special Olympics, (2) airing PSA's during the quarter, (3) attending the Polar Plunge with a team of jumpers, (4) covering the event during newscasts. On Tuesday, February 2, 2017 Groundhog Soup Day for special olympics + rather around \$190 raised. New Hope Services provides community living options and supportive services for persons with intellectual disabilities and/or developmental disabilities. New Hope Services has two locations in Pittsburg and Valley Center, Kansas serving the needs of individuals throughout the State of Kansas. New Hope Services is proud of our staff of highly skilled professionals, who ensure that our consumers reach their highest level of personal independence: physically, emotionally and socially. As a division of Mediacore, Inc., New Hope Services has the very unique distinction of being 100% employee owned. Each care to the individuals we serve. Energized by the pride and power of teamwork, Special Olympics Kansas provides individuals with intellectual disabilities the opportunity to be an athlete – and more – through acceptance, inclusion, physical fitness, health and nutrition programs, and leadership development.

Ronald McDonald House of the 4-States, children, families, health, safety	Staff participates in local not-for-profit fundraising	2.3.17-3.5.17	N/A	\$1,750 + PSA time	The station sponsored the Tarzan Zentrol Circus March 3, 4 and 5, 2017 just south of Joplin, MO. It was a fundraiser for Ronald McDonald House of the Four States. The mission of Ronald McDonald House is to create, find and support programs that directly improve the health and well-being of children. The Circus will be making a check presentation to the House and the station provided a donation photo booth and raised nearly \$700 which will be donated to the House. The station also donated a tent for the House volunteers who helped at the circus. Total station donation is estimated at \$1,750. The station also aired spots inviting the public to the Circus.
United Way	Staff participates in local not-for-profit fundraising	2.17.17		\$40 donation + silent auction items valued at \$75	United Way is hosting a new event in Pittsburg this year called Blarney Breakfast on St. Patrick's Day. It's 6-8:30am at Cotton's Steakhouse. They are doing a silent auction (or maybe just door prizes) and they asked if we would donate a prize. Station employees Diane Cunningham, Vance Lewis, Rye Addis, & Crystal Albright attended the breakfast and made donations to United Way.

STATION DONATED 32" HDTV TO
THE AUCTION - value \$225

Our 2nd annual fundraiser, Rockin For The Rescue, will be held this year 1, April at VFW 534. As you know, financial support is extremely important in continuing our rescue saving efforts, as we rely on donations to provide spay/neuter and rehoming services that are greatly needed for animals in the community.

We hope that Rockin For The Rescue will attract more attendees each year, but we depend on the added support of our friends in the business community who supply us with exciting auction items. Would you be willing to donate either a gift certificate or merchandise from your business?

Please contact Alexis at alexisprado0718@yahoo.com or 417-623-0842 to discuss your contribution or schedule pick up. Golden Paw's With Possibilities is a 501c(3) non-profit organization and our animals benefit greatly from your tax deductible donations.

Our organization's ability to continue to operate is due in large part to the generous support of individual donors who believe in our mission, as well as gifts from businesses and corporations.

Thank you for considering our request.

Sincerely,

Golden Paw's With Possibilities Staff

The Gala is the primary fundraiser for the Children's Center. Children's Center of Southwest Missouri, a not-for-profit child advocacy center headquartered in Joplin, Missouri has been providing victim assistance services since May 5, 1997 to sexually abused and/or physically abused children, ages birth through 17, and their families. As a child advocacy center (CAC), Children's Center provides many benefits, both to victims and families as well as the community as a whole. For victims and their families the benefits of a CAC are readily apparent: consistent and prompt follow-up to abuse reports; crisis intervention; consistent and compassionate support for the child and family; referrals to professionals with expertise in specialized fields; dramatically fewer victim interviews; and increased successful prosecutions. Children's Center was founded in 1996 by a group of citizens concerned that children should not be interviewed over and over again about an abusive incident. At that time many children were interviewed in busy police departments or in their own homes where the abuse occurred. Medical exams were provided in emergency rooms where children waited for hours to get an exam. Prosecution rates were low and the number of unresolved cases was high. With the intent of solving these problems, this community group became the first board of directors of Children's Center. Our Joplin center opened May 5, 1997 with the purpose of helping sexually abused and severely physically abused children and their families.</p>

Our Mission United Way improves lives by mobilizing the caring power of communities around the world to advance the common good. Our Goals</p> <p>In 2008, United Way World Wide initiated a 10-year program designed to achieve the following goals by 2018:</p> <ul style="list-style-type: none"> Improve education, and cut the number of high school dropouts — 1.2 million students, every year — in half. Help people achieve financial stability, and get 1.9 million working families — half the number of lower-income families who are financially unstable — on the road to economic independence. Promote healthy lives, and decrease by one-third the number of youth and adults who are healthy and avoid risky behaviors. <p>These goals are ambitious, but with your help, and by utilizing our core strengths — a national network, contextualized partners and public engagement capacity — we can achieve them.</p>

17th Annual Dr. Martin Luther King, Jr. Day Celebration and Events Sponsorship

Fox 14 and KOAM-TV
Mr. Vance Lewis, Promotions Manager
2950 Northeast Highway 69
Pittsburg, KS 66762

Dear Mr. Lewis,

Thank you for your past sponsorship of Missouri Southern's Dr. Martin Luther King Jr. (MLK) Day events. I am pleased to once again offer your organization the opportunity to partner with us as a sponsor. For the last 16 years, MSSU has joined the nation in recognizing and celebrating the legacy of Dr. Martin Luther King Jr., on the day set apart to honor him. As you may recall, the MSSU MLK Day starts with a Celebration Breakfast featuring aspects of Dr. King's life and legacy and an inspiring keynote speaker. The breakfast is offered at a nominal cost to attendees, but free to our invited guests who are usually representatives of local non-profit agencies in appreciation of their services to the community.

Breakfast will be followed by a Day of Service where, as you may recall, we partner and serve at multiple non-profit agencies around the Joplin area. The events have grown over the last several years and has come to be a valued event for our community. Last year, we had more than 250 attendees at the breakfast and more than 140 hours of volunteer hours served at local agencies.

The events are featured in the Dr. Martin Luther King Jr. Statewide Celebration Calendar of Events booklet and receives great media publicity before and after. (To be listed as a sponsor in the Statewide booklet, sponsorship commitment has to be Lion Pride level and submitted by October 15.)

As a non-profit making event, we depend on sponsorships to host the Celebration Breakfast and pay for the seats for invited representatives of local agencies. We would appreciate you reconsidering or upgrading your sponsorship. Please find enclosed is a flyer detailing the sponsorship levels for your selection. If you would like to renew or upgrade your sponsorship, highlight the sponsorship level and send it back to by email or Business Reply Envelope and I will send you the Sponsorship Agreement. Please feel free to call us for more information about the program. Thank you.

LIFT EVERY VOICE AND SING

Vs 1. Lift every voice and sing, till earth and Heaven ring,
Ring with the harmonies of liberty.

Lift our rejoicing rise, high as the listening skies,
Let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;

Facing the rising sun of our new day begun,
Let us march on till victory is won.

Vs 2. Stony the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;

Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed?

We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered;

Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

Vs 3. God of our weary years, God of our silent tears,

Thou who hast brought us thus far on the way,
Thou who hast by Thy might, led us into the light,

Keep us forever in the path, we pray,
Lest our feet stray from the places, our God, where we met Thee.

Lest our hearts, drunk with the wine of the world, we forget Thee.
Shadowed beneath Thy hand, may we forever stand,

True to our God, true to our native land.

Join us February 7th at 6:30 p.m. for the film *Selma*,
in Billingsly Student Center, Phelps Theater

NOTE OF APPRECIATION

The members of the Diversity Advisory Committee, host of this event, extend their sincere appreciation to the event sponsors, Day of Service participants, volunteers, attendees, and all who continue to make this recognition and celebration of Dr. King's legacy memorable and impactful in our community. Let us continue the legacy in unity and to the service of our community and others. We look forward to your continued support and participation in these events in the future.

Dear Workplace Host:

Thank you so much for agreeing to take this Pittsburg High School student(s) on March 1st and to show him/her all the "ins and outs" of your job. The student is really looking forward to spending part of the day with you and learning about your profession or business/industry, the job skills needed, and careers in this area.

Hopefully, you will receive this in plenty of time to review the questions you will be asked by the student, plus any other information that might be beneficial. Enclosed please find "Your Role as a Workplace Host," a copy of the questions the student will be asking, an evaluation form for you and one for the student, and a return envelope. You may fax or mail the evaluations to us.

The student should be at your business during the time frame indicated below. Because they will be riding the bus, the time of arrival and departure may vary. If he/she should fail to show up by 9:30 or leave early, please contact Karen Odgers at PHS (235-3206).

Job shadowing can give young people a new perspective on their studies, because it shows them a number of choices for the future. Job shadowing also introduces students to the requirements of professions and industry, building a more prepared workforce for the 21st Century. Once again the Business Education Alliance and USD 250 would like to thank you for taking the time to work with this young person.

Sincerely,

EVERY CHILD
MATTERS

JOIN US TO HELP PREVENT CHILD ABUSE

April is Child Abuse Prevention and Awareness month. During April, you will see events and activities in Joplin geared towards raising awareness of child abuse and increasing our prevention efforts. One April is a coalition of local agencies, businesses and community stakeholders in the Joplin area who have joined together to prevent child abuse.

We are asking you to become a part of that effort by showing your support for child abuse prevention.

You can do this in one of several ways:

1. Display blue pinwheels at your office or place of business. To purchase pinwheels, go to www.missourikidsfirst.org to place your order.
2. Display a pinwheel bouquet in your office or place of business by going to www.theallianceofswmo.org or calling 417-782-9899 and making a tax deductible donation of \$25 or \$50. Your bouquet will be delivered to your place of business along with your tax deduction letter.
3. License to Care: Purchase a special license plate at Missouri Children's Trust Fund www.ctf4kids.org. (See enclosed form)

During the month of April, we want to paint the town blue to show Joplin's support for child abuse prevention, but we can only do that with your help. Please join our efforts to keep children, our most vulnerable citizens, safe.

9 a.m. at Joplin Police Department located at 303 E 3rd St, Joplin, MO 64801

On April 1st local college students and community members will be planting pinwheel gardens to kick off a large awareness campaign for Child Abuse Prevention Month.

One April is a group of community stakeholders focused on combining efforts to make a big impact to fight against child abuse and neglect.

During the month of April, several avenues of communication will be utilized to get the community's attention to the fact that Child Abuse and Neglect is a big issue. Public Service Announcements will be playing on Television Stations. There will be three events community members can attend with a Child Abuse Prevention focus.

1. Community Hope Conference, April 7th, The Church at Brookwood
2. Children's Center, Breaking the Silence 5k & 10k, April 22nd, Roper Kia
3. CAPA for Kids Free Community Event, April 29th, Joplin Family Worship

Why the Pinwheel?

In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through Pinwheels for Prevention®. What our research showed, and what our experiences since then have borne out, is that people respond to the pinwheel. By its very nature, the pinwheel connotes whimsy and childlike notions. In essence, it has come to serve as the physical embodiment, or reminder, of the great childhoods we want for all children.
